

**CITY OF SANTA ANA FY21/22CIP
CAPITAL IMPROVEMENT PROJECT WORKSHEET**

PROJECT TITLE:

*Stormwater Channel Fencing
Upgrades Ph II*

PROJECT CATEGORY:

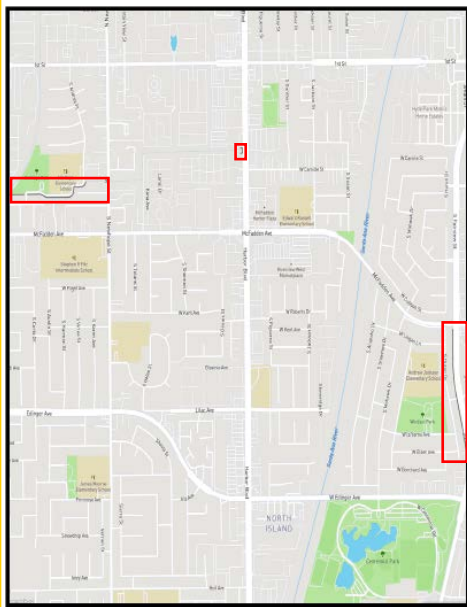

*Utility/Drainage/Lighting
Improvements
Storm Drain/Water Quality*

PROJECT DESCRIPTION:

*Installation of new secure fencing along City-owned stormwater
channels.*

PROJECT NEED:

*Existing chain link fencing is dilapidated and subject to trespassing.
The installation of the new secure fencing will reduce water pollution,
enhance public safety, and improve the aesthetics of stormwater
channels.*
