**Subject:** Item #24 on Agenda At 7pm

**My name is Lydia Salvetta, current president of republic homes neighborhood association. The South Side leaders have met with council member Phil Bacerra, Ward 4 several times and feel that we are communities of interest (Republic homes, Thornton park, south coast metro, sunwood central, metro classic, Sandpointe, Armstrong ranch etc. ) and would like the re-districting to go back to its original wards. Seems like ward 4 has had many changes in my tenure.**

**We also have had meetings with South Co**

**ast Alliance and councilmember Bacerra.**

**Thank you in advance, for your time and consideration.**

**Subject:** Redistricting

Many of the residents on the south side are concerned about the redistricting of our neighborhood. Historically we were once one ward. Here is an opportunity to redraw the maps boundaries and place the surrounding neighborhoods into one ward. We're asking council, staff and the consultants to unite into one ward and recognize the community interests of Sandpoint, Metro Classic, Republic Homes, Thornton Park, South Coast Metro, Rosewood Baker, , Sunwood Central Homeowners Associations and Armstrong Ranch. Being represented as one ward would collectively reflect the interests of the south sides businesses and homeowners. Kathleen Kuilanoff

I realize there are not yet proposed redistricting maps. But the city has hired a consultant to propose new boundaries for our wards in the city. I would strongly suggest the consultants consider the continuity in neighbors that have developed in parts of the city.

Like in the south part of the city. Neighborhoods like Metro Classic, Republic Homes, Thornton Park, Morning Sun Rise and South Coast have regular meetings to work on similar problems. Similar neighborhoods in the Mid city and Northern parts of the city have also joined together.

When redrawing the wards the united form by the Neighborhoods should be considered and not ignored.
