DISCUSSION

In order to establish a high-quality America's Job Centers of California (AJCC) delivery system and enhance collaboration among partner programs, Workforce Innovation and Opportunity Act (WIOA) requires Local Workforce Boards to develop Memorandum of Understanding (MOU's) with a list of AJCC required partners within the Local Workforce Area. These MOU's will serve as a functional tool as well as a plan for how the Local Board and AJCC partners will work together to create a unified service delivery system that best meets the needs of their shared customers. The current partner MOU's expire at the end of this fiscal year (Exhibits 1, 2 and 3).
