While I have you - - - We live on Wright Street. Parking on our street is ridiculous due to people who live in the apartments a few blocks away parking on our street. When my daughter and her family come to visit they have to park a decent amount away due to strangers filing up our streets. They will leave their cars for days at a time and I've gotta say, I'm happy to see parking tickets on cars during street sweeping days.

Additionally - traffic on Santa Clara is awful. Our son attends Servite and taking him to school is difficult due to how long it takes to turn left on to Santa Clara from Wright. A traffic signal would be nice.

Thank you.
