Subject: City Council Meeting Agenda Item 19 May 7 2024

Attention: This email originated from outside of City of Santa Ana. Use caution when opening attachments or links.

Dear City Council,

I write in support of the item. However, I want to note that the prices being advertised for the luxury townhomes to eventually be sold at this site (<https://www.tollbrothers.com/luxury-homes-for-sale/California/717-Lyon>) are not going to be affordable for the vast majority of renters and current homeowners in Santa Ana.

I suppose though that high real estate sales prices means higher tax revenues to help make up for the looming fiscal cliff when measure X expires, eh?

Sincerely,
Nate Greensides
