**Subject:** West Management

To Whom it may concern,

My name is Mr. James Stapleton with Magic inc Academy of the Arts, here in Santa Ana. On behave of west management i like to say for the last 11 years that they have supported us and this community with jobs for young and old. Will this new company give job back to santa ana's and support this community better then what we have now? It may be better to just let things stay like it is.

Sincerely,

James S. Stapleton

**Subject:** Our driver is the best

Our driver, Gabriel has been very helpful and pleasant to work with.  
He always exchange greetings with nice smile.

He moves the trash can back and sometimes wait for me when I was late trying to pulling the trash can out. I hope he is well recognized at work place too.

Sincerely

Mika Ikeda

**Subject:** Waste Management item 43 8/17

Dear Mayor and City Council,

I am writing in opposition to the recommendation for Athens (based in LA) for the Santa Ana waste management contract. This bid does not make sense at a time California cities are trying to reduce their carbon footprint and make decisions that are both sustainable and equitable. Athens will increase the landfill and create more pollution. Located in City of Industry over 30 miles from Santa Ana, Athens would increase vehicle traffic significantly over CR&R (a local Santa Ana company) which will lead to both higher emissions and more air pollution. The Athens bid would also contribute to higher landfill disposal (20,000 tons per year higher).

The Athens bid would also increase rates for residents of Santa Ana's multi-unit housing communities - as much as 1/3rd higher.

Please reconsider this matter. CR&R team offers the best service for the price and also resides in Santa Ana. We do not support the recommendation for Athens based in LA. Athens will increase the landfill and create more pollution.

Thank you for your consideration.

Sincerely,

Margo Allen Finlayson, MBA  
member: Climate Reality OC, Sierra Club Angeles Chapter OC Group, OC for Climate Action, OC Clean Power, OC Interfaith Coalition for the Environment

**Subject:** Zero Waste - Santa Ana Waste Management Contract?

City of Santa Ana Council Members & City Staff:

I attended the Floral Park Board meeting on Tuesday August 10, 2021 where Christy Kindig did an overview of the City of Santa Ana solid waste management procurement process findings. Christy did a nice job presenting what she had, but it appeared to me the findings left out some key points.

The review to me, diluted / hid the KEY differentiators of the Vendors, by just showing as compliant / checked the box. The most critical differentiator to me is the Zero Waste capability that CC&R can provide short and long term. With the focus on Global Warming and Green Energy, I believe the CC&R response is superior and was not given proper credit / weighting.

Before the City of Santa Ana recommends or approves a Vendor for this Contract, I believe the City should review this Critical portion of the responses more thoroughly.

Respectfully,  
George Will

**Subject:** Re: Public Comment for Agenda #43 Adopt a Resolution to Approve an Exclusive Agreement to Athens Services for the Collection and Handling of Solid Waste

To our City Council,

My name is Cecilia Valenzuela and I have lived on 318 W. Saint Gertrude Pl in the City of Santa Ana for many years. I am glad that you are considering another trash company for our City. Athens is the trash company that I think would be best in our City. They have lower rates and they seem like the best fit for our City. They also offer better service and more for our money. I ask that you choose Athens Services as our new trash company.

Thank you,

Cecilia V.

**Subject:** Item #43: Public Comment for Waste Management

To Whom It May Concern,

For the past three years I have lived in my neighborhood in Santa Ana, Waste Management has been our trash service provider. Every Friday is a fun event with my son as he hears the trash truck and runs outside to see him. Our driver, Gabriel, always waves to my son when he sees him. Another child in our neighborhood follows the truck around our complex because he is so excited to see him.

After he picks up the trash cans, Gabriel will typically get out of the truck and move the cans around so they are orderly and not in the way of traffic. If there is trash that has fallen out of the pails, he will also pick up the trash and put it back into the can.

I have lived in communities with other trash service providers (such as CR&R). Waste Management is the first company I have seen where I feel they care about keeping our community clean. We are greatly appreciative of the service and drivers from Waste Management and hope they will continue to service our community.

Thank you,

Dana Taylor

**Subject:** Public Comment for agenda #43 Adopt a Resolution to Approve an Exclusive Agreement to Athens Services for the Collection and Handling of Solid Waste

Good afternoon Mayor Sarmiento and Councilmembers,

My name is Michael Varciag, I'm a resident in Santa Ana at 2387 N. Flower St. and would like to recommend Athens Services as the city trash hauler. As a construction contractor I have had the pleasure to work with Athens in several cities with excellent service and very responsive. Cesar Ortiz has been a big key in the Santa Ana street sweeping operation for the past 10 years and I know the same dedication will go for trash services.

Thank you for the opportunity for public comment ,

Respectfully ,

Michael Varciag

Honorable Mayor Vicente Sarmiento & City Council  
City of Santa Ana  
20 Civic Center Plaza,  
Santa Ana, CA 92701

Subject: Selection of a Franchise Waste Hauler for Residential and Commercial Solid Waste Management Services

Dear Mayor Sarmiento,

On behalf of Café Cultura, it is my pleasure to submit a letter of recommendation on behalf of Athens Services. We created Café Cultura to commemorate our Latino roots and give it a modern twist without losing where we came from. We wanted to provide our tradition breakfast plates that we remember eating as little kids in our grandma's house back in Mexico or drinking that amazing café de olla that our grandparents would proudly make. We wanted to evolve with the times and bring to DTSA a restaurant/café that would make all the locals feel at home and drive in the new business to experience what our traditions have to offer.

As a business owner in the City of Santa Ana, I urge the City Council to select a waste management service provider that is committed to providing consistent, personalized and quality service at a fair and affordable cost to the residents and local businesses of the city of Santa Ana. Your selection will have a long-lasting effect on our community and will directly affect every single one of your constituents, including local businesses and their employees, many who are also residents of Santa Ana.

We have witnessed firsthand Athens' exceptional service as their direct customer in the City of Azusa, where our second location is located. Athens does not hesitate to go the extra mile. In fact, at a time when we were having challenges finding a contractor to provide power washing services in our outdoor dining area, Athens was quick to respond and to get our area clean. Their team is very easy to work with, and very quick to respond to our needs. This is something I urge the council to consider as you make your decision.

As a family-owned business, Athens has the ability to adapt and respond quickly even when faced with unexpected challenges. This was evident during the pandemic, Athens did not cut any of their collection services, showed extreme flexibility, and worked to provide creative and effective solutions to all their customers, which was critical for our business. As a result of our long-standing partnership, we have forged a strong relationship with the Athens' management team and they have continuously shown their commitment to our organization.

Given Athens' exemplary reputation and continuing commitment to serve the needs of large and small businesses, we are confident that Athens will be the ideal choice as the city's waste hauler.

Sincerely,

Luis Anaya  
CFO/VP of operations  
Cafe Cultura

**Subject:** Solid Waste Contract

Dear Maror and City Council,

As a resident of Santa Ana for 47 years and a business owner, I believe it's time for a change in our solid waste contract. I believe that Waste Management has for a long time become too complacent and the fees are too high, and they are missing the boat on some neighborhood and city commitments.

After watching several City Council meeting and personally met with Republic Services, I believe they are responsible to be Santa Ana's new solid waste hauler. They have promised to use all electric power trucks in the future and the first in California, lower all residential and commercial rates and be more involved with city events and the Arts.

As a retired union member I asked the Republic Services if they would laterally transfer all Santa Ana Waste Management employees over to Republic services and secure all benefits and seniority, in which they said they would since they are all teamsters in the same union.

I believe Public Works has recommended Athens for this contract but I was not impressed just because they had the lowest bid and would have to haul it further away and cause more pollution, I don't believe they can fulfill the contract and in order to do that, they would be increasing their fees.

In closing I highly suggest that the Mayor and Council choose Republic Services as our next solid waste hauler.

Sincerely,  
James Kendrick  
Mike Rogers  
1115 Freemans Street  
Santa Ana CA 92703

Subject: Athens Services

Mrs Lopez,

My name is George Ramos and have been a resident of the City of Santa Ana for 41 yrs. I know our Waste Disposal service is up for either new contract or a new company servicing our city. I would like for you and all of our cities representatives to make the right decision for all of our residents regarding a service that is being provided. As you know we are all struggling in one way or another with their pandemic and saving even a few dollars here and there is greatly appreciated. I have had two experiences with Athens that really made our neighborhood people happy and surprised with the way they handled our concerns. I called customer services and they took my information and had the route supervisor call me ASAP. Ceaser the route supervisor listened to my concerns and handled the situation in a very professional and rapid manner. Our street wasn't swept too good and he explained he the situation and took care of our street to make it look perfect without even hesitating. He sent out 3 trucks and the end of their run to satisfy our neighborhood even though our street was a total mess with the jacaranda trees being in full bloom and well you know the mess they make. I then got a call from Mr Niklas which is Ceasers supervisor and gave me his personal number in case I ever had another problem to call him directly. Being a resident my whole life I can appreciate good service and even better direct communication with our outsourced services. If those two gentlemen went above and beyond to make us happy I sure hope they get an opportunity service our waste disposal. Sometimes change is good, waste management company has gotten too comfortable and notice deteriorating service to your city people. Athens has the best services rating from all the bidders and best price so please do what's right for our Great City Of Santa Ana. Thank you George Ramos.

Honorables Alcalde y Concejales  
Ciudad de Santa Ana  
20 Civic Center Plaza  
Santa Ana, CA 92701

Estimados honorables Alcalde y Concejales de la Ciudad de Santa Ana,

Agradezco todo el apoyo brindado a mi comunidad de origen a través de la company de Anaheim Republic Services.

Con la adquisición del vehículo de limpia proveniente de la ciudad de Anaheim, California, el municipio de Pénjamo, Guanajuato, México; ha logrado dar cobertura en el servicio de limpia en las siguientes comunidades: Santa Ana Pacueco, 4 Milpas, Río Grande, otorgando un servicio a 18,000 habitantes del Municipio, ya que se logra recolectar 720 toneladas aproximadamente por mes.

Dichas acciones se realizan de manera diaria y continua como parte de la operatividad de la Coordinación de Limpia de la Dirección de Servicios Básicos Municipales.

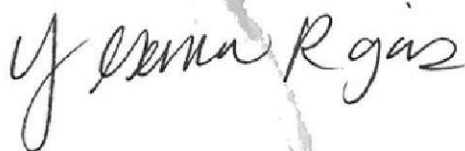

La llegada de este vehículo ha generado un impacto benéfico ya que se ha logrado ampliar la cobertura de recolección, ahorro de recursos por bajo consumo de combustible, la mejora del medio ambiente y con ello la salud del ciudadano.

Dicha mejora se ve reflejada en los indicadores de calidad en el servicio, disminución de quejas, servicio oportuno y satisfacción del ciudadano.

El Municipio de Pénjamo, reconoce la ardua labor de gestión de todas las personas que directa o indirectamente hacen posible la donación de estos vehículos provenientes de la ciudad de Anaheim.

Es importante y necesario que este tipo de acciones de donación continúen en lo sucesivo para el continuo progreso de Pénjamo, Guanajuato. Y más familias agradezco de todo corazón su bendición a nuestra comunidad de origen.

Atentamente,

Yesenia Rojas

To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Republic Services along with its management team and personnel affiliates to the contractual agreement with the city.

For over ten years now, our companies have established both a personal, and a business relationship with each other. My restaurant has provided catering services to Republic Services for their holiday and employee appreciation events. At every meeting, Republic Services representatives are courteous, exude respect and professionalism toward our employees, and the services being rendered.

Additionally, Republic Services . is efficient and dependable, oftentimes being observed by employees as they help the elderly with their big orders to their cars, attesting to their character by showing that they care for the members in the community that are most in need, and by establishing themselves as community leaders. Republic Services would be an asset to any organization and city partner.

Sincerely,

A handwritten signature in black ink, appearing to be 'R. Nuno', written over a horizontal line.

Raul Nuno Jr.  
Business Owner

# Abound Food Care

For People and Planet

Republic Services

1131 N Blue Gum St, Anaheim CA 92806

**RE: Abound Food Care Letter of Support - Republic Services**

To the Honorable Mayor and City Council,

Republic Services was the first contract waste hauling partner to include the Abound Food Care Model (formerly Waste Not OC) in a municipal contract. This level of support has not only proven to be a benefit to their contract cities but helped propel the Abound Food Care program into a nationally recognized food recovery model. Over the past several years, Republic Services both in Anaheim and Huntington Beach have been valued supporters and partners of Abound Food Care.

We appreciate their effort to incorporate the Abound Food Care Model in all their service areas. We look forward to working together to provide a cost effective and efficient food recovery program on behalf of the City of Santa Ana.

Sincerely,

Mike Learakos

Executive Director

**Joint Letter of Support for Republic Services  
Best Partner to Improve Resident's Quality of Life and Best Employer for Residents**

August 17, 2021

To: City of Santa Ana Mayor and Councilmembers

Re: Community Support for Solid Waste Services Provider Republic Services

Dear Santa Ana Mayor and Council,

As a Santa Ana resident and Republic Services employee, thank you for your hard work to improve our quality of life, keep our community clean, and maintain a good partnership with labor.

At Republic, we are a committed group of employees that will service Santa Ana residents with respect, reliable customer service, and with the best safety track record of all the proposers.

An award to Republic will expand good paying jobs to additional Santa Ana residents, with great pay and benefits, pensions, and the joy of serving our very own community.

**Republic is the best solid waste partner to improve the quality of life for Santa Ana residents, while being a great employer for the community.**

Best Value:

1. Lowest rates for multi-family dwellings (3+ units)
2. Lowest rates for commercial bin service
3. Second lowest residential rate

Best Community Benefits

4. A free multi-family dwelling bulk item pickup program of 10 items per unit per quarter (Up to 40 items per year)
5. A free single-family dwelling bulk item program of 4 items 4 pickups per year (Up to 16 items per year)
6. MySantaAna App Integration
7. \$200,000 charitable community giving funds annually
8. A Santa Ana customer service office
9. 300 roll off boxes a year for neighborhood clean ups
10. \$7,000 in student scholarships
11. 6-day per week cleaning of all illegally dumped items
12. A local hire initiative to hire Santa Ana residents

Best on Environment:

13. Lowest vehicle miles traveled – reducing air pollution and street damage
14. Only proposer to offer an Electric Trash vehicle
15. 100% zero-carbon RNG fleet
16. No new disposal facilities required in the City

There is no better company to take care of Santa Ana, my hometown, than the people of Republic. I ask that you help support me, and my family, and this great City, by selecting Republic as your partner.

Sincerely,

Republic Services Employees and the City of Santa Ana Residents

**Joint Letter of Support for Republic Services  
Best Partner to Improve Resident's Quality of Life and Best Employer for Residents**

17 de agosto de 2021

Para: Alcalde y Concejales de la Ciudad de Santa Ana

Re: Apoyo comunitario para el proveedor de servicios de residuos sólidos Republic Services

Estimado Alcalde y Concejo de Santa Ana,

Como residente de Santa Ana y empleado de Republic Services, gracias por su arduo trabajo para mejorar nuestra calidad de vida, mantener limpia nuestra comunidad y mantener una buena asociación con la mano de obra.

En Republic, somos un grupo comprometido de empleados que brindará servicios a los residentes de Santa Ana con respeto, un servicio al cliente confiable y con el mejor historial de seguridad de todos los proponentes.

Un premio a Republic ampliará los empleos bien pagados a más residentes de Santa Ana, con excelentes salarios y beneficios, pensiones y la alegría de servir a nuestra propia comunidad.

**Republic es el mejor socio de desechos sólidos para mejorar la calidad de vida de los residentes de Santa Ana, al mismo tiempo que es un gran empleador para la comunidad.**

Mejor valor:

1. Tarifas más bajas para viviendas multifamiliares (más de 3 unidades)
2. Tarifas más bajas para el servicio de contenedores comerciales
3. Segunda tarifa residencial más baja

Mejores beneficios para la comunidad

4. Un programa gratuito de recolección de artículos a granel para viviendas multifamiliares de 10 artículos por unidad por trimestre (hasta 40 artículos por año)
5. Un programa gratuito de artículos a granel para viviendas unifamiliares de 4 artículos 4 recolecciones por año (hasta 16 artículos por año)
6. Integración de la aplicación MySantaAna
7. \$ 200,000 fondos de donaciones de la comunidad caritativa anualmente
8. Una oficina de atención al cliente con sede en Santa Ana
9. 300 cajas rodantes al año para la limpieza del vecindario
10. \$ 7,000 en becas para estudiantes
11. Limpieza de 6 días a la semana de todos los artículos vertidos ilegalmente
12. Una iniciativa de contratación local para contratar a más de 100 residentes de Santa Ana

Mejor en el medio ambiente:

13. Las millas recorridas por vehículos más bajas: reduciendo la contaminación del aire y los daños en las calles
14. Único proponente para ofrecer un vehículo de basura eléctrico
15. Flota de GNL 100% sin carga de vehículos
16. No se requieren nuevas instalaciones de eliminación en la ciudad.

No hay mejor compañía para cuidar de Santa Ana, mi ciudad natal, que la gente de Republic. Les pido que me ayuden a apoyarme a mí, a mi familia y a esta gran ciudad, al seleccionar a Republic como su socio.

Atentamente,

Empleados de Republic Services y residentes de la ciudad de Santa Ana

**Subject:** Public Comment for agenda #43 Adopt a Resolution to Approve an Exclusive Agreement to Athens Services for the Collection and Handling of Solid Waste

Good afternoon Mayor Sarmiento and Councilmembers

Hi my name is Pablo Jimenez and I live at 2136 S. Ross St Santa Ana, CA. 92707, I want to recommend Athens Services as the next trash vendor. I have experienced great customer services and response time from them. Their manager Cesar is very hands on and does person customer service for our city . Since they are the lowest bidder I would like for you to award Athens .

Thank you ,

**TABER**

be awesome

Republic Services  
18500 North Allied Way  
Phoenix, AZ 85054

LLG Reference: 2.21.4444.1

Subject: **Santa Ana Waste Management VMT Assessment for  
Republic Services  
Santa Ana, California**

Dear Mr. Coupland:

## INTRODUCTION

Per your request, Linscott, Law & Greenspan, Engineers (LLG) has prepared this Transportation assessment to compare the Vehicle Miles Travelled (VMT) that will result between the Republic, Athens, CR&R and Waste Management Sanitation Haul Plans. Included in this letter are the following.

- VMT Background
- Republic, Athens, CR&R and Waste Management Routes
- VMT Calculations
- Conclusions

LLG is a local Orange County transportation engineering firm that has conducted numerous VMT Analyses in the Orange County area and has been in operation for over 50 years.

## VEHICLE MILES TRAVELED (VMT) BACKGROUND

The State of California Office of Planning and Research (OPR) published its latest Technical Advisory on Evaluating Transportation Impacts in CEQA to the California Natural Resources Agency in December 2018. This Technical Advisory provides recommendations on how to evaluate transportation impacts. These changes include elimination of auto delay, level of service (LOS), and other similar measures of vehicular capacity or traffic congestion as a basis for determining significant CEQA transportation impacts. The OPR guidance covers specific changes to the CEQA Guidelines and recommends elimination of auto delay for CEQA purposes and the use of Vehicle Miles Travelled, or VMT, as the

Keil D. Maberry, PE

preferred CEQA transportation metric. All jurisdictions in California now must use VMT to analyze transportation impacts.

## TRUCK ROUTES

### Republic

Republic proposes to park their trucks at the hauling yard/transfer location, located at 1131 Blue Gum Street in the City of Anaheim. The Anaheim facility is where recycled materials also get processed. Mixed green and food waste from residential uses are processed at 8100 Chino-Corona Rd in the City of Corona. Food waste from commercial uses are processed at Anaergia located at 503 E. Santa Ana Avenue in the City of Bloomington. Disposal occurs at the Bowerman Landfill in the City of Irvine or Moreno Valley land application. **Figure 1** presents the hauling routes along with the required travel distance for Municipal Solid Waste (MSW) shown in red, Recycling shown in green, Green/Food Waste Residential shown in blue and Food Waste Commercial shown in orange.

### Athens

Athens proposes to park their trucks at the hauling yard/transfer location, located at 14048 E Valley Boulevard in the City of Industry. The City of Industry facility is where recycled materials also get processed. Mixed green and food waste from residential and commercial uses are processed at 20055 Shay Road in the City of Victorville. Disposals occur at the Bowerman Landfill in the City of Irvine. **Figure 2** presents the hauling routes along with the required travel distance for Municipal Solid Waste (MSW) shown in red, Recycling shown in green, Green/Food Waste Residential shown in blue and Food Waste Commercial shown in orange.

### CR&R

CR&R proposes to park their trucks at the hauling yard/transfer location, located at 11292 Western Avenue in the City of Stanton. The City of Stanton facility is where recycled materials also get processed. Mixed green and food waste from residential and commercial uses are processed at 1706 Goetz in the City of Perris. Disposals occur at the Bowerman Landfill in the City of Irvine or Moreno Valley for land application. **Figure 3** presents the hauling routes along with the required travel distance for Municipal Solid Waste (MSW) shown in red, Recycling shown in green, Green/Food Waste Residential shown in blue and Food Waste Commercial shown in orange.

### WM

WM proposes to park their trucks at the hauling yard, located at 1800 South Grand Avenue in the City of Santa Ana. The transfer station is located at 16122 Construction Circle West in the City of Irvine. Recycled materials are processed at 2050 Glassell Street in the City of Orange. Mixed green and food waste from

residential uses are processed at 2653 Santiago Road in the City of Taft. Food waste from commercial uses are processed at 2050 Glassell Street in the City of Orange. Disposals occur at the Bowerman Landfill in the City of Irvine and Moreno Valley for land application. **Figure 4** presents the hauling routes along with the required travel distance for Municipal Solid Waste (MSW) shown in red, Recycling shown in green, Green/Food Waste Residential shown in blue and Food Waste Commercial shown in orange.

## VMT CALCULATIONS

To calculate the VMT for all four potential waste management companies the assumptions used in this letter were the same for each user. As such, it has been assumed that 59 trucks would be needed resulting in 36.5 trucks required for MSW routes, 13.5 trucks required for recycling, 4.5 trucks required for green/food waste for residential uses and 4.5 trucks required for food waste for commercial uses. Google maps was used to measure the most direct route from the haul yard, transfer station, recycle facility, green/food waste facilities, and disposal facilities. Below highlights key information used to develop VMT for each potential waste management company.

### Republic

#### A. Municipal Solid Waste (MSW) Route

- Start at Anaheim haul yard and travel to Santa Ana<sup>1</sup> for collections (8.4 miles one-way trip)
- Midday load goes from Santa Ana to Irvine Bowerman Landfill (24 miles round trip)
- End of day load goes from Santa Ana to Anaheim transfer station (8.4 miles one-way trip)
- Transfer station to Irvine Bowerman Landfill (44.2 miles round trip) assuming 2.5 trash truck loads fit in 1 transfer load truck
- **Collections 40.8 miles x 36.5 trucks per day = 1,489 VMT**  
**Post Collections 44.2 miles x 14.6 loads per day = 645 VMT**  
**Total Daily VMT = 2,134 VMT**
- *Figure 1* present the Republic MSW Route highlighted in red along with the midday route in dashed red.

#### B. Recycling Route

- Start at Anaheim haul yard and travel to Santa Ana<sup>1</sup> for collections (8.4 miles one-way trip)
- Midday load goes from Santa Ana to Anaheim transfer station (16.8 miles round trip)

---

<sup>1</sup> It has been assumed that the trash collections starts from the City center.

- End of day load goes from Santa Ana to Anaheim transfer station (8.4 miles one-way trip)
- **Collections 33.6 miles x 13.5 trucks per day = 454 VMT**
- *Figure 1* present the Republic Recycling Route highlighted in green.

#### C. Green/Food Waste Residential Route

- Start at Anaheim haul yard and travel to Santa Ana<sup>1</sup> for collections (8.4 miles one-way trip)
- Midday load goes from Santa Ana to Anaheim transfer station (16.8 miles round trip)
- End of day load goes from Santa Ana to Anaheim transfer station (8.4 miles one-way trip)
- Transfer station to Corona organic facility (45.8 miles round trip) assuming each trash truck makes 2 loads to transfer station and 3 trash truck loads fit in 1 transfer load truck
- **Collections 33.6 miles x 4.5 trucks per day = 151 VMT**  
**Post Collections 45.8 miles x 3 loads per day = 137 VMT**  
**Total Daily VMT = 288 VMT**
- *Figure 1* present the Republic Green/Food Waste Residential Route highlighted in blue.

#### D. Food Waste Commercial Route

- Start at Anaheim haul yard and travel to Santa Ana<sup>1</sup> for collections (8.4 miles one-way trip)
- Midday load goes from Santa Ana to Anaheim transfer station (16.8 miles round trip)
- End of day load goes from Santa Ana to Anaheim transfer station (8.4 miles one-way trip)
- Transfer station to Bloomington facility (80 miles round trip) assuming each trash truck makes 2 loads to transfer station and 3 trash truck loads fit in 1 transfer load truck
- End product which is typically 20% or two trucks is transferred to Moreno Valley for land application (14.4 miles round trip)
- **Collections 33.6 miles x 4.5 trucks per day = 151 VMT**  
**Post Collections 80 miles x 3 loads per day + 28.8 miles x 2.4 loads per day = 309 VMT**  
**Total Daily VMT = 460 VMT**
- *Figure 1* present the Republic Food Waste Commercial Route highlighted in orange.

#### E. Total VMT for Republic

- **A + B + C + D**
- **2,134 VMT + 454 VMT + 288 VMT + 460 VMT = 3,336 VMT**

## Athens

### **A. Municipal Solid Waste Route**

- Start at City of Industry haul yard and travel to Santa Ana<sup>2</sup> for collections (29.9 miles one-way trip)
- Midday load goes from Santa Ana to Irvine Bowerman Landfill (24 miles round trip)
- End of day load goes from Santa Ana to City of Industry transfer station (29.9 miles one-way trip)
- Transfer station to Irvine Bowerman Landfill (90.2 miles route trip) assuming 2.5 trash truck loads fit in 1 transfer load truck
- **Collections 83.8 miles x 36.5 trucks per day = 3,059 VMT**  
**Post Collections 90.2 miles x 14.6 loads per day = 1,317 VMT**  
**Total Daily VMT = 4,376 VMT**
- *Figure 2* present the Athens MSW Route highlighted in red along with the midday route in dashed red.

### **B. Recycling Route**

- Start at City of Industry haul yard and travel to Santa Ana<sup>2</sup> for collections (29.9 miles one-way trip)
- Midday load goes from Santa Ana to City of Industry transfer station (59.8 miles round trip)
- End of day load goes from Santa Ana to City of Industry transfer station (29.9 miles one-way trip)
- **Collections 119.6 miles x 13.5 trucks per day = 1,615 VMT**
- *Figure 2* present the Athens Recycling Route highlighted in green.

### **C. Green/Food Waste Residential Route**

- Start at City of Industry haul yard and travel to Santa Ana<sup>2</sup> for collections (29.9 miles one-way trip)
- Midday load goes from Santa Ana to City of Industry transfer station (59.8 miles round trip)
- End of day load goes from Santa Ana to City of Industry transfer station (29.9 miles one-way trip)
- Transfer station to Victorville organic facility (151.2 miles round trip) assuming each trash truck makes 2 loads to transfer station and 3 trash truck loads fit in 1 transfer load truck
- **Collections 119.6 miles x 4.5 trucks per day = 538 VMT**  
**Post Collections 151.2 miles x 3 trucks per day = 454 VMT**  
**Daily Total VMT = 992 VMT**
- *Figure 2* present the Athens Green/Food Waste Residential Route highlighted in blue.

---

<sup>2</sup> It has been assumed that the trash collections starts from the City center.

#### **D. Food Waste Commercial Route**

- Start at City of Industry haul yard and travel to Santa Ana<sup>2</sup> for collections (29.9 miles one-way trip)
- Midday load goes from Santa Ana to City of Industry transfer station (59.8 miles round trip)
- End of day load goes from Santa Ana to City of Industry transfer station (29.9 miles one-way trip)
- Transfer station to Victorville organic facility (151.2 miles round trip) assuming each trash truck makes 2 loads to transfer station and 3 trash truck loads fit in 1 transfer load truck
- **Collections 119.6 miles x 4.5 trucks per day = 538 VMT**  
**Post Collections 151.2 miles x 3 trucks per day = 454 VMT**  
**Daily Total VMT = 992 VMT**
- *Figure 2* present the Athens Food Waste Commercial Route highlighted in orange.

#### **E. Total VMT for Athens**

- **A + B + C + D**
- **4,376 VMT + 1,615 VMT + 992 VMT + 992 VMT = 7,975 VMT**

### **CR&R**

#### **A. Municipal Solid Waste Route**

- Start at Stanton haul yard and travel to Santa Ana<sup>3</sup> for collections (12 miles one-way trip)
- Midday load goes from Santa Ana to Irvine Bowerman Landfill (24 miles round trip)
- End of day load goes from Santa Ana to Stanton transfer station (12 miles one-way trip)
- Transfer station to Irvine Bowerman Landfill (50.2 miles round trip) assuming 2.5 trash truck loads fit in 1 transfer load truck
- **Collections 48 miles x 36.5 trucks per day = 1,752 VMT**  
**Post Collections 50.2 miles x 14.6 loads per day = 733 VMT**  
**Total Daily VMT = 2,485 VMT**
- *Figure 3* present the CR&R MSW Route highlighted in red along with the midday route in dashed red.

#### **B. Recycling Route**

- Start at Stanton haul yard and travel to Santa Ana<sup>3</sup> for collections (12 miles one-way trip)
- Midday load goes from Santa Ana to Anaheim transfer station (24 miles round trip)

<sup>3</sup> It has been assumed that the trash collections starts from the City center.

- End of day load goes from Santa Ana to Anaheim transfer station (12 miles one-way trip)
- **Collections 48 miles x 13.5 trucks per day = 648 VMT**
- *Figure 3* present the CR&R Recycling Route highlighted in green.

#### C. Green/Food Waste Residential Route

- Start at Stanton haul yard and travel to Santa Ana<sup>3</sup> for collections (12 miles one-way trip)
- Midday load goes from Santa Ana to Anaheim transfer station (24 miles round trip)
- End of day load goes from Santa Ana to Stanton transfer station (12 miles one-way trip)
- Transfer station to Perris organic facility (129.2 miles round trip) assuming each trash truck makes 2 loads to transfer station and 3 trash truck loads fit in 1 transfer load truck
- Digestate which is typically 20% or two trucks is transferred to Moreno Valley from Perris for land application (36 miles round trip)
- **Collections 48 miles x 4.5 trucks per day = 216 VMT**  
**Post Collections 129.2 miles x 3 loads per day + 36 miles x 2.4 loads per day = 474 VMT**  
**Total Daily VMT = 690 VMT**
- *Figure 3* present the CR&R Green/Food Waste Residential Route highlighted in blue.

#### D. Food Waste Commercial Route

- Start at Stanton haul yard and travel to Santa Ana<sup>3</sup> for collections (12 miles one-way trip)
- Midday load goes from Santa Ana to Anaheim transfer station (24 miles round trip)
- End of day load goes from Santa Ana to Stanton transfer station (12 miles one-way trip)
- Transfer station to Perris organic facility (129.2 miles round trip) assuming each trash truck makes 2 loads to transfer station and 3 trash truck loads fit in 1 transfer load truck
- End product which is typically 20% or two trucks is transferred to Moreno Valley from Perris for land application (36 miles round trip)
- **Collections 48 miles x 4.5 trucks per day = 216 VMT**  
**Post Collections 129.2 miles x 3 loads per day + 36 miles x 2.4 loads per day = 474 VMT**  
**Total Daily VMT = 690 VMT**
- *Figure 3* present the CR&R Food Waste Commercial Route highlighted in orange.

#### **E. Total VMT for CR&R**

- **A + B + C + D**
- **2,485 VMT + 648 VMT + 690 VMT + 690 VMT = 4,513 VMT**

#### **Waste Management Daily VMT 3,885**

##### **A. Municipal Solid Waste Route**

- Start at Santa Ana haul yard and travel to Santa Ana<sup>4</sup> for collections (2.5 miles one-way trip)
- Midday load goes from Santa Ana to Irvine Bowerman Landfill (24 miles round trip)
- End of day load goes from Santa Ana to Irvine transfer station (5.6 miles one-way trip)
- Transfer station to Irvine Bowerman Landfill (22.8 miles round trip) assuming 2.5 trash truck loads fit in 1 transfer load truck
- Trash truck from Irvine transfer yard to Santa Ana haul yard (one way 3.2 miles one-way trip)
- **Collections 35.3 miles x 36.5 trucks per day = 1,288 VMT**  
**Post Collections 22.8 miles x 14.6 loads per day = 333 VMT**  
**Total Daily VMT = 1,621 VMT**
- *Figure 4* present the WM MSW Route highlighted in red along with midday route in dashed red.

##### **B. Recycling Route**

- Start at Santa Ana haul yard and travel to Santa Ana<sup>4</sup> for collections (2.5 miles one-way trip)
- Midday load goes from Santa Ana to Irvine transfer station (11.2 miles round trip)
- End of day load goes from Santa Ana to Irvine transfer station (5.6 miles one-way trip)
- Trucks return to Santa Ana Haul yard from Irvine transfer station (3.2 miles one-way trip)
- Material from Irvine transfer station to MRF in Orange (24.4 miles round trip)
- **Collections 22.5 miles x 13.5 trucks per day = 304 VMT**  
**Post Collection 24.4 miles x 10.8 loads per day = 264 VMT**  
**Total Daily VMT = 568 VMT**
- *Figure 4* present the WM Recycling Route highlighted in green.

##### **C. Green/Food Waste Residential Route**

- Start at Santa Ana haul yard and travel to Santa Ana<sup>4</sup> for collections (2.5 miles one-way trip)

---

<sup>4</sup> It has been assumed that the trash collections starts from the City center.

- Midday load goes from Santa Ana to Irvine transfer station (11.2 miles round trip)
- End of day load goes from Santa Ana to Irvine transfer station (5.6 miles one-way trip)
- Trucks return to Santa Ana Haul yard from Irvine transfer station (3.2 miles one-way trip)
- Material from Irvine transfer station to Synagro in Taft (298 miles round trip) assuming each trash truck makes 2 loads to transfer station and 3 trash truck loads fit in 1 transfer load truck
- **Collections 22.5 miles x 4.5 trucks per day = 101 VMT**  
**Post Collections 298 miles x 3 loads per day = 894 VMT**  
**Total Daily VMT = 995 VMT**
- *Figure 4* present the WM Green/Food Waste Residential Route highlighted in blue.

#### D. Food Waste Commercial Route

- Start at Santa Ana haul yard and travel to Santa Ana<sup>4</sup> for collections (2.5 miles one-way trip)
- Midday load goes from Santa Ana to CORE in Orange (12.2 miles round trip)
- End of day load goes from Santa Ana to CORE in Orange (6.1 miles)
- Trash truck from CORE in Orange to Santa Ana haul yard (one-way 5.2 miles)
- Digestate from CORE in Orange to Anaergia in Bloomington (81.2 miles round trip) assuming each truck makes 2 loads to CORE
- **Collections 29.9 miles x 4.5 trucks per day = 135 VMT**  
**Post Collections 81.2miles x 7 loads per day = 585 VMT**  
**Total Daily VMT = 720 VMT**
- *Figure 4* present the WM Food Waste Commercial Route highlighted in orange.

#### E. Total VMT for WM

- **A + B + C + D**
- **1,621 VMT + 568 VMT + 995 VMT + 720 VMT = 3,904 VMT**

The table below summarizes the daily VMT data from above and further calculates the annual VMT assuming a 270 weekday work schedule.

Provider	VMT per Day	VMT per Year	% Change Compared to Republic
Republic	3,336	900,720	--
Athens	7,975	2,153,250	139% higher
CR&R	4,513	1,218,510	35% higher
Waste Management (WM)	3,904	1,054,080	17% higher

## CONCLUSIONS

Based on the information above it can be concluded that the VMT for the proposed services provided by Republic are substantially lower than the three other potential waste management companies. As such, the Republic Sanitation Haul Plan will save a significant amount of VMT as compared to the Athens, CR&R and WM.

Santa Ana, CA 92701

Dear Mayor and Members of the Council,

United Across Borders is a non-profit dedicated to providing communities with grocery assistance, diapers, medical supplies/equipment and other support with the hope that no one ends their day hungry or in need.

On August 17<sup>th</sup>, 2021 you will be tasked with selecting a solid waste provider for the City of Santa Ana through a long-term solid waste franchise agreement.

We wanted to take the opportunity to advocate for a great community partner of ours in Santa Ana and the County as a whole. Republic Services has proven time after time that they have a heart for the community and the underrepresented people that we serve. When we were short on food, Republic Services provided introductions to regional food providers. When we asked for assistance in any number of areas, Republic Services stepped up. Just last month, at the Delhi Community Center in Santa Ana, Republic Services assisted with eight pallets of food to distribute to Santa Ana families.

Long-term relationships with leading companies are crucial for the health of a community. Selecting Republic Services as your partner will ensure years of success and health in Santa Ana. We thank the company for their friendship to the families we serve and are looking forward to working with them for many years to come in both Santa Ana and beyond.

With Community Gratitude,

Erika Robles  
714.450.2831  
President | Founder

Mayor Sarmiento Members of the Council and City Manager Ridge

Sent from [Mail](#) for Windows 10

On behalf of the Santa Ana Chamber of Commerce I would like to support of our long standing chamber member WASTE Management for continued service to our City.

Since 1963 WM has been an outstanding contributing member to the Chamber and our community as a whole. In addition, the past 25 plus years as a member of our board of directors. Their local team of provides over 120 jobs to our local SA residents. I believe they have over the years continued to provide superior waste and recycling services.

WM has also played a role in continued economic development of our city being engaged in many programs and activities that support our overall community. WM is committed to a cleaner, greener and safer City.

A loyal company for many years to Santa Ana should be retained from our perspective. LOYALTY, SERVICE and COMMITMENT to our City is key.

Thank you

David L. Elliott  
President/CEO  
SACC

**Re: Santa Ana Solid Waste Collection Contract**

Dear Mayor Sarmiento and City Councilmembers,

The Apartment Association of Orange County (AAOC) appreciates the time and diligence with which city staff has evaluated the city's sanitation service needs and crafted a Request for Proposal for solid waste collection that reflects your commitment to serving the needs of your constituents.

We wish to urge you to carefully consider the cost impact that your selection of a solid waste collection provider will have on the large population of renters who call Santa Ana home, in addition to rental-housing providers who operate their businesses in the city. A solid waste collection contract with lower rates for multi-family properties and commercial bin service can help to contain a cost that can affect rental rates, housing affordability, and quality of life.

The proposal submitted by Republic Services is one that AAOC believes will serve the city well and not place an undue cost burden on Santa Ana's renters and their rental-housing providers. Republic Services would offer the lowest rates for multifamily dwellings, a reasonable number of free, bulky-item pickups for renters and landlords (a much-needed service for multi-family properties) throughout the year, and a level of accessibility between the customer and the service provider to allow for issues and needs in rental communities to be addressed quickly.

In reviewing the proposed solid waste collection costs and the services to be provided among the companies that submitted proposals, Republic Services seems very well suited to meet the city's needs, in addition to being particularly committed to offering the most affordable multi-family rates without sacrificing service.

**Rates**

- Lowest rates for multi-family dwellings (3+ units)
- Lowest rates for commercial bin service

**Apartment Association of Orange County  
Santa Ana Solid Waste Collection Contract Comment Letter  
August 16, 2021**

**Multi-family dwelling benefits**

- Multi-family dwellings will receive free, bulky-item pickups of up to 10 items per unit, per quarter (up to 40 items per year, per unit).
- MySantaAna App Integration
- Local Santa Ana customer service office to respond to customer needs
- 300 roll-off dumpsters a year for neighborhood clean ups
- 6-day per week cleaning of all illegally dumped items

**Service costs compared to the other proposers**

- 2.36 % lower than CR&R on multifamily service
- 6.21 % lower than Athens on multifamily service
- 12.61 % lower than WM on multifamily service
- 5.87 % lower than Athens on commercial bin rates
- 7.03 % lower than WM on commercial bin rates
- 8.25 % lower than CR&R on commercial bin rates

Example: Multi-Family Residential Service	
Proposer	Proposed Monthly Cost to Customer Effective July 1, 2022
Republic Services	\$562.31
CR&R	\$575.62
Athens Services	\$597.21
Waste Management	\$630.69
Data is ranked from low to high.	
Equivalent service rate for FY 21-22 is <b>\$448.64</b> .	
<small>Service Level</small> 3 yard refuse bin twice per week 3 yard recycling bin once per week 1 organics cart once per week	
	
CITY OF SANTA ANA, PUBLIC WORKS/AGENCY-33 CIVIC CENTER PLAZA, SANTA ANA, CA 92702	

Example: Commercial Bin Service	
Proposer	Commercial Bin Rate (per month) Effective July 1, 2022
Republic Services	\$424.92
Athens Services	\$449.88
Waste Management	\$454.79
CR&R	\$459.98
Data is ranked from low to high.	
Equivalent service rate for FY 21-22 is <b>\$388.19</b> .	
<small>Service Level</small> 3 yard refuse bin once per week 3 yard recycling bin once per week 2 yard organics bin once per week	
	
CITY OF SANTA ANA, PUBLIC WORKS/AGENCY-33 CIVIC CENTER PLAZA, SANTA ANA, CA 92702	

AAOC urges you to please consider the needs of your multi-family constituents and business owners, and particularly to consider the affordability and scope of services to be provided, when you award the new contract for solid waste collection service for Santa Ana.

Sincerely,

Bill Christiansen  
Vice President of Government Affairs

August 17, 2020

Re: Community Concerns on the City's Waste Hauling Contract

Dear Mayor and City Council,

We are writing to share our concerns about Santa Ana's proposal for the new waste and recycling contract.

Athens Services has a record of being a bad employer and they fall short on environmental issues as well. Athens has violated federal labor law for harassment and intimidation of workers, denying them high standards and dignity and respect in the workplace.

We cannot have a waste hauler that mistreats their workers, whose labor ensures that they are able to provide for their families. We believe that every person should be treated with dignity and respect. Every worker should have a voice on the job without fear of retaliation. The waste worker is a critical part of the Santa Ana community. Their work has dignity, and makes life better for all of society.

In addition, Athens relies on mixed waste processing which decreases recycling rates and contaminates more waste and recyclable materials. For decades, communities impacted by waste facilities have witnessed the environmental and human costs related to landfilling. This is not the kind of waste hauler we need in Santa Ana.

We urge you to reconsider and help move the waste industry into a high road industry that values environmental responsibility, and prioritizes economic justice for the very workers who make it all happen. As a city where a significant percentage of your constituents are working class immigrants of color, it is important to select a hauler that provides good jobs, respects your communities, and creates a bright future for its workers like you have now. The city of Santa Ana **MUST** do better!

Sincerely,

Roxana Tynan

**Subject:** Waste pickup contract

Hi,

Please ensure that Santa Ana contracts with the most environmentally sustainable company. I believe that is CR&R based on my research, but if there is additional information I strongly urge you to make that the most important factor in choosing a waste pick up company.

Sincerely,

Nathan Taft, Ward 3, 92705

**Subject:** Item #43 - Excellent Service from Waste Management

To Whom It May Concern,

When considering trash service, I personally believe it would be difficult to top Waste Management. Over the 43 years I have lived in my house I have experienced service of other companies. None comes close to Waste Management.

Their trucks are clean and the drivers are very courteous. Friday, our service day, is a big event at our complex. The little ones in the neighborhood gather just to watch the collection and say hello to the drivers. We also have some elderly who look forward to a wave & cheerly hello from Gabriel and other drivers.

Waste Management's service has been outstanding and the Shady Lane HOA looks forward to their continued service.

Thank you.

Karen Thomsen, *Treasurer*  
Shady Lane Homeowners Association

**Subject:** Trash Contract

I am unable to come to the Council Meeting tonight.

I want to express my opinion on the choice of companies to contract with for solid waste disposal.

I believe that staff is recommending we go with Athens.

I prefer we go with REPUBLIC because their prices are competitive over the long run and their employees are UNION WORKERS. That is important to me. They have also pledged support for neighborhood and community events.

Athens is the only bidder whose workers are non-union and do not enjoy the wages, benefits and protections that Union workers do. I think the City has historically supported companies with union employees. We want people who work in our City to earn a fair wage and have the protections of healthcare and job security that union membership supplies.

Please do not choose Athens for this long-term contract.

Thank you,

*bobi keenan*

City Council: RE SOLID WASTE AGREEMENT:

As a former SA Planning Commissioner (8yrs), and SA Environment Commissioner (4 yrs), and Park Santiago resident since 1986, I strongly support the selection of "Republic Waste Services" for Santa Ana's new Waste Agreement Contract.

I am reassured by Republic's professional interest and sensitive approach to resolutions that help advance land-use environmental sensitivity, large vehicle types of energy use considerations with policy priorities that include technological advancements beyond fossil fuel vehicles, for example, and high quality-of-service responsibility as community commitment with ongoing neighborhood engagement.

**Subject:** Trash Services for City Of Santa Ana

Good Morning my name is Cynthia Jamaica and I am a resident of the City of Santa Ana. I live at 221 W. Alton Ave. Apt B, Santa Ana 92707.

As a resident of this amazing city, I want to make sure that we continue to keep Santa Ana clean and we have a service provider who is committed to providing the best customer service. I want a trash company that is going to be responsive and act immediately, especially when it comes to resolving issues like trash on the street and billing questions. It is also important that we do not have to pay more to receive good service. I ask that you go with city staff recommendation, and vote for Athens. Thank you.

Best Regards,

Cynthia Jamaica

**Subject:** Item#43

Good Morning, My family are long time resident of Santa Ana and therefore long time customers of Waste Management. Their service has been uninterrupted. They communicate extremely well when there is an issue, change or important notification, When requesting extra service they come through without difficulty and their Reps are courteous and knowledgeable and the service is prompt. They are also cognizant of the environment and provide much needed recycling services. I understand from friends and relatives that they do not have recycling efforts in their cities. This is a vital and important service and issue for our city and the world. Please preserve the contract with Waste Management.

Respectfully,

Anna Maria Fiallo

**Subject:** Waste Management item 43 8/17

Dear Mayor and City Council,

Please consider CR&R for the waste management bid. CR&R team offers the best service for the price and also resides in Santa Ana. We do not support the recommendation for Athens based in LA. Athens will increase the landfill and create more pollution.

For many of the reasons outlined below - we support CR&R - including a lower carbon footprint, environmental superiority, great rates while Athens is non-union and not local.

### **Low rates are not created equal**

- 39% of Santa Ana housing units are apartments (multi-family)
- Apartments receive 33% increase in rates
- Businesses receive 16% increase in rates
- Single family residents receive 22% decrease in rates

### **Least environmentally intelligent solution – out of county**

- Higher carbon footprint
- City of Industry MRF over 30 miles away
- Increased vehicle travel equals more emissions, more traffic, and lower air quality
- 33% higher landfill disposal (20,000 tons per year more)
- Anaerobic digestion is 320% better for the environment than composting.
- EMSW is 84% cleaner than coal

### **Non-union workforce**

- No signed collective bargaining agreement anywhere!
- City's largest contract would be non-union
- Most city employees represented by union – CASA, SEIU, SAMA, SAPOA, SAPMA
- Lowest overall employee benefit package (Special meeting, staff presentation page 41)
- Lowest employee retention (Special meeting, staff presentation page 41)

Thank you!

Tristan Miller

**Subject:** Santa Ana City Council - New Waste Hauler Athens Services

Hello my name is Crystal Rodriguez and I currently live 729 S. Sycamore St. Santa Ana, Ca. 92701 I would like to express my thoughts regarding the upcoming selection of our trash services provider. I urge you to select the company that plans to lower my monthly bill. Just like me, many of my neighbors have gone through difficult times during this pandemic and a lower monthly trash service bill will help us and our families. I want a trash company that communicates with their residents and provides great services while keeping the prices low.

Paying more for trash services will place a financial burden on the residents of Santa Ana.

Therefore, I urge to select staff recommendation, and vote for Athens.

Thank you for your consideration in this matter.

**Subject:** Santa Ana Community Support letter

August 16, 2021

City Council Members

20 Civic Center Plaza M-30

Santa Ana, CA 92701

Mayor Vicente Sarmiento, City Council members, and City Staff,

My name, Jocelyn Andrews, reside in North Windsor village since 1984, I am writing in support of Waste Management's continued service in Santa Ana.

For over fifty years, Waste Management has served as both a service provider and active community partner to the residents, businesses and organizations in the City of Santa Ana. Their local team of drivers and support staff have a proven track record of delivering superior waste and recycling services at equitable rates, while maintaining a company-wide, best-in-the-industry safety record.

With Waste Management's support, the City of Santa Ana has received numerous recognitions for their environmental outreach and programs. These include recognizing recyclers in Santa Ana's neighborhoods, and being one of the first cities in the state to implement the three cart automated system.

Waste Management also plays a vital role in Santa Ana's vibrant and growing economy. They provide over 120 quality jobs to Santa Ana residents, purchase local goods and services and partner with other local businesses to help them achieve their sustainability goals.

Waste Management also maintains a strong commitment to the Santa Ana community. Not only do their employees live, work, and raise their families locally, but they make every effort to support, organizations and activities that improve our quality of life and environment in Santa Ana.

Because of these reasons, we strongly urge the City Council to vote in favor of retaining Waste Management as its franchise hauler. With Waste Management, the City of Santa Ana will continue to be a cleaner, greener and safer place to call home.

Thank you for your time and consideration.

**Subject:** Item #43. Please choose CR&R Waste Management. Not Athens

Hello Santa Ana City Council and staff.

CR&R is the better choice if you are to lower your carbon footprint when it comes to waste management.

Since Santa Ana is currently one of the least prepared cities for heat increase due to carbon emissions, waste management must be an essential part of responsible decision making. Thank you,

**RE: Open letter from WM employee's residing within the city limits of Santa Ana**

Dear Mayor Vicente Sarmiento, City Council members, and City Staff:

As an employee of Waste Management, it has been a privilege and an honor to serve the beautiful community of Santa Ana. My co-workers and I have volunteered with countless community organizations, we have supported multiple City events, and most importantly we have served our community with pride and dedication. Waste Management in Santa Ana is not just a place of employment, it's our hometown where we have had the privilege of raising our families.

For the past year, many of us have been on the front lines during the COVID-19 crisis by keeping our community clean and placing the needs of our customers at the center of what we do. Waste Management drivers know Santa Ana - its streets, its culture, and ordinances, and most importantly, its dynamics - better than anyone. We trust that no one else is as committed to providing professional and dedicated service to their residents, or as we know them, as our family, friends, and neighbors

I ask that you continue to use Waste Management as the primary designated Hauler, so that the community we serve can continue to receive professional uninterrupted service. After all, Santa Ana is our hometown, so we are committed to continued excellence.

Thanks for your time and consideration,

RE: Carta abierta del empleado de WM que reside dentro de los límites de la ciudad de Santa Ana

Estimado Alcalde Vicente Sarmiento, Concejales y Personal de la Ciudad:

Como empleado de Waste Management, ha sido un privilegio y un honor servir a la hermosa comunidad de Santa Ana. Mis compañeros de trabajo y yo nos hemos ofrecido como voluntarios en innumerables organizaciones comunitarias, hemos apoyado múltiples eventos de la Ciudad y, lo más importante, hemos servido a nuestra comunidad con orgullo y dedicación. Waste Management en Santa Ana no es solo un lugar de trabajo, es nuestra ciudad natal donde hemos tenido el privilegio de criar a nuestras familias.

Durante el año pasado, muchos de nosotros hemos estado en primera línea durante la crisis de COVID-19 manteniendo limpia nuestra comunidad y colocando las necesidades de nuestros clientes en el centro de lo que hacemos. Los conductores de Waste Management conocen Santa Ana - sus calles, su cultura y ordenanzas, y lo más importante, su dinámica - mejor que nadie. Confiamos en que nadie más está tan comprometido a brindar un servicio profesional y dedicado a sus residentes, o como los conocemos, como nuestra familia, amigos y vecinos.

Le pido que siga utilizando Waste Management como la compañía designado principal, para que la comunidad a la que servimos pueda continuar recibiendo un servicio profesional. Después de todo, Santa Ana es nuestra ciudad natal.

Gracias por su tiempo y consideración,

Nombre del empleado:

*Ruben UDAVE*

Años de servicio:

**RE: Open letter from WM employees residing within the City of Santa Ana**

Dear Mayor Vicente Sarmiento, City Council members, and City Staff:

As an employee of Waste Management, it has been a privilege and honor to serve the Santa Ana community. My co-workers and I have volunteered with countless community organizations, we support multiple City events, and most importantly, we diligently serve our community with pride and dedication. Waste Management in Santa Ana is not just a place of employment, it's our hometown where we have had the privilege of raising our families.

For the past year, many of us have been on the front lines during the COVID-19 crisis by keeping our community clean and placing our customers at the center of what we do. Waste Management drivers know Santa Ana - its streets, its culture, and ordinances, and most importantly, its dynamics - better than anyone. We trust that no one else is as committed to providing professional and dedicated service to their residents, or as we know them, our family, friends, and neighbors

I ask that you continue to use Waste Management as the designated Hauler, so that the community we serve can continue to receive professional uninterrupted service. After all, Santa Ana is our hometown, and we are committed to continued excellence.

Thanks for your time and consideration,

Name of employee:

Salvador Gallegos

Number of years of service:

30

**Mayor Vicente Sarmiento, City Council and City Staff,**

On behalf of Waste Management, I am writing to express my appreciation for the work that they have done in the City of Santa Ana.

For over 50 years, Waste Management has been an active member of the Santa Ana community. They have been continued supporters of important community organizations such as the Boys & Girls Club, the Power of One Foundation, The Santa Ana Chamber of Commerce, Com-Link, and multiple City sponsored community and clean up events.

Additionally, as a local service provider, Waste Management has made a positive impact on our local economy and quality of life. They employ a dedicated, trained workforce of over 100 people, many of whom live in Santa Ana. These hardworking men and women have helped the City introduce new and recognized recycling and outreach programs, which have directly impacted the cleanliness of our community. Waste Management has demonstrated on countless occasions that they are committed to a clean city effort, which includes bulky item pick-ups and illegal dumping clean ups. They are a service provider that has historically addressed environmentalism and sustainability and they are always willing to go above and beyond the call of duty. As many of you know, this is one of the largest contracts that you will issue during your tenure on the City Council. I urge you to please consider all aspects of Waste Management's service and uncompromised dedication to a clean city effort.

I urge you to vote in favor of keeping Waste Management as Santa Ana's primary hauler.

City of Santa Ana

Sincerely,

JUL 13 2021

**RE: Open letter from WM employees residing within the City of Santa Ana**

Dear Mayor Vicente Sarmiento, City Council members, and City Staff:

As an employee of Waste Management, it has been a privilege and honor to serve the Santa Ana community. My co-workers and I have volunteered with countless community organizations, we support multiple City events, and most importantly, we diligently serve our community with pride and dedication. Waste Management in Santa Ana is not just a place of employment, it's our hometown where we have had the privilege of raising our families.

For the past year, many of us have been on the front lines during the COVID-19 crisis by keeping our community clean and placing our customers at the center of what we do. Waste Management drivers know Santa Ana - its streets, its culture, and ordinances, and most importantly, its dynamics - better than anyone. We trust that no one else is as committed to providing professional and dedicated service to their residents, or as we know them, our family, friends, and neighbors

I ask that you continue to use Waste Management as the designated Hauler, so that the community we serve can continue to receive professional uninterrupted service. After all, Santa Ana is our hometown, and we are committed to continued excellence.

Thanks for your time and consideration,

Name of employee:

RICARDO MADRID

Number of years of service:

26 yrs.

City of Santa Ana

JUL 13 2021

Clerk of the Council

**Mayor Vicente Sarmiento, City Council and City Staff,**

On behalf of Waste Management, I am writing to express my appreciation for the work that they have done in the City of Santa Ana.

For over 50 years, Waste Management has been an active member of the Santa Ana community. They have been continued supporters of important community organizations such as the Boys & Girls Club, the Power of One Foundation, The Santa Ana Chamber of Commerce, Com-Link, and multiple City sponsored community and clean up events.

Additionally, as a local service provider, Waste Management has made a positive impact on our local economy and quality of life. They employ a dedicated, trained workforce of over 100 people, many of whom live in Santa Ana. These hardworking men and women have helped the City introduce new and recognized recycling and outreach programs, which have directly impacted the cleanliness of our community. Waste Management has demonstrated on countless occasions that they are committed to a clean city effort, which includes bulky item pick-ups and illegal dumping clean ups. They are a service provider that has historically addressed environmentalism and sustainability and they are always willing to go above and beyond the call of duty. As many of you know, this is one of the largest contracts that you will issue during your tenure on the City Council. I urge you to please consider all aspects of Waste Management's service and uncompromised dedication to a clean city effort.

I urge you to vote in favor of keeping Waste Management as Santa Ana's primary hauler.

Sincerely,

Name of Family Member or Friend:

CORONA YOLANDA.

Mayor Vicente Sarmiento, City Council members, and City Staff,

On behalf of the Veterans of Foreign Wars (VFW) Post #10694, I am writing in support of Waste Management's continued service in Santa Ana.

For over fifty years, Waste Management has served as both a service provider and active community partner to the residents, businesses and organizations in the City of Santa Ana. Their local team of drivers and support staff have a proven track record of delivering superior waste and recycling services at equitable rates, while maintaining a company-wide, best-in-the-industry safety record.

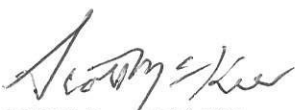

With Waste Management's support, the City of Santa Ana has received numerous recognitions for their environmental outreach and programs. These include recognizing recyclers in Santa Ana's neighborhoods, and being one of the first cities in the state to implement the three cart automated system.

Waste Management also plays a vital role in Santa Ana's vibrant and growing economy. They provide over 120 quality jobs to Santa Ana residents, purchase local goods and services and partner with other local businesses to help them achieve their sustainability goals.

Waste Management also maintains a strong commitment to the Santa Ana community. Not only do their employees live, work, and raise their families locally, but they make every effort to support, organizations and activities that improve our quality of life and environment in Santa Ana.

Because of these reasons, we strongly urge the City Council to vote in favor of retaining Waste Management as its franchise hauler. With Waste Management, the City of Santa Ana will continue to be a cleaner, greener and safer place to call home.

Thank you for your time and consideration.

To: Mayor and City Council

Dear Mayor and Council,

The residents of Washington Square Neighborhood Association (WSNA) would highly recommend you to maintain services with Waste Management (WM) refuse haulers for our residential and commercial waste disposal. They not only have provided dependable service to our community over the years but have provided large roll-off dumpsters for our neighborhood through the city sponsored "Dumpster Day" where 7 large roll-off dumpsters are provided throughout Washington Square for residents to dispose of items too large to fit in weekly trash containers. They also provide for large item pick-up disposal, as well as toxic motor oil pick-up, throughout the year on special requests.

Here in Washington Square Waste Management pioneered with our association with public trash containers the neighborhood purchased and installed at heavily traveled streets by servicing them on a weekly basis. This program has proved to be an enormous help in curtailing litter which is generated by students from two local schools and Santa Ana College traversing Washington Ave. on their way to and from school, as well as the general pedestrian traffic.

Waste Management over the years have attended many of our WSNA General Meetings educating residents not only of their services, but on recycling, which has always been a big interest to our residents.

Thus, with Waste Management's past performance and involvement in the city and neighborhoods, we encourage you to retain Waste Management as our primary refuse hauler.

On behalf of the residents Washington Square Neighborhood Association

Sincerely,

Tom Lutz

Dear Mayor Vicente Sarmiento, City Council members, and City Staff:

As an employee of Waste Management, it has been a privilege and honor to serve the Santa Ana community. My co-workers and I have volunteered with countless community organizations, we support multiple City events, and most importantly, we diligently serve our community with pride and dedication.

For the past year, many of us have been on the front lines during the COVID-19 crisis by keeping our community clean and placing our customers at the center of what we do. Waste Management drivers know Santa Ana - its streets, its culture, and ordinances, and most importantly, its dynamics - better than anyone. We trust that no one else is as committed to providing professional and dedicated service to your residents, or as we know them, our family, friends, and neighbors.

I ask that you continue to use Waste Management as the designated Hauler, so that the community we serve can continue to receive professional uninterrupted service.

Thanks for your time and consideration,

#### Waste Management Support Letter

Mayor Vicente Sarmiento, City Council Members, and City Staff,

On behalf of The Power of One Foundation, I am writing in support of Waste Management's continued service in Santa Ana.

For over fifty years, Waste Management has served as both a service provider and active community partner to the residents, businesses and organizations in the City of Santa Ana. Their local team of drivers and support staff have a proven track record of delivering superior waste and recycling services at equitable rates, while maintaining a company-wide, best-in-the-industry safety record.

A bit about POOF: Power of One Foundation's founders have served low-income and homeless communities throughout Orange County and Los Angeles for over 16 years, focusing on food insecurity. During the Covid-19 Pandemic we were able to serve over 2.8 million individuals from over half a million families in large part because of the massive support we received from volunteers. Waste Management was a vital partner during the pandemic, and they continue to be. They have been an irreplaceable part of our operation being successful and effective.

With Waste Management's support, the City of Santa Ana has received numerous recognitions for their environmental outreach and programs. These include recognizing recyclers in Santa Ana's neighborhoods, and being one of the first cities in the state to implement the three-cart automated system.

Waste Management also plays a vital role in Santa Ana's vibrant and growing economy. They provide over 120 quality jobs to Santa Ana residents, purchase local goods and services and partner with other local businesses to help them achieve their sustainability goals.

Waste Management also maintains a strong commitment to the Santa Ana community. Not only do their employees live, work, and raise their families locally, but they make every effort to support, organizations and activities that improve our quality of life and environment in Santa Ana. A recent example of this is their contribution to our foundation in 2020 – in which they provided free recycling and hauling services to help support food donation to over 2 million individuals during the COVID-19 crisis.

Because of these reasons, we strongly urge the City Council to vote in favor of retaining Waste Management as its franchise hauler. With Waste Management, the City of Santa Ana will continue to be a cleaner, greener and safer place to call home.

Thank you for your time and consideration.

Sincerely,

Power of One Foundation

RE: Carta abierta del empleado de WM que reside dentro de los límites de la ciudad de Santa Ana

Estimado Alcalde Vicente Sarmiento, Concejales y Personal de la Ciudad:

Como empleado de Waste Management, ha sido un privilegio y un honor servir a la hermosa comunidad de Santa Ana. Mis compañeros de trabajo y yo nos hemos ofrecido como voluntarios en innumerables organizaciones comunitarias, hemos apoyado múltiples eventos de la Ciudad y, lo más importante, hemos servido a nuestra comunidad con orgullo y dedicación. Waste Management en Santa Ana no es solo un lugar de trabajo, es nuestra ciudad natal donde hemos tenido el privilegio de criar a nuestras familias.

Durante el año pasado, muchos de nosotros hemos estado en primera línea durante la crisis de COVID-19 manteniendo limpia nuestra comunidad y colocando las necesidades de nuestros clientes en el centro de lo que hacemos. Los conductores de Waste Management conocen Santa Ana - sus calles, su cultura y ordenanzas, y lo más importante, su dinámica - mejor que nadie. Confiamos en que nadie más está tan comprometido a brindar un servicio profesional y dedicado a sus residentes, o como los conocemos, como nuestra familia, amigos y vecinos.

Le pido que siga utilizando Waste Management como la compañía designado principal, para que la comunidad a la que servimos pueda continuar recibiendo un servicio profesional. Después de todo, Santa Ana es nuestra ciudad natal.

On behalf of Waste Management, I am writing to express my appreciation for the work that they have done in the City of Santa Ana.

For over 50 years, Waste Management has been an active member of the Santa Ana community. They have been continued supporters of important community organizations such as the Boys & Girls Club, the Power of One Foundation, The Santa Ana Chamber of Commerce, Com-Link, and multiple City sponsored community and clean up events.

Additionally, as a local service provider, Waste Management has made a positive impact on our local economy and quality of life. They employ a dedicated, trained workforce of over 100 people, many of whom live in Santa Ana. These hardworking men and women have helped the City introduce new and recognized recycling and outreach programs, which have directly impacted the cleanliness of our community. Waste Management has demonstrated on countless occasions that they are committed to a clean city effort, which includes bulky item pick-ups and illegal dumping clean ups. They are a service provider that has historically addressed environmentalism and sustainability and they are always willing to go above and beyond the call of duty. As many of you know, this is one of the largest contracts that you will issue during your tenure on the City Council. I urge you to please consider all aspects of Waste Management's service and uncompromised dedication to a clean city effort.

I urge you to vote in favor of keeping Waste Management as Santa Ana's primary hauler.

Sincerely,

Waste Management en Santa Ana no es solo un lugar de trabajo, es nuestra ciudad natal donde hemos tenido el privilegio de criar a nuestras familias.

Durante el año pasado, muchos de nosotros hemos estado en primera línea durante la crisis de COVID-19 manteniendo limpia nuestra comunidad y colocando las necesidades de nuestros clientes en el centro de lo que hacemos. Los conductores de Waste Management conocen Santa Ana - sus calles, su cultura y ordenanzas, y lo más importante, su dinámica - mejor que nadie. Confiamos en que nadie más está tan comprometido a brindar un servicio profesional y dedicado a sus residentes, o como los conocemos, como nuestra familia, amigos y vecinos.

Le pido que siga utilizando Waste Management como la compañía designado principal, para que la comunidad a la que servimos pueda continuar recibiendo un servicio profesional. Después de todo, Santa Ana es nuestra ciudad natal.

Gracias por su tiempo y consideración,

**RE: Open letter from WM employees residing within the City of Santa Ana**

Dear Mayor Vicente Sarmiento, City Council members, and City Staff:

As an employee of Waste Management, it has been a privilege and honor to serve the Santa Ana community. My co-workers and I have volunteered with countless community organizations, we support multiple City events, and most importantly, we diligently serve our community with pride and dedication. Waste Management in Santa Ana is not just a place of employment, it's our hometown where we have had the privilege of raising our families.

For the past year, many of us have been on the front lines during the COVID-19 crisis by keeping our community clean and placing our customers at the center of what we do. Waste Management drivers know Santa Ana - its streets, its culture, and ordinances, and most importantly, its dynamics - better than anyone. We trust that no one else is as committed to providing professional and dedicated service to their residents, or as we know them, our family, friends, and neighbors

I ask that you continue to use Waste Management as the designated Hauler, so that the community we serve can continue to receive professional uninterrupted service. After all, Santa Ana is our hometown, and we are committed to continued excellence.

Thanks for your time and consideration,

Name of employee:

Hugo Silva

**Mayor Vicente Sarmiento, City Council and City Staff,**

On behalf of Waste Management, I am writing to express my appreciation for the work that they have done in the City of Santa Ana.

For over 50 years, Waste Management has been an active member of the Santa Ana community. They have been continued supporters of important community organizations such as the Boys & Girls Club, the Power of One Foundation, The Santa Ana Chamber of Commerce, Com-Link, and multiple City sponsored community and clean up events.

Additionally, as a local service provider, Waste Management has made a positive impact on our local economy and quality of life. They employ a dedicated, trained workforce of over 100 people, many of whom live in Santa Ana. These hardworking men and women have helped the City introduce new and recognized recycling and outreach programs, which have directly impacted the cleanliness of our community. Waste Management has demonstrated on countless occasions that they are committed to a clean city effort, which includes bulky item pick-ups and illegal dumping clean ups. They are a service provider that has historically addressed environmentalism and sustainability and they are always willing to go above and beyond the call of duty. As many of you know, this is one of the largest contracts that you will issue during your tenure on the City Council. I urge you to please consider all aspects of Waste Management's service and uncompromised dedication to a clean city effort.

I urge you to vote in favor of keeping Waste Management as Santa Ana's primary hauler.

Sincerely,

Dear Mayor Vicente Sarmiento & members of the city council,

My name is Chayanne Hernandez, a Waste Management driver & resident of Santa Ana proudly serving our community. I immigrated to Santa Ana California from Tijuana Mexico at the age of 10 years old looking for a better future. I have attended Franklin Elementary, Lathrop Intermediate & graduated from Saddleback Highschool. Growing up in Santa Ana as a low income family, it brought upon us many struggles that were not easy at a young age. Even with some hardships in life I grew up with a goal to achieve. Growing up I enjoyed trash day because I was amazed by the big Waste Management trucks, I told myself I would be driving one of those one day. That is what I am doing now, for the past few years it has been an honor to serve my city as a driver for Waste Management. The employees & I are beyond grateful to work with an amazing company in Santa Ana, a city we all call home. Helping our friends & neighbors is what brings us together as a community, an amazing community that Santa Ana is becoming. This renewal of the contract will mean so much to every single employee currently working at the Santa Ana yard & we would really appreciate you letting us continue our journey serving this amazing city.

Thank you for your time & consideration,

Chayanne Hernandez

Waste Management en Santa Ana no es solo un lugar de trabajo, es nuestra ciudad natal donde hemos tenido el privilegio de criar a nuestras familias.

Durante el año pasado, muchos de nosotros hemos estado en primera línea durante la crisis de COVID-19 manteniendo limpia nuestra comunidad y colocando las necesidades de nuestros clientes en el centro de lo que hacemos. Los conductores de Waste Management conocen Santa Ana - sus calles, su cultura y ordenanzas, y lo más importante, su dinámica - mejor que nadie. Confiamos en que nadie más está tan comprometido a brindar un servicio profesional y dedicado a sus residentes, o como los conocemos, como nuestra familia, amigos y vecinos.

Le pido que siga utilizando Waste Management como la compañía designado principal, para que la comunidad a la que servimos pueda continuar recibiendo un servicio profesional. Después de todo, Santa Ana es nuestra ciudad natal.

Gracias por su tiempo y consideración,

**RE: Open letter from WM employees residing within the City of Santa Ana**

Dear Mayor Vicente Sarmiento, City Council members, and City Staff:

As an employee of Waste Management, it has been a privilege and honor to serve the Santa Ana community. My co-workers and I have volunteered with countless community organizations, we support multiple City events, and most importantly, we diligently serve our community with pride and dedication. Waste Management in Santa Ana is not just a place of employment, it's our hometown where we have had the privilege of raising our families.

For the past year, many of us have been on the front lines during the COVID-19 crisis by keeping our community clean and placing our customers at the center of what we do. Waste Management drivers know Santa Ana - its streets, its culture, and ordinances, and most importantly, its dynamics - better than anyone. We trust that no one else is as committed to providing professional and dedicated service to their residents, or as we know them, our family, friends, and neighbors

I ask that you continue to use Waste Management as the designated Hauler, so that the community we serve can continue to receive professional uninterrupted service. After all, Santa Ana is our hometown, and we are committed to continued excellence.

Thanks for your time and consideration,

Mayor Vicente Sarmiento, City Council and City Staff,

On behalf of Waste Management, I am writing to express my appreciation for the work that they have done in the City of Santa Ana.

For over 50 years, Waste Management has been an active member of the Santa Ana community. They have been continued supporters of important community organizations such as the Boys & Girls Club, the Power of One Foundation, The Santa Ana Chamber of Commerce, Com-Link, and multiple City sponsored community and clean up events.

Additionally, as a local service provider, Waste Management has made a positive impact on our local economy and quality of life. They employ a dedicated, trained workforce of over 100 people, many of whom live in Santa Ana. These hardworking men and women have helped the City introduce new and recognized recycling and outreach programs, which have directly impacted the cleanliness of our community. Waste Management has demonstrated on countless occasions that they are committed to a clean city effort, which includes bulky item pick-ups and illegal dumping clean ups. They are a service provider that has historically addressed environmentalism and sustainability and they are always willing to go above and beyond the call of duty. As many of you know, this is one of the largest contracts that you will issue during your tenure on the City Council. I urge you to please consider all aspects of Waste Management's service and uncompromised dedication to a clean city effort.

I urge you to vote in favor of keeping Waste Management as Santa Ana's primary hauler.

Sincerely,

Additionally, as a local service provider, Waste Management has made a positive impact on our local economy and quality of life. They employ a dedicated, trained workforce of over 100 people, many of whom live in Santa Ana. These hardworking men and women have helped the City introduce new and recognized recycling and outreach programs, which have directly impacted the cleanliness of our community. Waste Management has demonstrated on countless occasions that they are committed to a clean city effort, which includes bulky item pick-ups and illegal dumping clean ups. They are a service provider that has historically addressed environmentalism and sustainability and they are always willing to go above and beyond the call of duty. As many of you know, this is one of the largest contracts that you will issue during your tenure on the City Council. I urge you to please consider all aspects of Waste Management's service and uncompromised dedication to a clean city effort.

I urge you to vote in favor of keeping Waste Management as Santa Ana's primary hauler.

Sincerely,

**RE: Open letter from WM employees residing within the City of Santa Ana**

Dear Mayor Vicente Sarmiento, City Council members, and City Staff:

As an employee of Waste Management, it has been a privilege and honor to serve the Santa Ana community. My co-workers and I have volunteered with countless community organizations, we support multiple City events, and most importantly, we diligently serve our community with pride and dedication. Waste Management in Santa Ana is not just a place of employment, it's our hometown where we have had the privilege of raising our families.

For the past year, many of us have been on the front lines during the COVID-19 crisis by keeping our community clean and placing our customers at the center of what we do. Waste Management drivers know Santa Ana - its streets, its culture, and ordinances, and most importantly, its dynamics - better than anyone. We trust that no one else is as committed to providing professional and dedicated service to their residents, or as we know them, our family, friends, and neighbors

I ask that you continue to use Waste Management as the designated Hauler, so that the community we serve can continue to receive professional uninterrupted service. After all, Santa Ana is our hometown, and we are committed to continued excellence.

Thanks for your time and consideration,

RE: Carta abierta del empleado de WM que reside dentro de los límites de la ciudad de Santa Ana

Estimado Alcalde Vicente Sarmiento, Concejales y Personal de la Ciudad:

Como empleado de Waste Management, ha sido un privilegio y un honor servir a la hermosa comunidad de Santa Ana. Mis compañeros de trabajo y yo nos hemos ofrecido como voluntarios en innumerables organizaciones comunitarias, hemos apoyado múltiples eventos de la Ciudad y, lo más importante, hemos servido a nuestra comunidad con orgullo y dedicación. Waste Management en Santa Ana no es solo un lugar de trabajo, es nuestra ciudad natal donde hemos tenido el privilegio de criar a nuestras familias.

Durante el año pasado, muchos de nosotros hemos estado en primera línea durante la crisis de COVID-19 manteniendo limpia nuestra comunidad y colocando las necesidades de nuestros clientes en el centro de lo que hacemos. Los conductores de Waste Management conocen Santa Ana - sus calles, su cultura y ordenanzas, y lo más importante, su dinámica - mejor que nadie. Confiamos en que nadie más está tan comprometido a brindar un servicio profesional y dedicado a sus residentes, o como los conocemos, como nuestra familia, amigos y vecinos.

Le pido que siga utilizando Waste Management como la compañía designado principal, para que la comunidad a la que servimos pueda continuar recibiendo un servicio profesional. Después de todo, Santa Ana es nuestra ciudad natal.

Gracias por su tiempo y consideración,

Mayor Vicente Sarmiento, City Council members, and City Staff,

On behalf of Johnson & Johnson Vision, I am writing in support of Waste Management's continued service in Santa Ana.

For over fifty years, Waste Management has served as both a service provider and active community partner to the residents, businesses and organizations in the City of Santa Ana. Their local team of drivers and support staff have a proven track record of delivering superior waste and recycling services at equitable rates, while maintaining a company-wide, best-in-the-industry safety record.

With Waste Management's support, the City of Santa Ana has received numerous recognitions for their environmental outreach and programs. These include recognizing recyclers in Santa Ana's neighborhoods, and being one of the first cities in the state to implement the three-cart automated system.

Waste Management also plays a vital role in Santa Ana's vibrant and growing economy. They provide over 120 quality jobs to Santa Ana residents, purchase local goods and services and partner with other local businesses to help them achieve their sustainability goals.

Waste Management also maintains a strong commitment to the Santa Ana community. Not only do their employees live, work, and raise their families locally, but they make every effort to support, organizations and activities that improve our quality of life and environment in Santa Ana.

Because of these reasons, we strongly urge the City Council to vote in favor of retaining Waste Management as its franchise hauler. With Waste Management, the City of Santa Ana will continue to be a cleaner, greener and safer place to call home.

Thank you for your time and consideration.

**Categories:** Correspondence

Mayor Vicente Sarmiento, City Council members, and City Staff,

On behalf of Fairhaven Memorial Park & Mortuary, I am writing in support of Waste Management's continued service in Santa Ana.

For over fifty years, Waste Management has served as both a service provider and active community partner to the residents, businesses and organizations in the City of Santa Ana. Their local team of drivers and support staff have a proven track record of delivering superior waste and recycling services at equitable rates, while maintaining a company-wide, best-in-the-industry safety record.

With Waste Management's support, the City of Santa Ana has received numerous recognitions for their environmental outreach and programs. These include recognizing recyclers in Santa Ana's neighborhoods, and being one of the first cities in the state to implement the three cart automated system.

Waste Management also plays a vital role in Santa Ana's vibrant and growing economy. They provide over 120 quality jobs to Santa Ana residents, purchase local goods and services and partner with other local businesses to help them achieve their sustainability goals.

Waste Management also maintains a strong commitment to the Santa Ana community. They are proud supporters and donate waste and recycle boxes for our public events.

Because of these reasons, we strongly urge the City Council to vote in favor of retaining Waste Management as its franchise hauler. With Waste Management, the City of Santa Ana will continue to be a cleaner, greener and safer place to call home.

Thank you,

---

*Every Detail Remembered*  **Dignity**<sup>®</sup>

Dear Mayor Sarmiento, Mayor Pro Tem Penaloza, Councilmembers Bacerra, Hernandez, Lopez, Mendoza and Phan,

Thank you for the opportunity to present this letter to you. My name is Stewart Rylander and I've worked for Athens Services for almost five years. I also thank you for the opportunity for Athens to be considered as one of four proposers under the City of Santa Ana's solid waste request for proposal.

It was noted during the special council meeting held June 22, 2021, that the four companies being considered are all qualified to service the City of Santa Ana and I agree with that sentiment. Having worked for Waste Management and Republic for 26 years and having a professional relationship with CR&R going back to 1993, I have a tremendous amount of respect for each of these companies, but most importantly, I'm proud to be able to tell people I work for Athens Services where our employees, from the frontline to the back office, are empowered to do what we do best every day. I've never worked for an organization with such a high level of employee satisfaction.

As a privately owned local company, Athens Services takes a long-term view in our customer partnerships with our main priorities being to the safety and well-being of our employees, to the local residents and businesses of the cities and communities we service, and to environmental sustainability. Our significant and recurring investments in infrastructure and processing facilities ensures that Athens will exceed compliance targets, diversion goals and customer service standards, resulting in the highest level of contract compliance and satisfaction at the lowest possible cost to the City of Santa Ana.

The hauler survey results compiled by HFH scored Athens Services as the highest ranked of the four companies. This is in the opinion of the council members and the staff of the surveyed cities we all service. This is the 3<sup>rd</sup> recent RFP process where Athens was the highest ranked of all finalist proposers, most recently ranking at 8% to 41% higher than the other three proposers. We are the only one of the four Santa Ana proposers to Exceed Expectations in the opinion of our respective municipal customers. In summary, not only are we the highest ranked, but we are proposing the lowest cost of all four proposers. Seeing, learning and experiencing what I have over the last five years with Athens, these results are not surprising.

In addition to the successful City of Los Angeles implementation in 2017, since 2016 we have been awarded and successfully transitioned three new exclusive franchise agreements with a fourth one scheduled for January, and have worked with each of the other proposers resulting in seamless service implementations. What's most impressive is that Athens has never had to transition service to another hauler. These achievements are attributed to our leadership and employees who possess an unparalleled vision, commitment and drive to be the best public servants to the communities we service.

In closing, I hope that the City of Santa Ana council and staff agree that entering into this long-term partnership with Athens will result in your expectations consistently being exceeded for the next ten years and beyond. We at Athens are honored to be considered, and are ready to be your solid waste services partner.

Best regards,  
Stewart Rylander

**Subject:** Agenda Item 25 HAULERS contract

Mayor Sarmiento, Members of the Council and City Manager Ridge

Sent from [Mail](#) for Windows 10

I shared last week in a letter (July 13<sup>th</sup>) my support from the Chamber for a renewed contract for Waste Management in providing professional waste services. In this email I would like to reinforce this letter as well on behalf of Waste Management.

Since 1963 WM has been a member of the Chamber in good standing and for over 25 years a seat on our board of directors. They have continued to not only provide excellent waste and recycling services but have been LOYAL contributing member of our business community and community as a whole. They contribute to a vibrant economy and support organizations and activities to improve quality of life in Santa Ana. They have a history of LOYALTY which I believe is very important.

With Waste Management I think our City of Santa Ana will continue to be cleaner, greener and safer place to call home.

Thanks for your work and consideration

David L. Elliott

July 12, 2021

To: Mayor and City Council

Dear Mayor and Council,

The residents of Washington Square Neighborhood Association (WSNA) would highly recommend you to maintain services with Waste Management (WM) refuse haulers for our residential and commercial waste disposal. They not only have provided dependable service to our community over the years but have provided large roll-off dumpsters for our neighborhood through the city sponsored "Dumpster Day" where 7 large roll-off dumpsters are provided throughout Washington Square for residents to dispose of items too large to fit in weekly trash containers. They also provide for large item pick-up disposal, as well as toxic motor oil pick-up, throughout the year on special requests.

Here in Washington Square Waste Management pioneered with our association with public trash containers the neighborhood purchased and installed at heavily traveled streets by servicing them on a weekly basis. This program has proved to be an enormous help in curtailing litter which is generated by students from two local schools and Santa Ana College traversing Washington Ave. on their way to and from school, as well as the general pedestrian traffic.

Waste Management over the years have attended many of our WSNA General Meetings educating residents not only of their services, but on recycling, which has always been a big interest to our residents.

Thus, with Waste Management's past performance and involvement in the city and neighborhoods, we encourage you to retain Waste Management as our primary refuse hauler.

On behalf of the residents Washington Square Neighborhood Association

Sincerely,

Tom Lutz  
WSNA – City Liaison

Querido concejal:

El Consejo Municipal se reunirá muy pronto para tomar una decisión muy importante sobre la compañía de basura que usará nuestra ciudad. Como residente de la Ciudad de Santa Ana, estoy escribiendo para pedirle su apoyo y otorgar el contrato de recoger la basura a una nueva compañía que tendrá el mejor interés de los residentes, en vez de una compañía enorme.

Santa Ana se está recuperando del COVID-19. Muchos de nosotros hemos perdido trabajos. El precio de la comida y la gasolina siguen subiendo. Por favor, NO SUBAN la factura de la basura, también.

Yo le ruego de tomar esta decisión tomando en mente el interés de los residentes y escoger un servicio de basura que ofrezca el precio más bajo y el mejor servicio para la comunidad de Santa Ana.

Muchas Gracias

Sinceramente,

## Orozco, Norma

Querido concejal:

El Consejo Municipal se reunirá muy pronto para tomar una decisión muy importante sobre la compañía de basura que usará nuestra ciudad. Como residente de la Ciudad de Santa Ana, estoy escribiendo para pedirle su apoyo y otorgar el contrato de recoger la basura a una nueva compañía que tendrá el mejor interés de los residentes, en vez de una compañía enorme.

Santa Ana se está recuperando del COVID-19. Muchos de nosotros hemos perdido trabajos. El precio de la comida y la gasolina siguen subiendo. Por favor, NO SUBAN la factura de la basura, también.

Yo le ruego de tomar esta decisión tomando en mente el interés de los residentes y escoger un servicio de basura que ofrezca el precio más bajo y el mejor servicio para la comunidad de Santa Ana.

Muchas Gracias

Sinceramente,

## Orozco, Norma

Dear Council Members,

The City Council will meet soon to make an important decision on which trash company to use for our city. As a resident of the City of Santa Ana, I am writing to ask you to support awarding the city's trash service franchise to a new hauler that will have the best interest of residents in mind, rather than big business.

Santa Ana is still recovering from COVID-19. Many of us have lost jobs. Food and gasoline prices are climbing. Do not increase our trash bill, too.

I urge you to make the decision in the best interest of the residents and choose the trash service that offers the lowest price and the best service for the Santa Ana community.

Thank you.

The City Council will meet soon to make an important decision on which trash company to use for our city. As a resident of the City of Santa Ana, I am writing to ask you to support awarding the city's trash service franchise to a new hauler that will have the best interest of residents in mind, rather than big business.

Santa Ana is still recovering from COVID-19. Many of us have lost jobs. Food and gasoline prices are climbing. Do not increase our trash bill, too.

I urge you to make the decision in the best interest of the residents and choose the trash service that offers the lowest price and the best service for the Santa Ana community.

Thank you.

Querido concejal:

El Consejo Municipal se reunirá muy pronto para tomar una decisión muy importante sobre la compañía de basura que usará nuestra ciudad. Como residente de la Ciudad de Santa Ana, estoy escribiendo para pedirle su apoyo y otorgar el contrato de recoger la basura a una nueva compañía que tendrá el mejor interés de los residentes, en vez de una compañía enorme.

Santa Ana se está recuperando del COVID-19. Muchos de nosotros hemos perdido trabajos. El precio de la comida y la gasolina siguen subiendo. Por favor, NO SUBAN la factura de la basura, también.

Yo le ruego de tomar esta decisión tomando en mente el interés de los residentes y escoger un servicio de basura que ofrezca el precio más bajo y el mejor servicio para la comunidad de Santa Ana.

Muchas Gracias

Sinceramente,

## Orozco, Norma

### Message

Querido concejal:

El Consejo Municipal se reunirá muy pronto para tomar una decisión muy importante sobre la compañía de basura que usará nuestra ciudad. Como residente de la Ciudad de Santa Ana, estoy escribiendo para pedirle su apoyo y otorgar el contrato de recoger la basura a una nueva compañía que tendrá el mejor interés de los residentes, en vez de una compañía enorme.

Santa Ana se está recuperando del COVID-19. Muchos de nosotros hemos perdido trabajos. El precio de la comida y la gasolina siguen subiendo. Por favor, NO SUBAN la factura de la basura, también.

Yo le ruego de tomar esta decisión tomando en mente el interés de los residentes y escoger un servicio de basura que ofrezca el precio más bajo y el mejor servicio para la comunidad de Santa Ana.

Muchas Gracias

Sinceramente,

## Orozco, Norma

Dear Council Members,

The City Council will meet soon to make an important decision on which trash company to use for our city. As a resident of the City of Santa Ana, I am writing to ask you to support awarding the city's trash service franchise to a new hauler that will have the best interest of residents in mind, rather than big business.

Santa Ana is still recovering from COVID-19. Many of us have lost jobs. Food and gasoline prices are climbing. Do not increase our trash bill, too.

I urge you to make the decision in the best interest of the residents and choose the trash service that offers the lowest price and the best service for the Santa Ana community.

Thank you.

Dear Council Members,

The City Council will meet soon to make an important decision on which trash company to use for our city. As a resident of the City of Santa Ana, I am writing to ask you to support awarding the city's trash service franchise to a new hauler that will have the best interest of residents in mind, rather than big business.

Santa Ana is still recovering from COVID-19. Many of us have lost jobs. Food and gasoline prices are climbing. Do not increase our trash bill, too.

I urge you to make the decision in the best interest of the residents and choose the trash service that offers the lowest price and the best service for the Santa Ana community.

Thank you.

Dear Council Members,

The City Council will meet soon to make an important decision on which trash company to use for our city. As a resident of the City of Santa Ana, I am writing to ask you to support awarding the city's trash service franchise to a new hauler that will have the best interest of residents in mind, rather than big business.

Santa Ana is still recovering from COVID-19. Many of us have lost jobs. Food and gasoline prices are climbing. Do not increase our trash bill, too.

I urge you to make the decision in the best interest of the residents and choose the trash service that offers the lowest price and the best service for the Santa Ana community.

Thank you.

Carta para el Consejo Municipal de Santa Ana

Querido concejal:

El Consejo Municipal se reunirá muy pronto para tomar una decisión muy importante sobre la compañía de basura que usará nuestra ciudad. Como residente de la Cuidad de Santa Ana, estoy escribiendo para pedirle su apoyo y otorgar el contrato de recoger la basura a una nueva compañía que tendrá el mejor interés de los residentes, en vez de una compañía enorme.

Santa Ana se está recuperando del COVID-19. Muchos de nosotros hemos perdido trabajos. El precio de la comida y la gasolina siguen subiendo. Por favor, NO SUBAN la factura de la basura, también.

Yo le ruego de tomar esta decisión tomando en mente el interés de los residentes y escoger un servicio de basura que ofrezca el precio más bajo y el mejor servicio para la comunidad de Santa Ana.

Muchas Gracias

Sinceramente,

**From:** [Santa Ana Friends](#)  
**To:** [Sarmiento, Vicente](#)

El Consejo Municipal se reunirá muy pronto para tomar una decisión muy importante sobre la compañía de basura que usará nuestra ciudad. Como residente de la Ciudad de Santa Ana, estoy escribiendo para pedirle su apoyo y otorgar el contrato de recoger la basura a una nueva compañía que tendrá el mejor interés de los residentes, en vez de una compañía enorme.

Santa Ana se está recuperando del COVID-19. Muchos de nosotros hemos perdido trabajos. El precio de la comida y la gasolina siguen subiendo. Por favor, NO SUBAN la factura de la basura, también.

Yo le ruego de tomar esta decisión tomando en mente el interés de los residentes y escoger un servicio de basura que ofrezca el precio más bajo y el mejor servicio para la comunidad de Santa Ana.

Muchas Gracias

Sinceramente,

Carta para el Consejo Municipal de Santa Ana

Querido concejal:

El Consejo Municipal se reunirá muy pronto para tomar una decisión muy importante sobre la compañía de basura que usará nuestra ciudad. Como residente de la Cuidad de Santa Ana, estoy escribiendo para pedirle su apoyo y otorgar el contrato de recoger la basura a una nueva compañía que tendrá el mejor interés de los residentes, en vez de una compañía enorme.

Santa Ana se está recuperando del COVID-19. Muchos de nosotros hemos perdido trabajos. El precio de la comida y la gasolina siguen subiendo. Por favor, NO SUBAN la factura de la basura, también.

Yo le ruego de tomar esta decisión tomando en mente el interés de los residentes y escoger un servicio de basura que ofrezca el precio más bajo y el mejor servicio para la comunidad de Santa Ana.

Muchas Gracias

Sinceramente,

**From:** [Santa Ana Friends](#)  
**To:** [Sarmiento, Vicente](#)  
**Cc:** [Phan, Thai](#); [Penaloza, David](#); [Lopez, Jessie](#); [Bacerra, Phil](#); [Hernandez, Johnathan](#); [Mendoza, Nelida](#); [Gomez, Daisy](#); [Ridge, Kristine](#); [Saba, Nabil](#)  
**Subject:** An URGENT Message From Your Constituent [#72]

Dear Council Members,

The City Council will meet soon to make an important decision on which trash company to use for our city. As a resident of the City of Santa Ana, I am writing to ask you to support awarding the city's trash service franchise to a new hauler that will have the best interest of residents in mind, rather than big business.

Santa Ana is still recovering from COVID-19. Many of us have lost jobs. Food and gasoline prices are climbing. Do not increase our trash bill, too.

I urge you to make the decision in the best interest of the residents and choose the trash service that offers the lowest price and the best service for the Santa Ana community.

Thank you.

Message

Dear Council Members,

The City Council will meet soon to make an important decision on which trash company to use for our city. As a resident of the City of Santa Ana, I am writing to ask you to support awarding the city's trash service franchise to a new hauler that will have the best interest of residents in mind, rather than big business.

Santa Ana is still recovering from COVID-19. Many of us have lost jobs. Food and gasoline prices are climbing. Do not increase our trash bill, too.

I urge you to make the decision in the best interest of the residents and choose the trash service that offers the lowest price and the best service for the Santa Ana community.

Thank you.

**From:** [Santa Ana Friends](#)

Dear Council Members,

The City Council will meet soon to make an important decision on which trash company to use for our city. As a resident of the City of Santa Ana, I am writing to ask you to support awarding the city's trash service franchise to a new hauler that will have the best interest of residents in mind, rather than big business.

Santa Ana is still recovering from COVID-19. Many of us have lost jobs. Food and gasoline prices are climbing. Do not increase our trash bill, too.

I urge you to make the decision in the best interest of the residents and choose the trash service that offers the lowest price and the best service for the Santa Ana community.

Thank you.

Querido concejal:

El Consejo Municipal se reunirá muy pronto para tomar una decisión muy importante sobre la compañía de basura que usará nuestra ciudad. Como residente de la Ciudad de Santa Ana, estoy escribiendo para pedirle su apoyo y otorgar el contrato de recoger la basura a una nueva compañía que tendrá el mejor interés de los residentes, en vez de una compañía enorme.

Santa Ana se está recuperando del COVID-19. Muchos de nosotros hemos perdido trabajos. El precio de la comida y la gasolina siguen subiendo. Por favor, NO SUBAN la factura de la basura, también.

Yo le ruego de tomar esta decisión tomando en mente el interés de los residentes y escoger un servicio de basura que ofrezca el precio más bajo y el mejor servicio para la comunidad de Santa Ana.

Muchas Gracias

Sinceramente,

Sinceramente,

To Whom It May Concern,

Hopefully in the next few months, we will resume with our quarterly community park clean-up at Santiago Park. I wanted to keep you updated and also thank you for the outstanding service that Waste Management has provided our unit during these clean-ups. The communication with you has been excellent and always prompt. The containers are always dropped off on schedule and picked up immediately after to avoid trash being removed and scattered. Waste Management has always been professional and willing to assist our projects without hesitation even with late notice. Thank you again and I am looking forward to working with you again in the future.

Sincerely,

**Kanan Blake**
