

RESOLUTION NO. 2022-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA ANA ESTABLISHING THE APPROPRIATION LIMIT OF THE CITY OF SANTA ANA FOR FISCAL YEAR 2022-2023

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SANTA ANA AS FOLLOWS:

Section 1. The City Council of the City of Santa Ana hereby finds, determines and declares as follows:

- A. Article XIII B of the Constitution of the State of California, adopted by the voters of the State of California in 1979, imposes upon State and local government the obligation to limit each fiscal year's appropriations to those established in fiscal year 1978-79 as adjusted for by inflation and population, together with other specified changes required or permitted.
- B. In June of 1990, the voters of the State of California approved Proposition 111, which amended Article XIII B to establish the limit originally calculated for fiscal year 1986-87 as a new adjustment base, and to change the definition of the cost of living to be either the percentage change in California per capita personal income from the preceding year or the percentage change in the local assessment roll from the preceding year for the jurisdiction due to the addition of local non-residential new construction.
- C. Proposition 111 further modified Article XIII B requirements by making certain capital outlay, debt service, emergency and court ordered expenditures not subject to the limit, and by allowing expenditures in excess of one year's limit to be offset by under expenditures in an immediately following year.
- D. The City of Santa Ana has opted to use as the inflation adjustment factor, the percentage change in the California per capita personal income from the preceding year.
- E. The City of Santa Ana has opted to use as the population adjustment factor, the County's percentage change in population from the preceding year.
- F. Section 7910 of the Government Code of the State of California requires the governing body of each local jurisdiction each year to, by resolution, establish its appropriations limit and make other necessary determinations for the following fiscal year pursuant to Article XIII B of the California

Constitution at a regularly scheduled meeting or noticed special meeting. Fifteen days prior to the meeting, documentation used in the determination of the appropriations limit and other necessary determinations shall be available to the public.

- G. This matter came before the City Council at its regularly scheduled meeting of June 21, 2022.
- H. The Executive Director of the Finance and Management Services Agency of the City of Santa Ana has determined the City's appropriation limit for fiscal year 2022-2023 in accordance with said provisions of the Constitution and laws of the State of California, and the documentation used in the determination has been available to the public since not later than June 6, 2022, in the office of the Executive Director of the Finance and Management Services Agency.

Section 2. Based upon the above referenced facts, and all facts specified in the accompanying Request for Council Action and its attachments, and each of them, the appropriation limit of the City of Santa Ana for fiscal year 2022-2023 is hereby found and determined to be \$1,321,523,319.

Section 3. This Resolution shall take effect immediately upon its adoption by the City Council, and the Clerk of the Council shall attest to and certify the vote adopting this Resolution.
