DEED OF RELEASE

This Deed of Release (this "Release") is from THE UNITED STATES OF AMERICA, acting by and through the undersigned Regional Director, Pacific West Region, National Park Service, under and pursuant to the power and authority contained in the provisions of the Federal Property and Administrative Services Act of 1949 (63 Stat. 377), as amended (the "Act"), and regulations and orders promulgated thereunder (hereinafter designated "Grantor"), to City of Santa Ana ("Grantee"), and its assigns.

Recitals:

A. Grantor conveyed to Grantee, pursuant to authority delegated by the Secretary of the U.S. Department of the Interior, and as authorized by the Act and regulations and orders promulgated thereunder, 83.62 acres of real property, more or less, located in Santa Ana, County of Orange, California (the "Park Property"), consisting of 21.65 acres as more fully described in the Quitclaim Deed dated June 30, 1977, and recorded in Official Records Book 12326, at Pages 1194 - 1199, together with a portion of land described in a deed dated June 1, 1969 for approximately 60.52 acres filed in Book 9037, pages 694 through 698 of Deeds, records of said County, together with a portion of land described in a deed for 1.43 acres of real property, more or less, as more fully described in the Quitclaim Deed dated _____ and recorded in Official Records Book _____, at Pages _____, filed as instrument number _____, Recorder's Office, Orange County, California (the "Quitclaim Deeds").

B. The Park Property was conveyed to Grantee upon the express condition that the Park Property was to be used exclusively for public park and recreational purposes and certain restrictions were expressly set forth as paragraphs 1 through 8 of the 1977 Quitclaim Deed and paragraphs 1 through 5 of the 1969 Quitclaim Deed and paragraphs 1 through 14 of the _____ Quitclaim Deed (collectively, the "Restrictions").

C. Subsequent to the said conveyance of Park Property, Grantee allowed construction of a community college on a portion of the Park Property, consisting of a tract of approximately 2.42 acres, as more fully described on Schedule 1 attached hereto and made a part hereof (the "Exchange Property"), and seeks to obtain a release of the said condition that the Exchange Property was to be used exclusively for public park and recreation purposes, in exchange for which Grantee would acquire other real property, as more fully described in Schedule 2 attached hereto and made a part hereof, consisting of 3 properties known as **Replacement Property 1)** Raitt-Myrtle St Park, encompassing 1.09 acres more or less of real property and located at the intersection of Raitt and Myrtle Streets, **Replacement Property 2)** 6th and Lacy St. Park, encompassing 0.42 acres more or less, and located at the corner of 6th Street and Lacy Street, and

Replacement Property 3) the Pacific Electric Park site encompassing 1.25-acres more or less, and located at the northeast corner of the intersection of McFadden Avenue and Orange Avenue, (collectively the “Replacement Properties”) and would impose a condition that the Replacement Properties be used exclusively for public park and recreation purposes, as required pursuant to the Act.

D. Grantor and Grantee wish to make the Replacement Properties available to be used exclusively for public park and recreation purposes.

E. The Act authorizes the Secretary of the Interior to release the Exchange Property from the Restrictions if certain conditions are met, which authority has been redelegated to the Director of the National Park Service and the Regional Directors of the National Park Service.

F. The General Services Administration has advised the National Park Service by letter dated July 12, 2021, that it concurs with releasing all Restrictions set forth in the Quitclaim Deeds placed upon the Exchange Property for public park and recreational purposes.

NOW, THEREFORE, the said Regional Director, acting on behalf of the United States of America, does hereby release the Exchange Property from all Restrictions placed upon it in the Quitclaim Deeds, including, without limitation, the requirement that the Exchange Property be used exclusively for public park and recreational purposes. This Release does not affect, and the Exchange Property remains subject to, all legal easements, leases, agreements, rights-of-way, and other restrictions.

All Park Property conveyed in the original Quitclaim Deeds that is not included in the Exchange Property remains subject to the Restrictions in the Quitclaim Deeds, including but not limited to the requirement that it be used for public park and recreation area purposes in perpetuity. This Deed of Release does not convey any right of exclusive use of any areas, including but not limited to parking areas, outside the Exchange Property.

In consideration of the release of the Exchange Property from the Restrictions, Grantee has on this same day entered into a Declaration of Restrictions for each of the three Replacement Properties with the United States of America, acting by and through the Secretary of the Interior, whereby Grantee will pledge certain rights and interests in the Replacement Properties to the United States of America, acting by and through the Secretary of the Interior. SCHEDULE 3**Form of the Declaration of Restrictions**

GSA № Z-Calif-598B,C&D

This Declaration of Restrictions is made by and between the City of Santa Ana, a municipal corporation ("Grantor"), and the UNITED STATES OF AMERICA, acting by and through the Regional Director, Pacific West Region, National Park Service, U.S. Department of the Interior ("Grantee"), pursuant to the Federal Property and Administrative Services Act of 1949 (63 Stat. 377), as amended (the "Act"), and regulations and orders promulgated thereunder.

Recitals:

A. Grantor is the owner of [acres] of real property known as the [site name] and located at [location], within the corporate limits of the City of Santa Ana, as more fully described on Schedule 2 (the "Replacement Property [#]"). For convenience, Replacement Property [#] shall be referred to in the remainder of this document as the "Replacement Property."

B. This Declaration of Restrictions is made in consideration of the Deed of Release dated of even date herewith between Grantee and Grantor relative to 2.42-acres of real property, more or less, located at Centennial Park, and more fully described on Schedule 1.

C. Grantor has agreed to impose on the Replacement Property, for the benefit of Grantee and its successors and assigns, restrictive covenants to ensure that the Replacement Property will be permanently used solely for park and recreational purposes.

Agreement:

NOW THEREFORE, in consideration of the mutual agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby declare, covenant, and agree, for itself and its successors and assigns, that the said Replacement Property shall hereafter and perpetually be held and conveyed subject to the following conditions and restrictions, to-wit:

1. The Replacement Property shall be used and maintained exclusively for public park and recreational purposes in perpetuity as set forth in the program of utilization and plan contained in Grantor's Environmental Assessment, Project Description (EA §1.2.3), dated January 2020, which program and plan may be amended from time to time at the written request of either the Grantor or Grantee, with the written concurrence of the other party, and such amendments will be added to and become a part of the original application (the "Program of Utilization").
2. The Grantor shall, within 6 months of the date of this Declaration of Restrictions, erect and maintain a permanent sign or marker near the point of principal access to the Replacement Property indicating that the Replacement Property is a park or recreation area and has been acquired in substitution for property acquired from the Federal Government through the

Federal Lands to Parks Program of the U.S. Department of the Interior, for use by the general public.

3. The Replacement Property shall not be sold, leased, assigned or otherwise disposed of except to another eligible governmental agency that the Secretary of the Interior approves in writing. Any such disposition shall assure the continued use and maintenance of the Replacement Property for public park or public recreational purposes subject to the same terms and conditions in this Declaration of Restrictions. Any mortgage, lien, or any other encumbrance not wholly subordinate to the interest of the Grantee in this Declaration of Restrictions shall constitute an impermissible disposal. However, this provision shall not preclude the Grantor, its successors and assigns from issuing revenue or other bonds related to the use of the Replacement Property to the extent that such bonds shall not in any way restrict, encumber, or constitute a lien on the Replacement Property. Furthermore, this provision shall not preclude the Grantor from providing related recreation facilities and services compatible with the approved application through concession agreements, permits, and licenses entered into with third parties, provided prior concurrence to such agreements is obtained in writing from the National Park Service.
4. Funds generated on the Replacement Property may not be expended for non-recreational purposes. Until the Replacement Property has been fully developed in accordance with the Program of Utilization, all revenues generated on the Replacement Property must be used for the development, operation, and maintenance of the Replacement Property. After the Replacement Property has been fully developed in accordance with the Program of Utilization, revenue generated by the Replacement Property may be expended on other recreation properties operated by Grantor.
5. From the date of this Declaration of Restrictions, the Grantor, its successors and assigns, shall submit biennial reports to the Secretary of the Interior, setting forth the use made of the Replacement Property during the preceding two-year period, and other pertinent data establishing its continuous use for the purposes set forth above, for ten consecutive reports or as further determined by the Secretary of the Interior.
6. Grantor further covenants and agrees for itself, its successors and assigns, that: (1) any use, operation, program or activity on or related to the Replacement Property will be conducted in compliance with all Federal laws and regulations relating to nondiscrimination, including but not limited to the following laws and regulations as such may be amended from time to time: (a) the regulations of the U.S. Department of the Interior at 43 CFR Part 17, (b) Title VI of the Civil Rights Act of 1964, (c) Title III of the Age Discrimination Act of 1975, (d) Section 504 of the Rehabilitation Act of 1973, and (e) the Architectural Barriers Act of 1968; (2) this covenant shall be subject in all respects to the provisions of said laws and regulations; (3) the Grantor, its successors and assigns, will promptly take and continue to take such action as may be necessary to effectuate this covenant; (4) the United States shall have the right to seek judicial enforcement of this covenant; (5) the Grantor, its successors and assigns, will (a) obtain from each other person (any legal entity) who, through contractual or other arrangements with the Grantor, its successors or assigns, is authorized to provide services or benefits on or in connection with the Replacement Property, a written agreement pursuant to which such other person shall, with respect to the services or benefits which he is authorized to provide,

undertake for himself the same obligations as those imposed upon the Grantor, its successors and assigns, by this covenant, and (b) furnish a copy of such agreement to the Secretary of the Interior or his successor or assign; (6) this covenant shall run with the land hereby conveyed, and shall in any event, without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit of, and in favor of the Grantee and enforceable by the Grantee against the Grantor, its successors and assigns; and (7) the Grantee shall have a right of access to, and entrance upon, the Replacement Property in order to determine compliance with the terms of this conveyance.

7. The Grantor, its successors and assigns, shall indemnify, defend, protect, save and hold harmless the Grantee, its employees, officers, attorneys, agents, and representatives from and against any and all debts, duties, obligations, liabilities, law suits, claims, demands, causes of action, damages, losses, costs, and expenses (including without limitation attorneys' fees and expenses, consultant fees and expenses, expert fees and expenses, and court costs) arising out of any claim for personal injury or property damage (including death, illness, or loss of or damage to real or personal property or economic loss) that relates to the Grantor's failure to comply with the terms of this Declaration of Restrictions or from the use or occupancy of the Replacement Property by the Grantor, its successors, assigns, transferees, or agents.
8. In the event that there is a breach by the Grantor, its successors or assigns, of any of the covenants, conditions, restrictions, and agreements set forth herein, whether caused by the legal or other inability of the Grantor, its successors or assigns, to perform said covenants, conditions, restrictions or agreements, the Grantee will give written notice, with a reasonable time stated therein, of such breach together with the actions required by Grantee in order to cure said breach. In the event Grantor, its successors or assigns, fails to cure such breach within the designated time frame set forth in the written notice, Grantor, for itself, its successors and assigns, covenants and agrees that Grantee shall be entitled to the following alternative remedies:
 - a. Grantor, or its successors and assigns, shall deliver to Grantee a general warranty deed to the Replacement Property and shall allow Grantee the immediate right to reenter and take possession of the Replacement Property. Final acceptance of such deed shall be at the sole option of the Grantee.
 - b. In the event Grantor, its successors and assigns, fails to comply with the remedy provided in Section 8(a) above, Grantor, for itself and its successors and assigns covenants and agrees that Grantee shall have the right to prosecute and complete a Quiet Title and Ejectment action, or other reasonably equivalent appropriate action, in a federal court of competent jurisdiction against Grantor, its successors and assigns and any other party-in-interest to the Replacement Property so that Grantee can acquire title and possession of the Replacement Property. By executing this Declaration of Restrictions, Grantor, for itself and its successors and assigns, hereby confesses judgment to Grantee to enable Grantee to complete such judicial proceedings. In addition, Grantor, for itself and its successors and assigns, agrees to pay Grantee all costs associated with any such judicial proceedings incurred by Grantee in acquiring title and possession of the Replacement Property.
 - c. Until Grantee acquires and accepts title and possession to the Replacement Property at

its sole option and in accordance with the terms of Section 8(a) or 8(b) above, Grantor, for itself and its successors and assigns, covenants and agrees to be fully responsible to provide protection to and maintenance of said property at all times until such time as the title is actually accepted by the Grantee, including the period of any notice of intent to exercise Grantee's rights. Such protection and maintenance shall, at a minimum, conform to the standards prescribed by the General Services Administration in its regulations 41 CFR 102-75.690 as such may be amended.

9. The failure of the Grantee to require in any one or more instances complete performance of any of the conditions or covenants shall not be construed as a waiver or relinquishment of such future performance, but obligation of the Grantor, its successors and assigns, with respect to such future performance shall continue in full force and effect.
10. The National Park Service and any representative it may so delegate shall have the right of entry upon the Replacement Property at all reasonable times to conduct inspections of the Replacement Property for the purposes of evaluating the Grantor's compliance with the terms and conditions of this Declaration of Restrictions.
11.
