Mayor & Council-members,

Re: Agenda Item #21

Dear Mayor, Council-members and City Manager,

I would like to address item #21 on your agenda this evening pertaining to the usage of our schools for neighborhood meetings for the different associations throughout the city. Since the beginning of the Neighborhood Movement, back in the mid 1980's, the schools in the city have played an important part for neighborhoods to meet and work together in strengthening their neighborhoods to make them safe and well maintained. The meetings have been used to inform residents on city issues, as well as important forums for speakers on important issues.

The schools have been available for the past 35+ years and for them to be closed to our neighborhoods would certainly have a direct negative affect on the neighborhoods' vitality as well as their residents. I would like to urge you to take whatever measures to retain the usage of our schools to our neighborhoods at no cost or at least a reasonable cost.

Sincerely,  
Tom Lutz  
City Liaison - Washington Square Neighborhood Association.
