**AGENDA TITLE**

Agreements with Galls, LLC and L.N. Curtis & Sons for Police Uniforms, Accessories, and Miscellaneous Equipment (General Fund)

**RECOMMENDED ACTION**

Authorize the City Manager to execute one-year agreements with the following vendors for the purchase of police uniforms, accessories, and miscellaneous equipment for the period of March 5, 2024 through March 4, 2025, with an option for a six-month extension, for an aggregate amount not to exceed \$600,000 (Core Agreement No. A-2024-XXX):

- Galls, LLC – in amount not to exceed \$300,000
- L.N. Curtis & Sons dba Curtis Blue Line – in an amount not to exceed \$300,000

**GOVERNMENT CODE §84308 APPLIES:** Yes

**DISCUSSION**

The Police Department's Central Distribution Center (CDC) provides uniforms and equipment to approximately 400 uniformed and field personnel. Uniforms and equipment, including body armor, help identify Department personnel by assigned duties, provide protection, and provide for a professional appearance.

New officers and employees are initially issued a full uniform, which consists of a duty jacket, three shirts, two pants, leather gear, and a body armor vest (for field personnel). Thereafter, uniforms are replaced on an annual basis (as requested) and the replacement allowance consists of three shirts and two pants. Body armor is replaced every five years. Special units, such as SWAT, Mounted Patrol, and K9 are issued different uniforms specialized for each unit, but are replaced in a similar manner. In addition, the Planning and Building Agency purchases uniform items for their field staff members.

The City Council last approved agreements with Galls, LLC (Galls) and Goodies, LLC on February 18, 2020 for a three-year term based on the results of a Request for

Proposal (RFP). Goodies, LLC has since been acquired by L.N. Curtis & Sons, doing business as Curtis Blue Line (Curtis). The agreements have expired and purchase orders with lower thresholds have been issued since then. A new RFP is being prepared and is nearly finalized. In order to continue to purchase the critical uniforms, accessories, and equipment while the RFP process is completed, new agreements are required. These agreements will also allow payments to the vendors for uniforms and services that exceed the existing purchase orders maximum amounts.

Santa Ana Ordinance No. NS-3041 authorizes the City to purchase against contracts awarded by any public agency employing a competitive bid process. Sourcewell, a cooperative government purchasing agency, awarded a contract to Galls (Contract No. 011221-GAL) for body armor and related accessories, and a contract to Curtis (Contract No. 090122-LNC) for law enforcement uniforms, accessories, and equipment. The County of Orange awarded two contracts to Galls (Contract No. MA-026-22011072 and No. MA-060-21011643) for law enforcement uniforms, accessories, and supplies. By leveraging the procurement power through cooperative purchasing, the City of Santa Ana is able to obtain nationally vetted, high quality products at competitive volume pricing, and is in accordance with the City's existing purchasing guidelines.

Staff intends to complete the RFP process within the next twelve months. Upon completion and award of the new contract(s), these two agreements will be terminated.
