Dear Ms. Hall,

I hope this message finds you well. I am writing to offer my full support and a character reference for Councilman Johnathan Hernandez of Santa Ana's Ward 5. As Pastor of The Life Center Church and Executive Director of Neutral Ground, I have had the privilege of working closely with Johnathan on various community initiatives, and I have seen firsthand his dedication to serving with integrity and purpose.

Since our partnership began, we have collaborated with Johnathan on impactful programs such as the first Summer Night Lights in 2016 and every year since, gang prevention and intervention programming, and the first Chicano Heritage Festival. Johnathan's involvement in these events has always centered on uplifting and empowering our community, with no personal agenda other than to serve. His contributions to these initiatives have been invaluable, fostering a safer, more connected environment for the people of Santa Ana.

Johnathan's work has always been motivated by his Chicano heritage and his deep-rooted commitment to Santa Ana's history and people. When we reached out to him for support, we did so because he represents our shared values and dedication to this city. We did not anticipate any conflict; we simply knew Johnathan was the right person to help us push forward on our mission.

Though recent inquiries have raised concerns about his involvement in community events, I can say with complete confidence that his actions have consistently been in good faith. Johnathan's role has always been one of support, without overstepping boundaries, as he has worked tirelessly to strengthen the planning and success of each event. His commitment to Santa Ana's well-being has been evident in every step he's taken with us.

I am proud to work alongside Councilman Hernandez and am deeply grateful for his continued dedication to our community. Please feel free to contact me if you'd like to discuss this further.

SURPRISE! Special Secret City Council Meeting Agenda October 28, 2024

"SPECIAL" OPEN MEETING – 5:30 PM
CITY COUNCIL CHAMBER
22 Civic Center Plaza Santa Ana, CA 92701

First I would like to say thank you and pay tribute and honor to the Voice of OC, who has been here for us all along, uncovering the Truth in these lies that this council has always tried to feed us.

We The People have concluded our own investigations, into the demonic force of nature that had control on this city. The so-called Boogeyman lurker and as an outcome, October 8, 2024, we fired Santa Ana City Attorney Sonia R. Carvalho. Never was she on my team. Never have I spoken with her. Never did you represent me. {We The People} Never did you provide services for me<. Never did you counsel me or guide me in matters regarding the City of Santa Ana.

Valerie Amezcua was condemned here May Day 2024, along with all her unions, their political donations and their candidates they bought with stolen funds. You're repeat offenders here.

The County of Orange with Frank Kim as CEO was fired 4/11/2024, and ended in utter disgrace with the downfall of the entire board of criminal supervisors, millions of dollars in stolen public funds and child abuse charges.

Our corrupt police force have never protected us from the likes of you the real criminals, or outside predators you sell us out to. Your fallen legacy is disgusting and diminished and finished here tonight.

Santa Ana does deserve an apology from "corrupt and compromised politicians" and "compromised staff". and we also deserve a new start for bearing the brunt of the burden here in Orange County. Our Sanctuary City.

Next Action Item: We The People demand you immediately do right by us and handle the oversight of our police immediately by hiring the right Oversight Director candidate who is independent and not beholden to your control. I am calling to demand that Santa Ana City Council immediately hire Sean Garcia-Leys for Independent Oversight Director. We want a candidate who actually stands for accountability! We want a Commission that actually operates independently of Santa Ana Police Department. We want Sean Garcia-Leys for Independent Oversight Director.

Valerie Amezcua is condemned here, Santa Ana!

7/7/2020 The Youth had a meeting over it. The Santa Ana Youth demanded the money!

I was there. I stood up for our kids! I protected them and marched with them to confront your violent police force in our city! I spoke out against the corruption at City Hall!

Classic Santa Ana PD style, they came out in riot gear and batons ready to beat up their own Children!

None of you were there for our kids.

Where were you? Where were the yaktivists for our kids! Where were their Elders that day! Where were you! Who ordered Johnathan Ryan Hernandez to sit out on the curb that day? Weak cowards.

Court dismisses lawsuit brought by Police Officers Association against City of Santa Ana

Posted on July 27, 2023

Santa Ana Police Oversight Commission has zero effect and undermines our safety when it's beholden to a condemned mayor and a corrupt force. This complaint is lodged specifically against Danny Vega, Chairperson and Mayoral Representative, in collusion with Valerie Amezcua. As a protected class of citizens in a sanctuary city,

-March 2024, citizen complaints began to be filed against Santa Ana Police.

-April 11, 2024 County of Orange fired. They have absolutely no jurisdiction over us.

-May Day, 2024 Mayor Valerie Amezcua is condemned by the Community.

-in retaliation, on May 15, 2024, students, faculty and community members were attacked at UC Irvine by Santa Ana Police and every law enforcement agency in Orange County under duress and lies, they were ordered to UCI, all dressed up in SWAT costumes and lethal force again, threatening to kill us for hours again, this being Peace Officers Memorial Day.

Police Oversight Commission is guilty of

Stonewalling

Retaliation

Defamation of character

Secretive proceedings

GUILTY

They put their own commissioners in harm's way and allowed City Council to attack them publicly when two of them spoke out against the police brutality at the hands of the entire Force at UC Irvine on 5/15/24. Also journalist Matt Cunningham is trash for the hit piece he put on the matter.

Subject: City Council Special Meeting for 10/28/24 -Support for Councilmember Johnathan Hernandez

Attention: This email originated from outside of City of Santa Ana. Use caution when opening attachments or links.

Dear City Manager Mr. Nunez,

I am writing to express my support for Councilmember Johnathan Hernandez, who, despite the recent investigation findings, has demonstrated a longstanding commitment to our community through his city council office and actions as a servant leader. While his past decisions may have diverged from organizational protocol and resulted in a infraction, it is important to consider his history of dedication to our community and the intent behind his actions.

Throughout his tenure, Councilmember Hernandez has consistently prioritized the needs of the black and brown community over his own, demonstrating integrity and care in every decision. This commitment is reflected in initiatives that have benefited both the black and brown community such as establishing August as Chicano Heritage Month, supporting the creation of street toppers honoring community leaders such as Helen M. Shipp, Josephine "Chepa" Andrade and more recently Virginia and William Guzman, he garnered support to fund mural restorations which assisted in renovating the 33 year old RAZA mural, and championed cultural celebrations such as Juneteenth and the Chicano Festival. These acts are a true mark of a servant leader who prioritizes the well-being and development of others.

While I understand the importance of upholding organizational guidelines, it is also crucial to view this incident within the broader context of his service. His dedication to spotlighting the black and brown contributions in our community cannot be overshadowed by this recent event. I encourage you to consider the positive impact he has made when evaluating any further actions.

Thank you for your attention to this matter, and I hope you will view Councilmember Hernandez with the same appreciation for his service that so many in our community share.

Sincerely,

Subject: Johnathan Ryan Hernandez

Attention: This email originated from outside of City of Santa Ana. Use caution when opening attachments or links.

Hello, my name is LaDonna Williams. I am writing in regards to the special meeting today regarding Johnathan Hernandez.

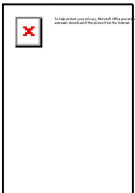

In the short time that I've known Johnathan, he has always steered his words and actions towards what was right for his constituents and the Santa Ana community. As the councilmember to one of the most diverse Wards in Santa Ana, his advocacy is for more than just the Hispanics in Santa Ana. He understands that there are African Americans that are far more underrepresented and need a voice in the community that we helped to build. Many African Americans were stationed here from "The South" when the El Toro base was built, including my family in the 50s. We fought for our country, purchased homes; we built business (literally and figuratively) alongside our neighbors.

The City of Santa Ana went on record as a "Safe Harbor" city. So far, it's not been willing to go on record as an ally for its African American diasporas. When it comes to our holidays, we're told that it's "just an [expensive] party", but no other group has received this same criticism despite receiving trifold budgets.

Johnathan has only acted in good faith. He wants to see everyone win, not just one group over the other.

Sincerely,

LaDonna Williams
