To Whom It May Concern,

I am writing to express my support for the city of Santa Ana's sponsorship of The Frida Cinema's production of the monthly DTSA First Saturday Art Walk events.

Last year, when I served on the board of Community Engagement, I had the privilege of helping to organize art exhibitions at Casa Bloom Studios in downtown Santa Ana. The exhibitions were held on the first Saturday of the month, this way we could depend on having large crowds of families visiting our exhibition who were already in the heart of the downtown arts district to enjoy Art Walk Night.

Logan Crow and his talented team's thoughtful curation of Art Walk Night provides so much joy and excitement and meaningful engagement between creatives and the community. Personally, if I have family or friends visiting me from out-of-town, I insist that their visit coincides with The Frida Cinema's production of Art Walk Night because this guarantees that their experience of Orange County will be memorable and magical.

Thank you,
