DISCUSSION

The City Council represents the City's interests in regional issues by serving on a number of regional boards/agencies which make public policy decisions in the areas of transportation, water resources, fire resources, and government facilities.

The Southern California Association of Governments (SCAG) is an association representing six counties (Imperial, Los Angeles, Orange, Riverside, San Bernardino, and Ventura) that works to develop regional plans for transportation, growth management, housing development, air quality, and other issues of regional significance. Mayor Amezcua was appointed as the City's representative to the SCAG Regional Council for District 16 on April 4, 2023.

SCAG holds an annual Regional Conference and General Assembly Business Meeting. The 59th Annual Conference and General Assembly Business Meeting will be held from Thursday, May 2, 2024 to Friday, May 3, 2024 in Palm Desert, CA. SCAG has requested that the City designate an Alternate Representative for purposes of the General Assembly, in the event that the Delegate Representative (Mayor Amezcua) is unable to attend.
