

City of Santa Ana Draft Maps

DECEMBER 6, 2021

Agenda

What we will cover

- Traditional Redistricting Principles
- Public Submissions
- Community of Interest Testimony
- Current Lines
- Draft Maps
- Next Steps

Traditional Redistricting Principles

Complying with the Fair Maps Act

The Fair Maps Act passed by the Legislature mandates a set of criteria we must follow when drawing ward plans.

- Relatively equal size - people, not citizens
- Contiguous – wards should not hop/jump
- Maintain “*communities of interest*”
- Follow city and census designated place boundaries
- Keep wards compact – appearance/function

Additional Redistricting Rules

Criteria required in Santa Ana Beyond Traditional Principles

The FAIR MAPS ACT add more criteria to the process

- Not consider incumbents or candidates
- Not draw wards to advantage or disadvantage a political party
- Hold minimum set of hearings, encourage public engagement
- Posting of all redistricting information on a website that is maintained *for the next 10 years*

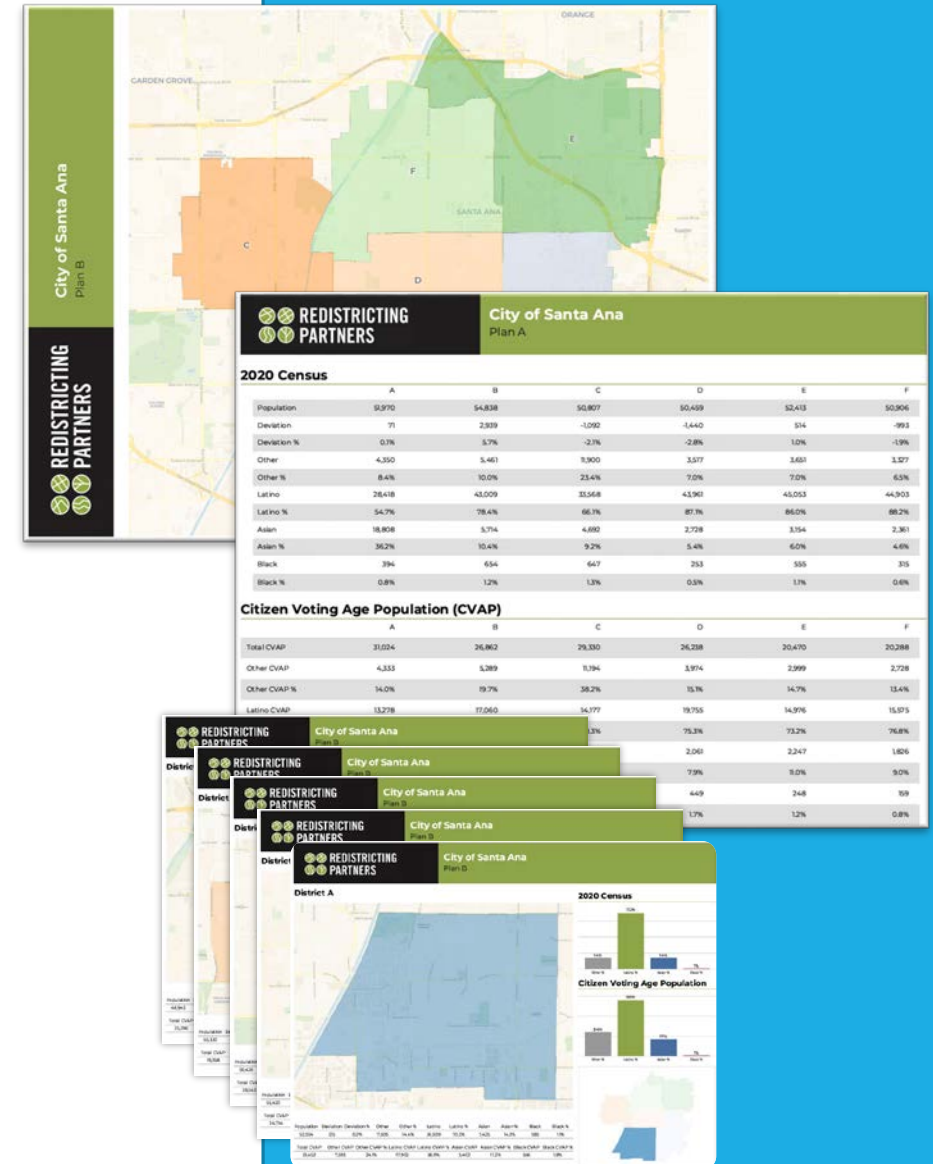

From COI to Maps

With the Fair Maps Act requiring cities to include the public input in the redistricting process, we move redistricting out into the public, with maps driven by Community of Interest testimony.

Input from community drives process with multiple ways for the public to engage.

Rules for process emphasize the importance of traditional criteria and minimizing divisions of neighborhoods.

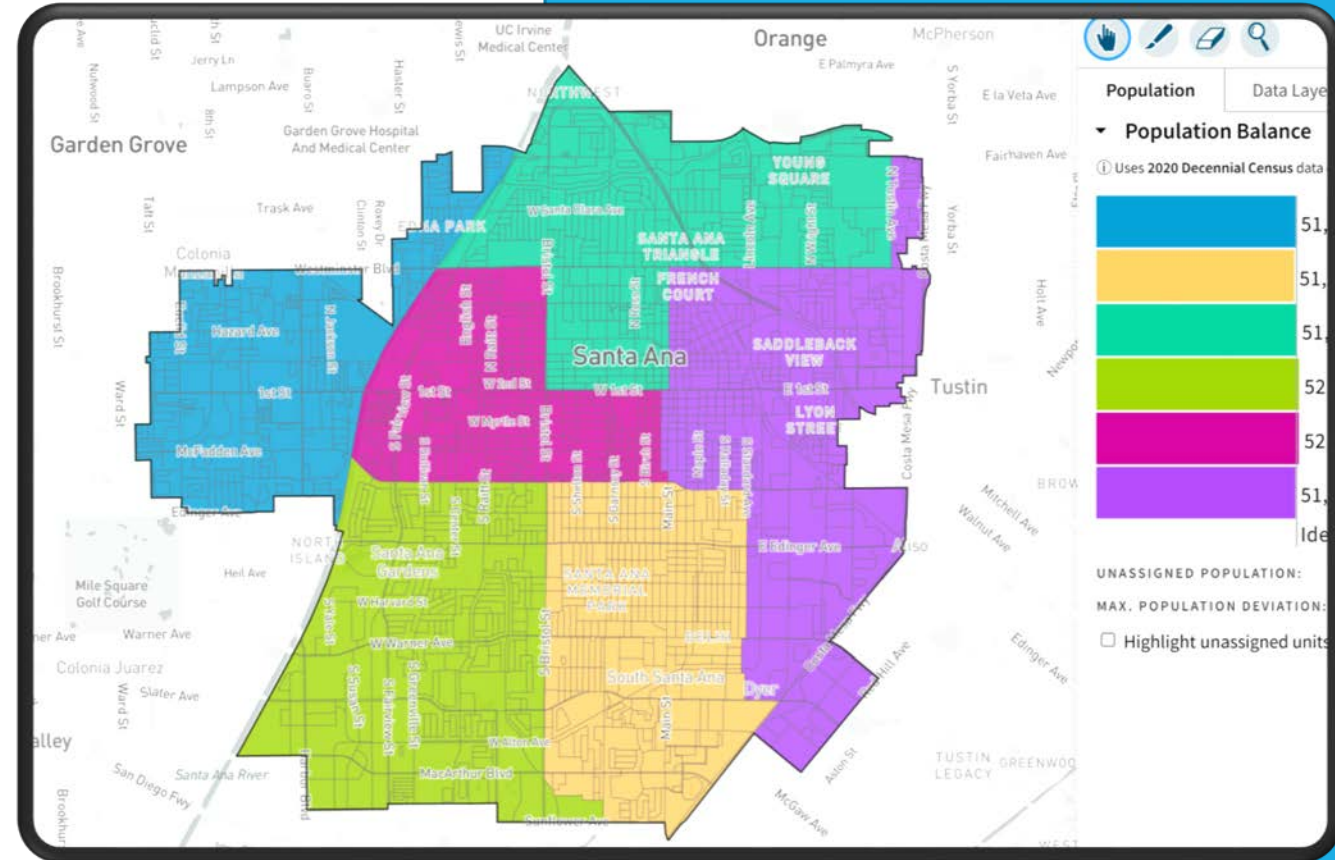

Releasing maps for feedback— today we will see plans to spark more public engagement.

Public Submissions

The City of Santa Ana City Council obtained public map submissions

- Use of the online mapping tool DistrictR to solicit input.
- Hosted 6 Community Workshops + additional community presentations
- Online training of DistrictR at each Community Workshop.
- 19 full citywide plans, 3 partial plans and 3 community of interest submissions.

Public Submissions

We have converted all full and partial plans, received by December 2nd, to our “Atlas” format which includes:

- *Cover page with full districting plan overview.*
- Data table with population, deviation, ethnic population, Citizen Voting Age Population (CVAP) Ethnicity and breakdowns for each ward (numbered 1-6 for a complete plan)
- Individual ward maps with street-details and data tables and charts.

Public Submissions

We have converted all full and partial plans, received by December 2nd, to our “Atlas” format which includes:

- Cover page with full districting plan overview.
- *Data table with population, deviation, ethnic population, Citizen Voting Age Population (CVAP) Ethnicity and breakdowns for each ward (numbered 1-6 for a complete plan)*
- Individual ward maps with street-details and data tables and charts.

Public Submissions

We have converted all full and partial plans, received by December 2nd, to our “Atlas” format which includes:

- Cover page with full districting plan overview.
- Data table with population, deviation, ethnic population, Citizen Voting Age Population (CVAP) Ethnicity and breakdowns for each ward (numbered 1-6 for a complete plan)
- *Individual ward maps with street-details and data tables and charts.*

Public Submissions

The Community of Interest maps drawn by the public and received by December 2nd, were also converted to Atlas format.

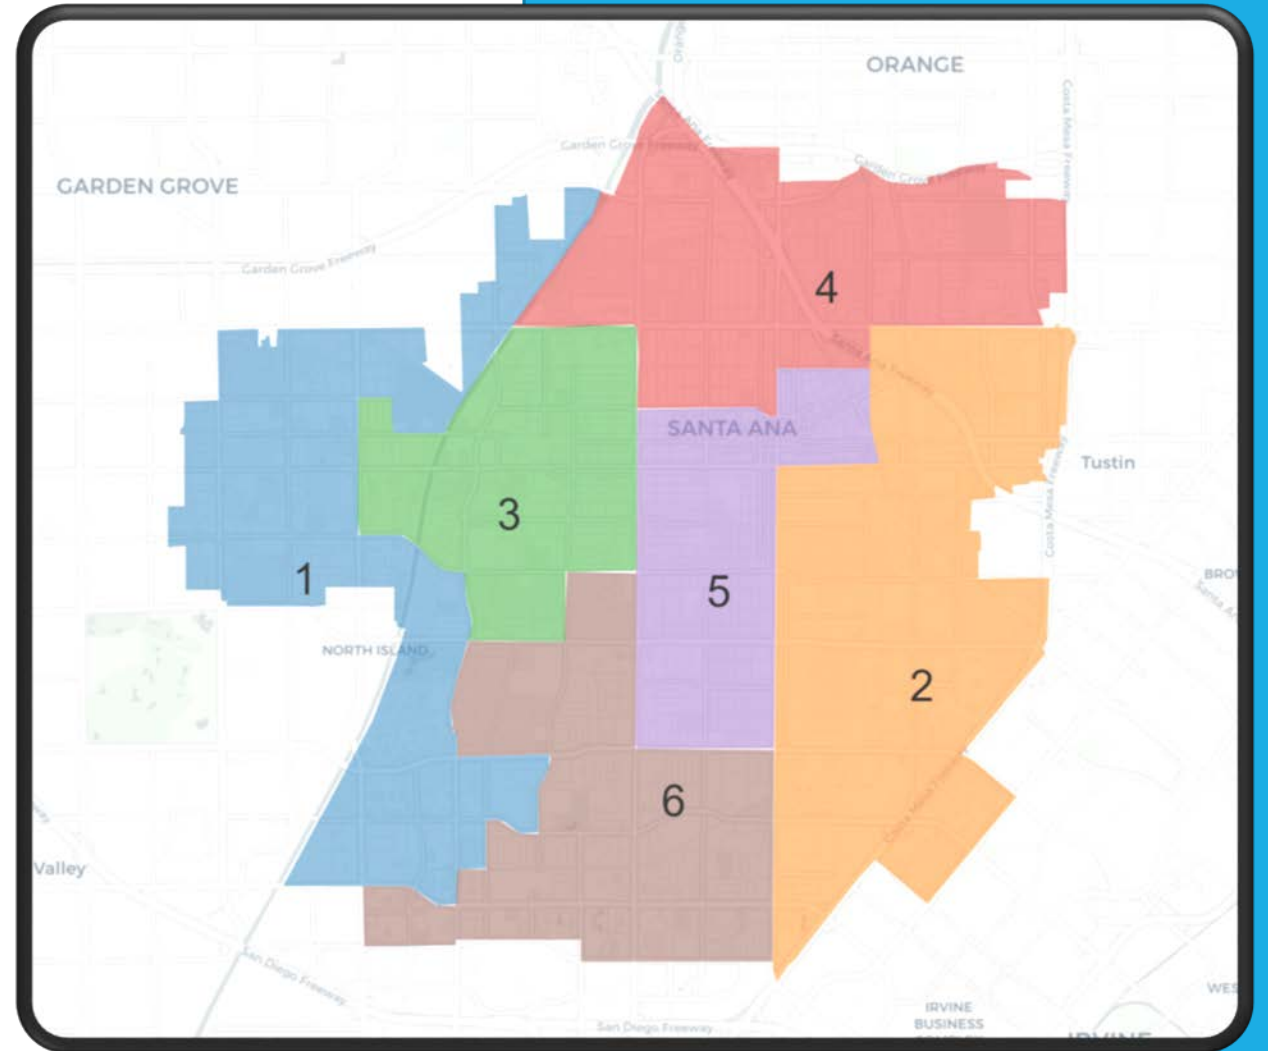

- Community of Interest submissions provided to commission with descriptions provided by the public.
- All COI submissions are available on DistrictR site with points of interest and descriptions.
- Communities of Interest used to develop draft plans based on commission direction.

Public Submissions

In addition to PDF maps of all submissions, there are also web maps provided.

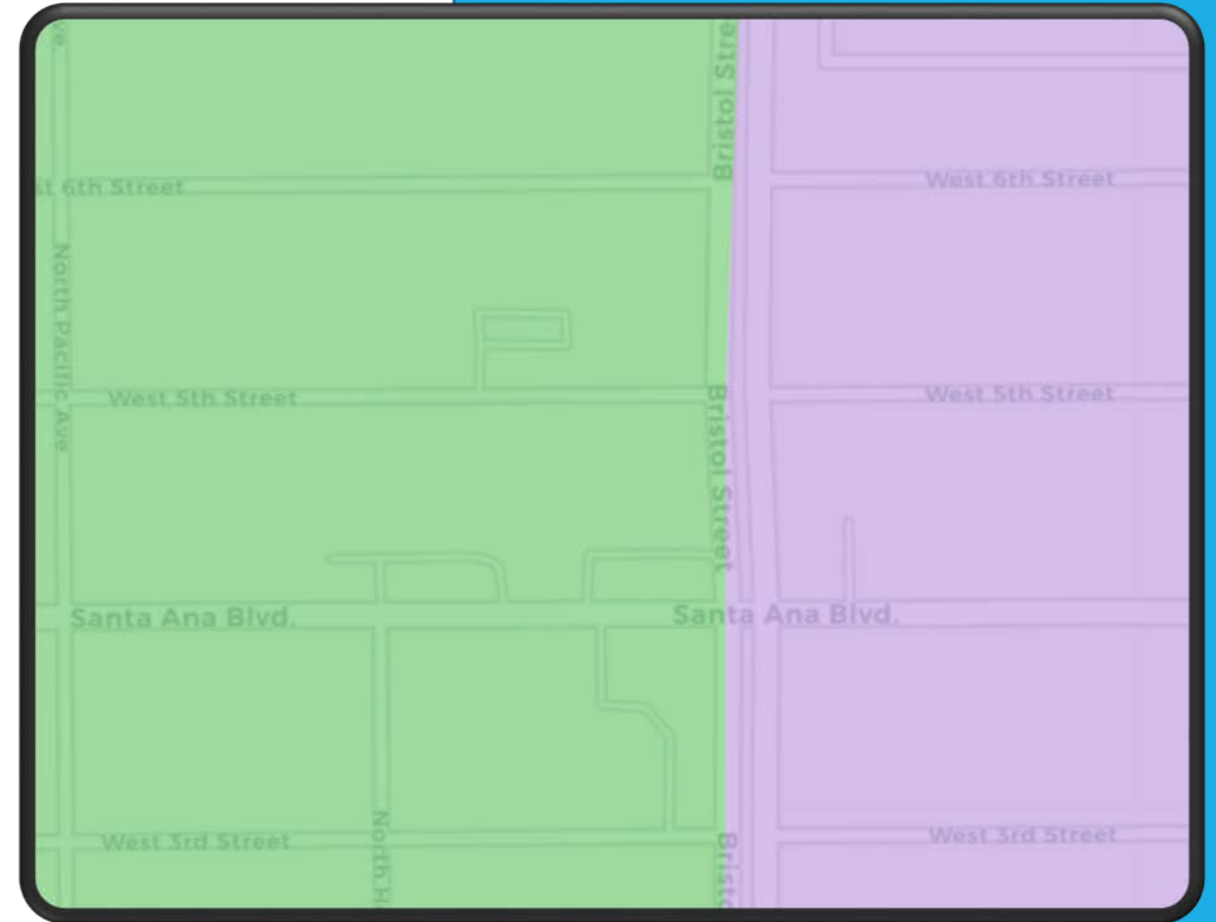

These allow the user to zoom in to street level for a closer inspection.

Public Submissions

In addition to PDF maps of all submissions, there are also web maps provided.

These allow the user to zoom in to street level for a closer inspection of where ward lines are placed.

Public Map Plan Submissions

Placing Public Plans into Mapping Schools

To date, there have been 27 public plan submissions through DistrictR and through electronic submittal. These plans can be categorized as follows:

- Non-compliant maps due to non-contiguity or population-imbalance (total deviation above 10%)
- Major Streets
- Compact
- Multiple Central Wards
- Follow McFadden for Southern Wards
- Other Major Changes to current plan
- VietRISE Plans

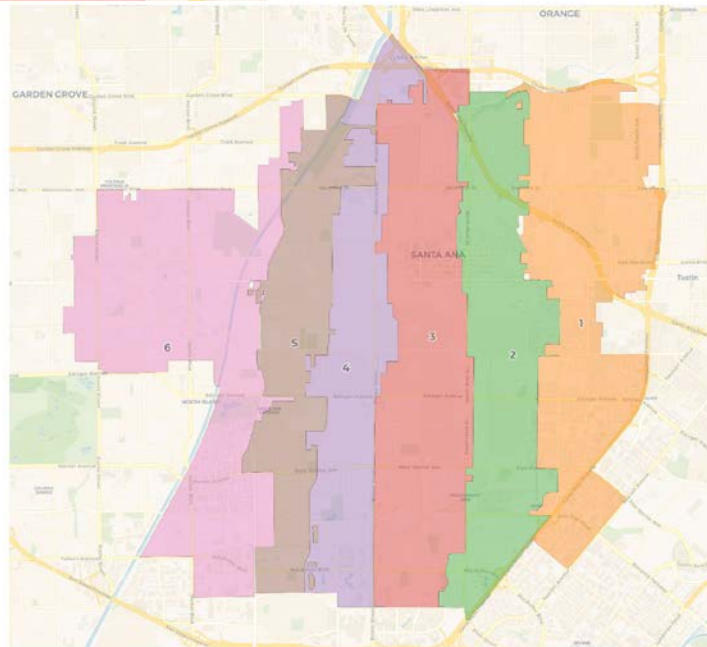

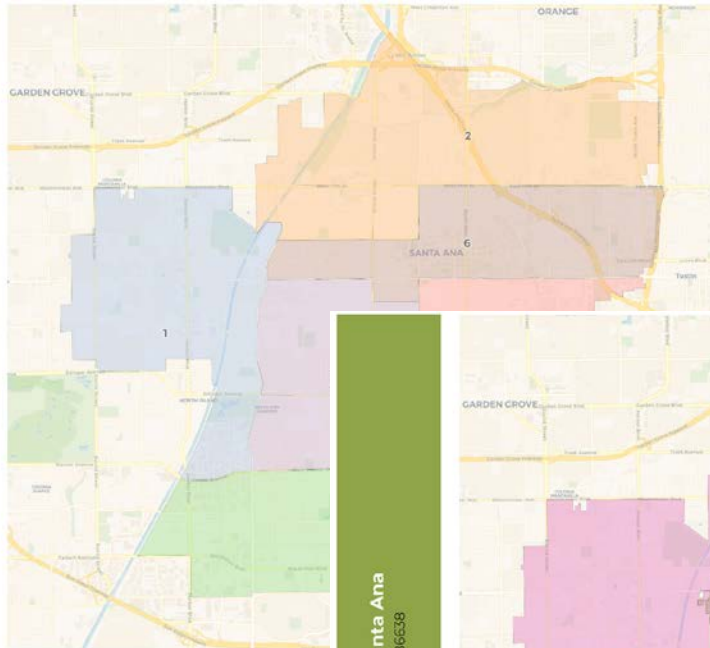

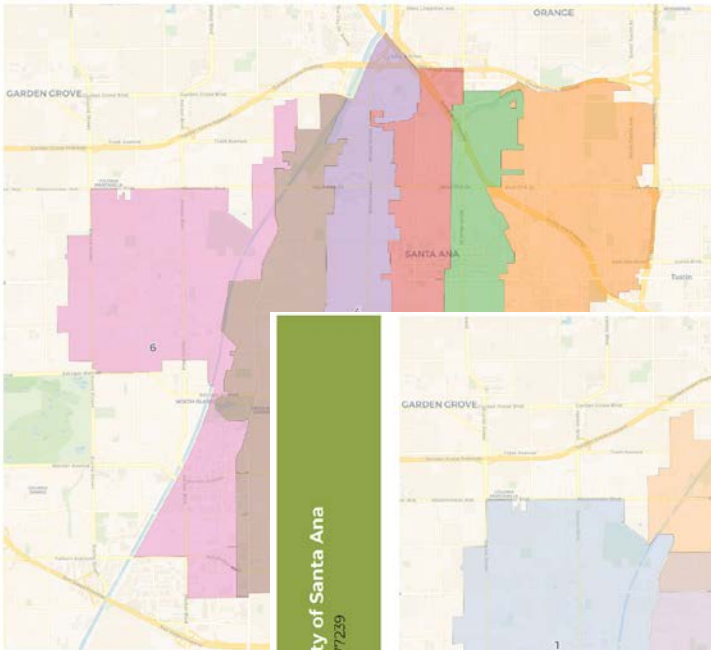

Of the public plans submitted through DistrictR only one created an Asian plurality ward

COI Map Report

The Submitted COI Map Report provides COI and Draft Map public submissions, COI testimony from public workshops and themes from publicly submitted maps with the following summary data:

- Submission date
- Thumbnail image of plan
- Name and ID# of public submission
- Public testimony for COI maps
- Themes for submitted draft maps

REDISTRICTING PARTNERS

City of Santa Ana | Submitted Public Plans Report

The following 16 plans are publicly submitted plans that have been unchanged from the files pulled from the city's instance of DistrictR. For a map to be in compliance it must have contiguous districts, a deviation no more than 10% and one Asian plurality district.

Plan ID	Submitted	Complete	Deviation	Notes	Contiguous	Compliant
70404	Submitted: October 26, 2021	Yes	8.4%	Not in compliance due to lack of Asian plurality district and noncontiguous districts	Yes	No
70524	Submitted: October 26, 2021	Yes	8.4%	Not in compliance due to lack of Asian plurality district and noncontiguous districts	Yes	No
70537	Submitted: October 26, 2021	Yes	2.5%	Not in compliance due to lack of Asian plurality district	Yes	No

Plans Report

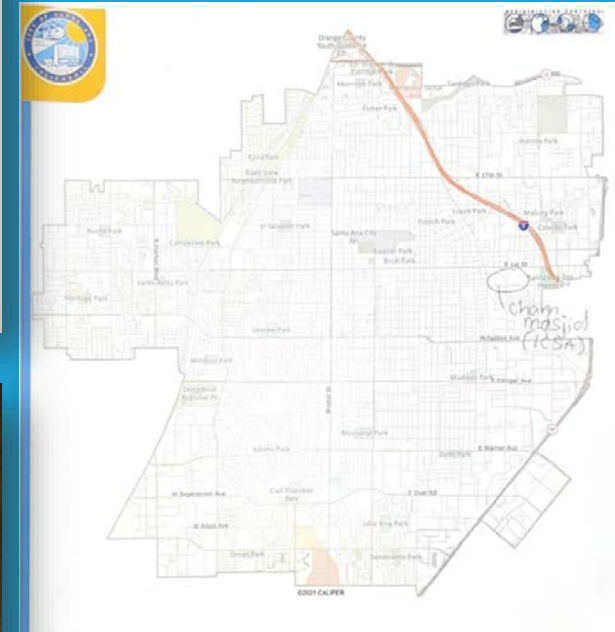

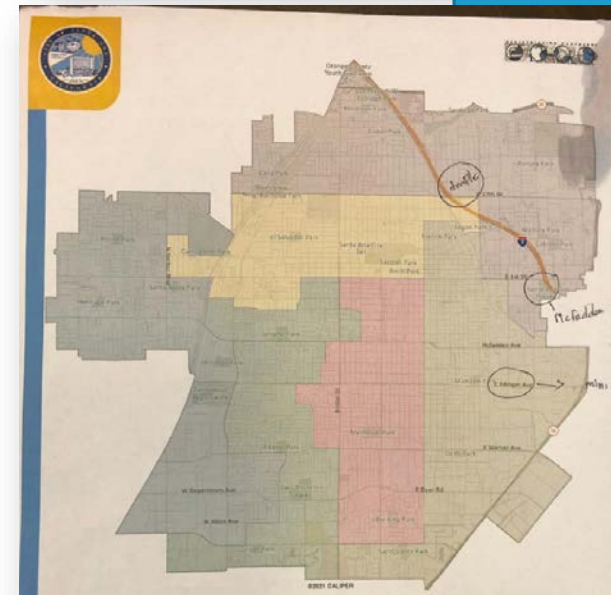

Plans unchanged from the files pulled from the city's instance of DistrictR.

Submitted	Notes
Submitted: October 7, 2021	Hispanic Mexican Spanish speaking population
Submitted: November 13, 2021	businesses and historical homes with historical interests
Submitted: November 15, 2021	Neighborhood of Cambodian (mono-lingual) Khmer community Islamic Center of Santa Ana Important place of worship for Muslim community (founded by Cambodian/ Cham refugees that fled the Khmer Rouge Genocide) The Cambodian Family Community Center A local Khmer speaking Community Social Service Non-Profit founded by survivors of the Khmer Rouge Genocide.

Placemats

To date, there have been 18 Community of Interest placemats received by staff and are on the website. These plans can be categorized as follows:

- Sullivan Community
- Temple, McFadden and Mini St
- Cham, speaking community

Community of Interest Forms

The Community of Interest forms filled out by the public and received by staff are on the website

- The city received 31 Community of Interest responses

City of Santa Ana Redistricting Process Public Comment Form on Communities of Interest

Input from the public is critical to help inform the Mayor and City Council about your Community of Interest. The City of Santa Ana has prepared this Public Comment Form to provide the public with a way of submitting information on characteristics that may define your Community of Interest.

The concept of protecting Communities of Interest is to draw boundaries in a manner that preserves communities that share common interests and that should be included within a single ward for purposes of their effective and fair representation. There are many types of common interests that may identify a Community of Interest. For example, communities may be defined by the location of geographic boundaries or features, such as a residential subdivision, parks, lakes, mountains or freeways. Communities may share a common culture or language. Communities may be defined by their neighborhood, or by the location of cultural, religious or educational institutions. Certain public services, like public schools and public transit may also help define a community.

If you would like the Mayor and City Council to consider a particular Community of Interest, we invite you to complete and submit a Public Comment Form, to speak at a public hearing or to submit your written comments to the City. All personal information listed on this form is **voluntary** and will become a part of the City of Santa Ana's public record. The public is not required to fill out all of the questions below, but the more information the City gathers, the better informed the process of redrawing City Council ward boundaries will be.

Name: _____ Date: 8/30/2021

Email or phone number: _____

What is the name of the neighborhood where you reside? _____

How do you describe your community to someone who hasn't visited? What streets/boundaries define your community? _____

What are the major cultural/recreational/educational/religious institutions in your community? _____

Does your community have major geographical boundaries/features (freeways, parks, lakes, mountains)? _____

Do you have concerns about the current boundaries of your Ward? _____

Other Comments: _____

Draft Plans A, A2, D, & E

Council Members were provided a packet with four consultant created plans based on traditional redistricting criteria, COI testimony and amendments from the council. These maps were posted to the City's website for the public prior to Draft Map hearing.

- Wards are letters, not numbers. This is a temporary structure for identifying seats as the final draft plan is required to be numbered based on a formula in the charter.
- Each draft has been created with a less than 10% total deviation.

Plan A

Plan meets traditional redistricting criteria and also achieves the following:

- Deviation of % 8.5
- Creates four wards that are 50%+ Latino Citizen Voting Age Population in “B”, “D”, “E” & “F”
- Creates an Asian influence district in District A at 42.4%

Plan A

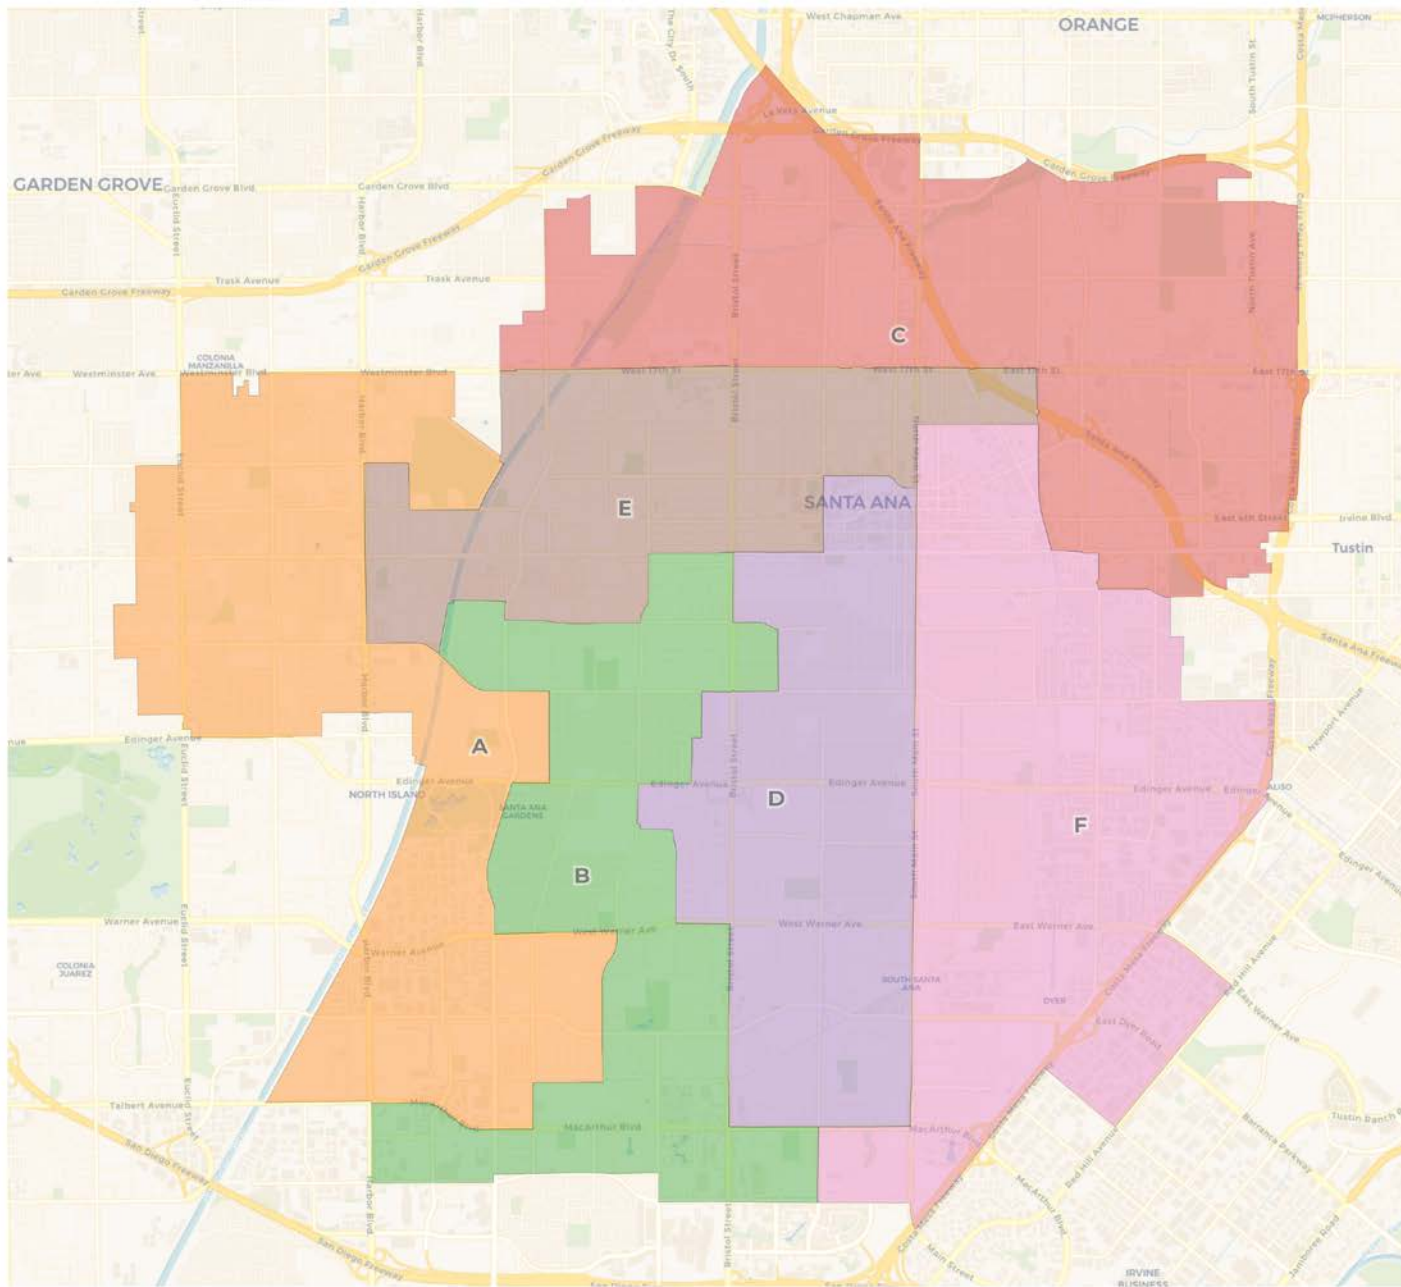

Plan meets traditional redistricting criteria and also achieves the following:

- Uses existing lines as base
- Adjusts for population growth
- Follows major streets

Plan A

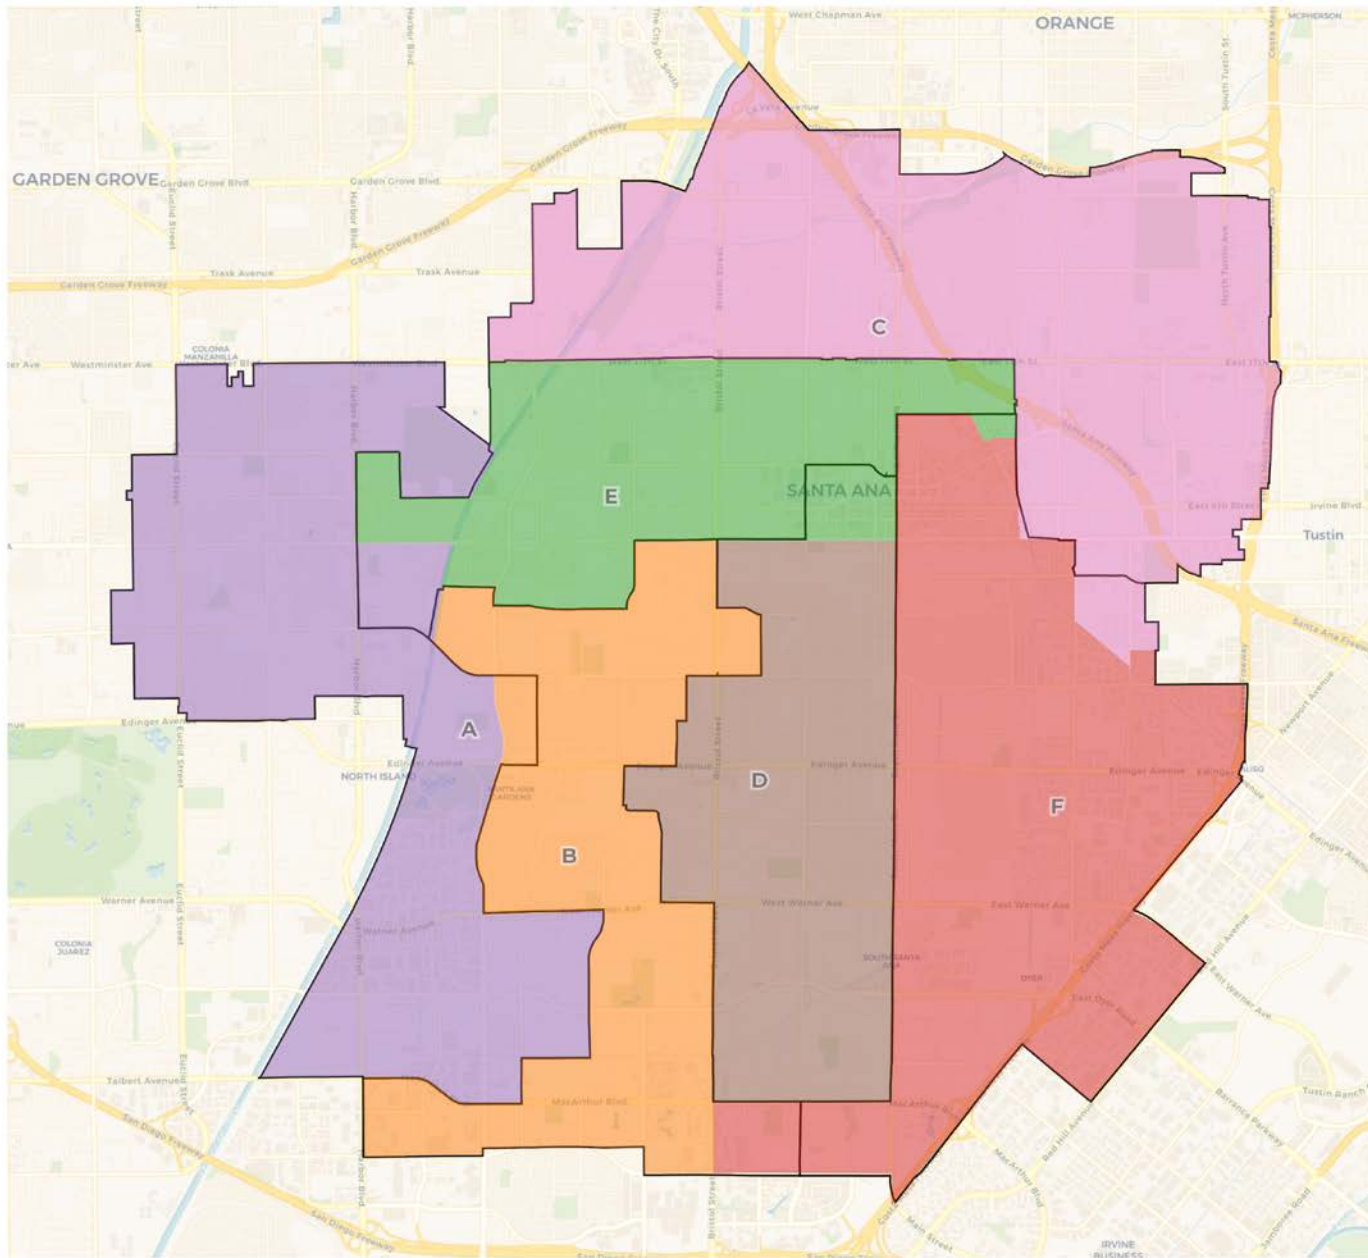

Plan meets traditional redistricting criteria and also achieves the following:

Plan A2

Plan meets traditional redistricting criteria and also achieves the following:

- Deviation of 7.4%
- Creates four wards that are 50%+ Latino Citizen Voting Age Population in “B”, “D”, “E” & “F”
- Creates an Asian plurality ward in Ward A at 42.9%

Plan A2

Plan meets traditional redistricting criteria and also achieves the following:

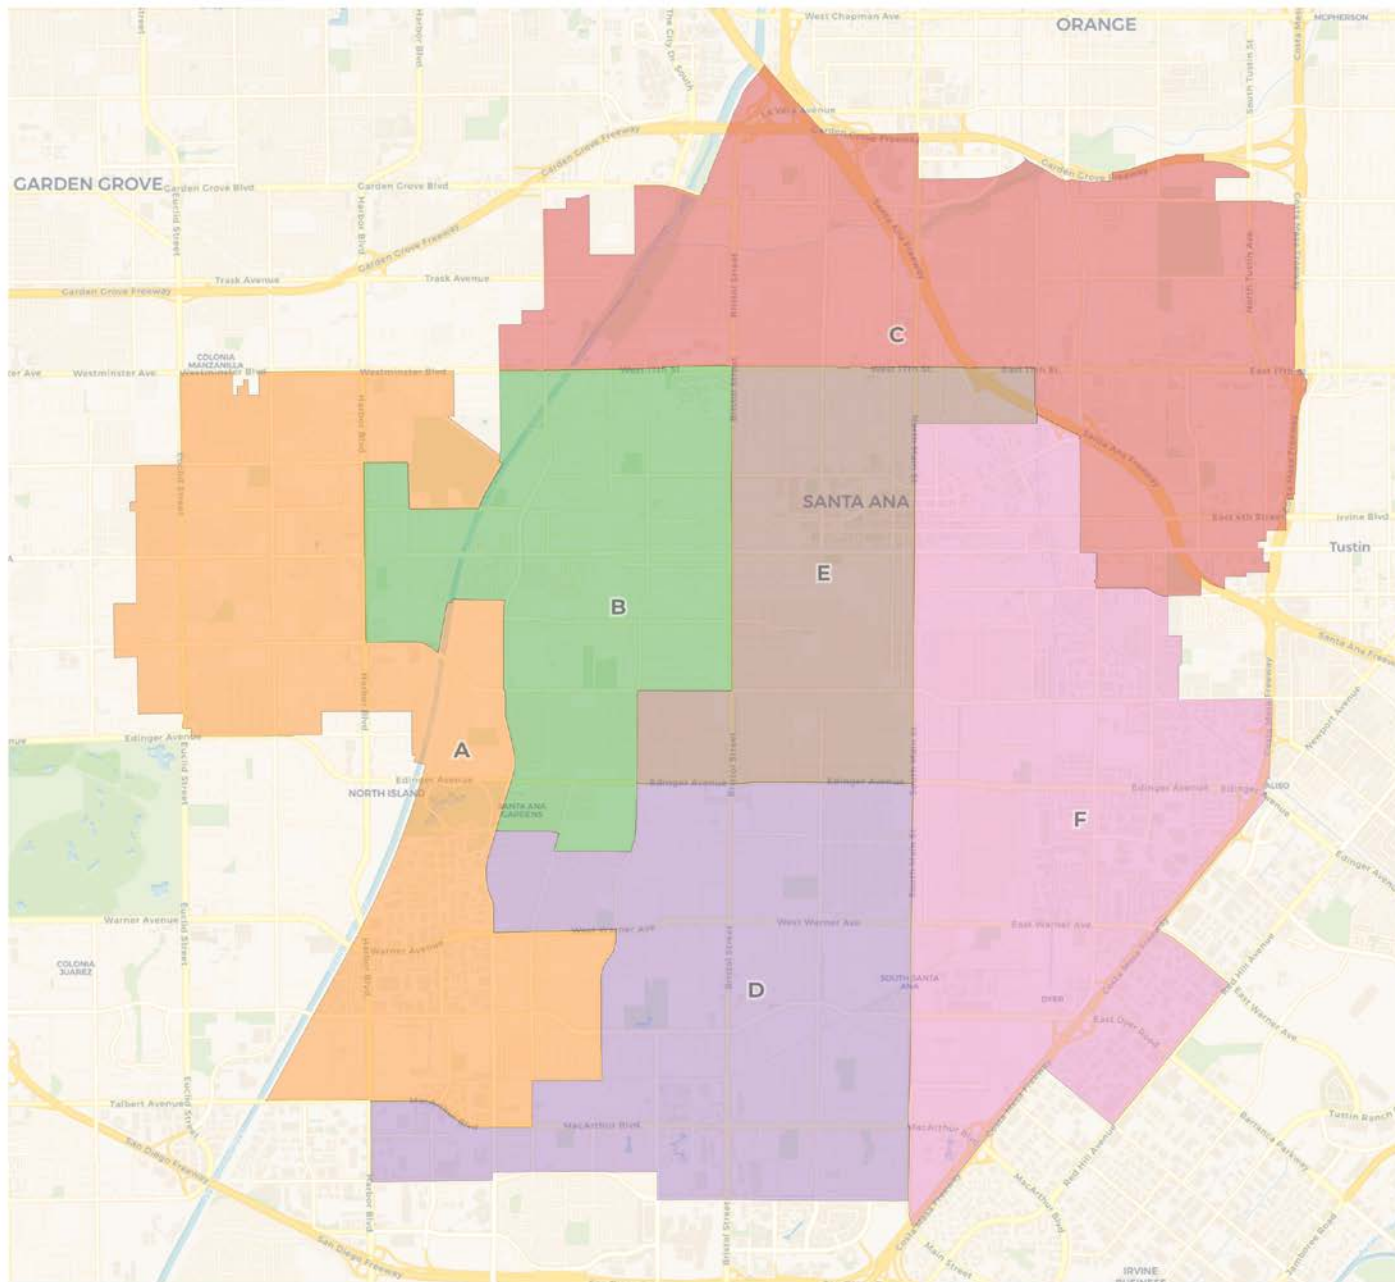

- Uses Draft Plan A as base
- Adjusts for population growth
- Follows major streets

Plan A2

Neighborhood Lines overlay

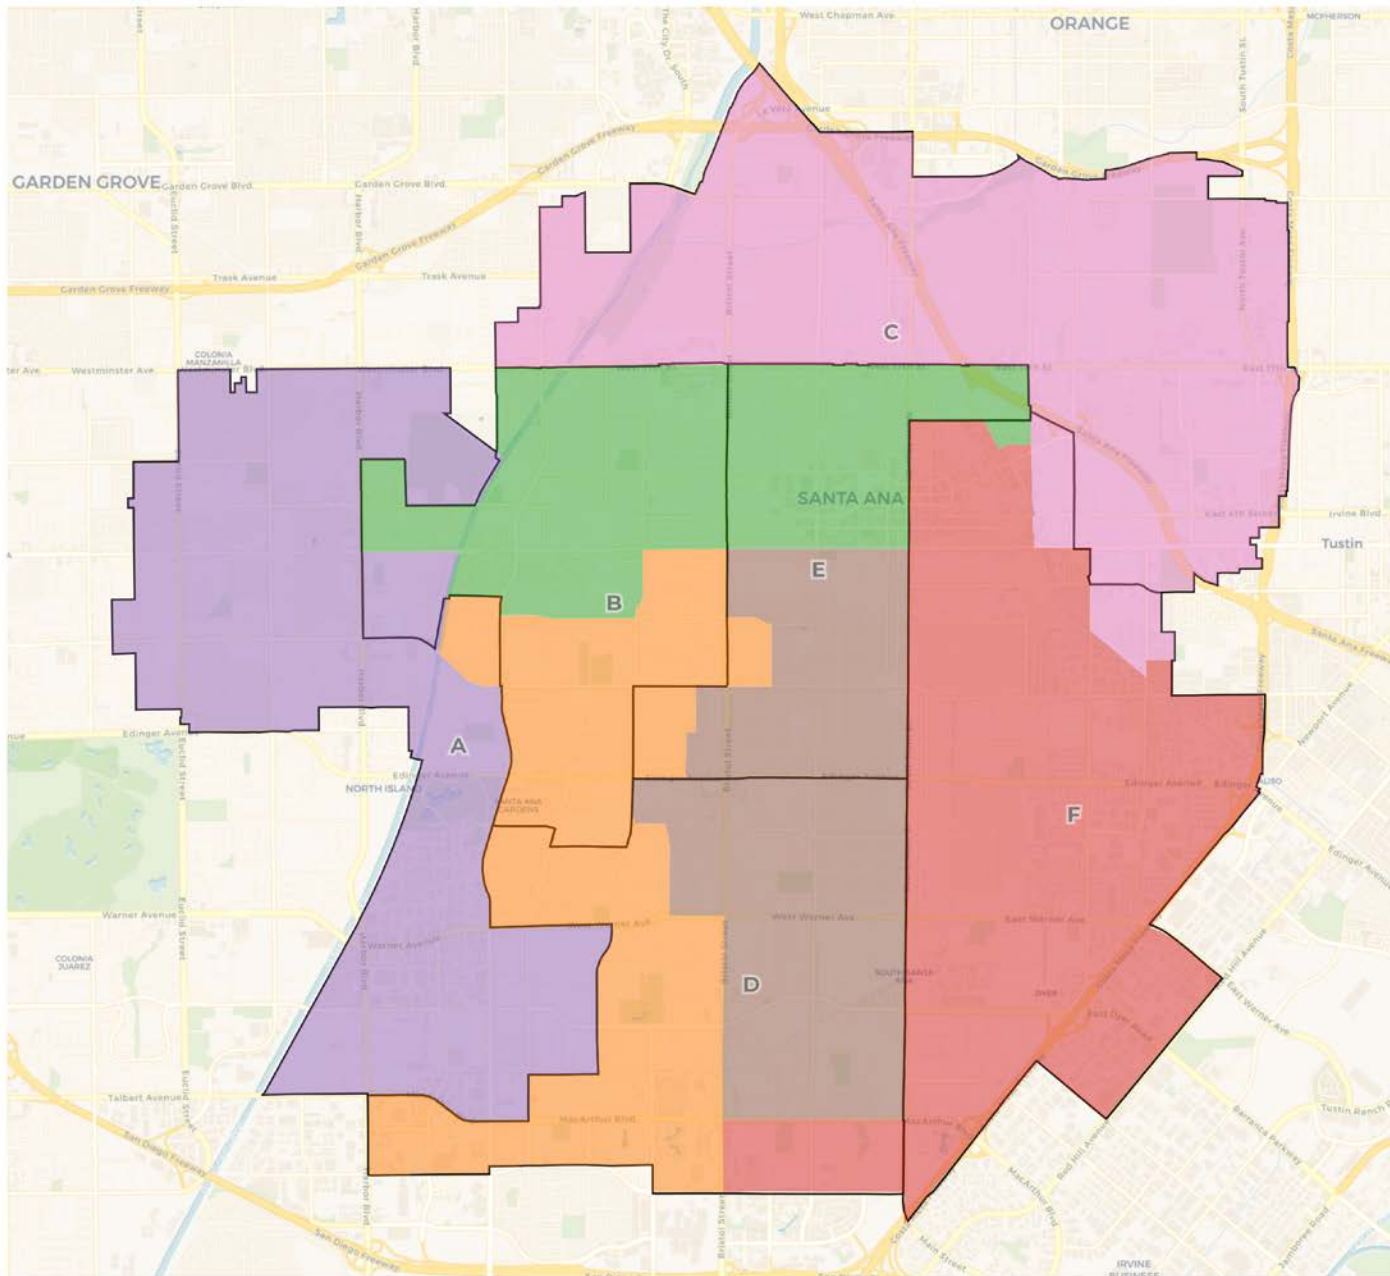

- Moves DA boundary from 1st and Santa Ana River to S Harbor Blvd and McFadden Ave
- Move DA boundary from Fairview to S Sullivan St
- Move Downtown from DE to DD

Plan D

Plan meets traditional redistricting criteria and also achieves the following:

- Deviation of 9.1%
- Creates four wards that are 50%+ Latino Citizen Voting Age Population in “B”, “D”, “E” & “F”
- Creates an Asian plurality ward in Ward A at 42.8%

Plan D

Plan meets traditional redistricting criteria and also achieves the following:

- Follows Neighborhood lines
- Keeps Northern Neighborhoods together: West Floral Park, Floral Park, Fisher Park, Morrison Eldridge Park and Park Santiago
- Keeps Southern Neighborhoods together: Sandpointe, Republic Homes, Metro Classic, Thornton Park and South Coast

Plan D

Neighborhood Lines overlay

- Keeps the Sullivan Community together
- Keeps Heninger Park, Wilshire Square and Downtown together

Plan E

Plan meets traditional redistricting criteria and also achieves the following:

- Deviation of 8.6%
- Creates four wards that are 50%+ Latino Citizen Voting Age Population in “B”, “D”, “E” & “F”
- Creates an Asian plurality ward in Ward A at 42.8%

Plan E

Plan meets traditional redistricting criteria and also achieves the following:

- Follows Neighborhood lines
- Keeps Northern Communities whole: West Floral Park, Floral Park, Fisher Park, Morrison Eldridge Park, and Park Santiago
- Keeps Southern Communities whole: Sandpointe, Republic Homes, Metro Classic, Thornton Park and South Coast

Plan E

Neighborhood Lines overlay

- Keeps the Sullivan Community together
- Keeps Heninger Park, Wilshire Square and Downtown together

Amendments to Plans

Changes to plans may need balancing and understanding of tradeoffs. Three types of changes.

- 1) Keeps within deviation and doesn't necessitate other changes.
- 2) Identifying a change and a possible tradeoff with that same ward – a “one to one swap”
- 3) Identify a change and a set of wards that involves multiple wards – a “rotation”

Amendments to Plans

If there are proposed changes we can look at those individually and provide input on if they can be achieved easily or require more adjustments.

What's Next

- Official council draft maps will be made public in advance of a citywide public draft feedback meeting
- All council draft plans will go to a final plan selection meeting.
- Final Plan selection meeting will consider only draft plans that have been made public for seven days.
- *Numbering of districts is done at the end of the process*
