

## RESOLUTION NO. 2022-XXX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
SANTA ANA ADOPTING A LIST OF PROJECTS TO BE  
FUNDED BY SB 1: THE ROAD REPAIR AND  
ACCOUNTABILITY ACT

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SANTA ANA AS  
FOLLOWS:

**Section 1.** The City Council of the City of Santa Ana hereby finds, determines and declares as follows:

A. Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017, was passed by the Legislature and signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide.

B. SB 1 includes accountability and transparency provisions that will ensure the residents of the City of Santa Ana are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year.

C. The City of Santa Ana must establish a list of all projects to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement.

D. The City will receive an estimated \$7,553,444 in RMRA funding in Fiscal Year 2022-23 from SB 1.

E. This is the fourth year in which the City of Santa Ana is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1.

F. The City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the priorities of the community for transportation investment.

G. The funding from SB 1 will help the City maintain and rehabilitate local streets and roads and provide resources for similar projects in the future.

H. The 2018 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in an good condition and this revenue will help

us enhance the overall quality of our road system and over the next decade will help to maintain streets and roads condition.

I. The SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance, safety, and investing in complete streets will have significant benefits statewide.

**Section 2.** The City of Santa Ana adopts the following list of projects planned to be funded with Road Maintenance and Rehabilitation Account (RMRA) revenues for Fiscal Year 2022-23.

Project Name	Location	Description	Proposed Project Completion date	Estimated Useful Life
<b>Road Projects:</b>				
McFadden Avenue	Harbor Boulevard to Grand Avenue	Road Rehabilitation	12/31/24	20 YR
