- H. In addition to meeting the standards for placement in the Contributive category pursuant to Section 30-2.2(3) of the Santa Ana Municipal Code, the applicant has agreed, as part of the requested Mills Act agreement Work Plan, to restoration of select elements described therein within the first five years of the Agreement's term, including removing the non-compatible rear door and rear window, trimming and maintaining trimmed condition of landscaping and trees at the front of the property, landscaping the back yard, and updating the garage.

**Section 2.** In accordance with the California Environmental Quality Act, the recommended actions are exempt from further review under CEQA Guidelines Section 15331, Class 31, as these actions are designed to preserve historical resources.
