

Residential Permit Parking Program Study *RFP Scope of Work*

CITY COUNCIL MEETING
FEBRUARY 1, 2022
STAFF PRESENTATION #3

Permit Parking Background

- Background
- Purpose of permit parking
- Who is eligible?
- How to obtain a permit

On-Going Challenges

- Containing permit parking within reasonable proximity of intrusion sources
- Requests for permit parking within mixed-use blocks
- Permit parking equity issues with multi-family residents
- Guest passes
- Streamlining administration process

Proposed Scope of Work

Consultant will be tasked with the following:

- Analyze all existing permit parking regulations and trends
- Survey other agencies for best practices
- Conduct extensive public outreach
- Develop options and alternatives for improvements

Tentative Schedule

- February - March 2022 – Outreach
- April 2022 – Issue RFP
- July 2022 – Study begins
- June 2023 – Complete study
- September 2023 – Implement revisions (if appropriate)

Community Input

Public Works is seeking input, comments and suggestions on items to be included in the proposed Scope of Work.
