BID PROPOSAL

TO: CITY COUNCIL OF THE CITY OF SANTA ANA

FROM: Vido Samarzich, Inc.

REQUIREMENT:

The undersigned bidder declares that they have carefully examined the location of the proposed work, that they have examined the Contract Documents in its entirety and hereby proposes to furnish all material and do all the work required to complete the said work in accordance with said plans (if any) and the specifications for the unit price(s) or lump sum(s) set forth in the following schedule:

BASE BID:

20-6965, ATP 5063(196) – STANDARD AVE BIKEWAY FROM WARNER AVE TO 2ND ST
 20-6962, ATP 5063(198) – MCFADDEN AVE BIKEWAY FROM HARBOR BLVD TO GRAND AVE
 19-6923 – MCFADDEN AVE PAVEMENT REHABILITATION FROM FAIRVIEW ST TO RAITT ST

---	----	---------------

The lowest responsible bidder shall be selected based on the total base bid. The City reserves the right to award the Base Bid, and any, all, or none of the add-alternate bid items (if any).

* The quantity for this bid item is shown for bid comparison only. This bid item shall not be subject to the "25%" limit as stated in Section 7-3.5 of the Standard Specifications. The actual amount for this item will be dictated by the actual quantity used, and the Agency reserves the right to increase or decrease the quantity of this item accordingly.

** Contractor shall coordinate with the City if additional days are required for the project.

† This bid item is considered a Specialty Item per Section 3-2 of the Standard Specifications.

TIME FOR COMPLETION OF IMPROVEMENTS AND LIQUIDATED DAMAGES

The undersigned bidder hereby proposes to complete the Work for the total base bid amount shown above, within a project total maximum number of 350 working days total construction phase completion (5 total phases) and 30 working days maximum for UPRR phase completion as shown in special provisions section 3.02, "Project Phasing and Lane Requirements" after the commencement date stated in the Notice to Proceed. Upon issuance of the Notice to Proceed, Contractor shall immediately place order for long-lead time items (i.e. traffic signal equipment). The Contractor shall submit a construction schedule within ten (10) working days from the date of award of contract, which shall include the lead-times for any item requiring long lead-times. The liquidated damages amount, in lieu of the amount specified in Subsection 6-9 of the Standard
