Subject: Oppose to Type 47 License

Attention: This email originated from outside of City of Santa Ana. Use caution when opening attachments or links.

Hi.

We are opposed to granting a type 47 license to Las Brisas Restaurant due to adding to pollution, homelessness, and crime in our residential area.

We are already dealing with all these 3 issues in our residential area and to grant Type 47 license to Las Brisas Restaurant will add to the growing problems we have living near the restaurant and add to the intensity of these challenges.

Please update us on the results of this meeting.

Thank you.
