

RESOLUTION NO. 2022-XXX

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF SANTA ANA APPROVING CONDITIONAL USE PERMIT NO. 2022-11 AS CONDITIONED TO ALLOW THE ON-PREMISE SALE AND CONSUMPTION OF ALCOHOLIC BEVERAGES (BEER AND WINE) AT ROQUETTE CAFÉ & BISTRO LOCATED AT 201 EAST SANDPOINTE AVENUE, UNIT 150

BE IT RESOLVED BY THE PLANNING COMMISSION OF THE CITY OF SANTA ANA AS FOLLOWS:

Section 1. The Planning Commission of the City of Santa Ana hereby finds, determines, and declares as follows:

- A. Geffroy Samuel (“Applicant”), on behalf of A Street Partners (“Property Owner”), is requesting approval of Conditional Use Permit (CUP) No. 2022-11 to allow the on premise sale and consumption of alcoholic beverages (beer and wine) at a new eating establishment located at 201 East Sandpointe Avenue, Unit 150.
- B. Santa Ana Municipal Code (“SAMC”) Section 41-196 requires approval of a CUP for establishments wishing to sell alcoholic beverages for on-premise consumption.
- C. On July 25, 2022, the Planning Commission held a duly noticed public hearing on CUP No. 2022-11.
- D. The Planning Commission determines that the following findings, which must be established in order to grant a CUP pursuant to SAMC Section 41-638, have been established for CUP No. 2022-11 to allow the on premise sale and consumption of alcoholic beverages at a new eating establishment located at 201 East Sandpointe Avenue, Unit 150.
 - 1. That the proposed use will provide a service or facility which will contribute to the general wellbeing of the neighborhood or community.

The proposed sale of alcoholic beverages for on premise consumption at this location will provide an ancillary service to the eating establishment’s customers by allowing them to purchase alcoholic beverages with their meal. This will benefit the community by providing an eating establishment with an additional and complementary food related amenity. Operational standards applicable to the alcoholic beverage control (“ABC”) license and conditions of approval will mitigate

any potential impacts created by the use and will ensure that the use will not negatively affect the surrounding community.

2. That the proposed use will not, under the circumstances of the particular case, be detrimental to the health, safety, or general welfare of persons residing or working in the vicinity.

The proposed sale of alcoholic beverages for on premise consumption at this location will not be detrimental to the health, safety, or general welfare of persons residing or working in the vicinity because the operational standards applicable to the alcoholic beverage control license and conditions of approval will address any potential negative or adverse impacts created by the use. Roquette Café & Bistro is intended to be a bona-fide restaurant and the addition of alcohol will be ancillary to the main use. All of the operational standards identified in SAMC Sec. 41-196 will apply to this establishment. Therefore, the granting of the CUP will not negatively impact any sensitive land uses that may be nearby.

3. That the proposed use will not adversely affect the present economic stability or future economic development of properties surrounding the area.

The proposed use will not adversely affect the economic stability of the area, but will instead allow the eating establishment to compete with other nearby eating establishments that offer a full selection of alcoholic beverages for sale to their customers. The alcohol license for on premise sale and consumption will benefit individuals working and residing in the surrounding multi-family residential communities, and commercial uses. Moreover, offering the sale and consumption of alcoholic beverages will allow the eating establishment to remain economically viable and contribute to the overall success of the business park, thereby contributing to the overall success of the City.

4. That the proposed use will comply with the regulations and conditions specified in Chapter 41 for such use.

The proposed conditional use permit will be in compliance with all applicable regulations and operational standards imposed on an eating establishment selling alcoholic beverages for on premise consumption pursuant to Chapter 41 of the SAMC. The facility will be maintained as a bona-fide eating establishment, having suitable kitchen facilities and supplying an assortment of foods. Additionally, the eating establishment will utilize less than five percent (5%) of the

gross floor area for display and storage of alcoholic beverages, which is the maximum threshold established by the SAMC. In addition, operational standards will ensure the project remains in compliance with all applicable codes and regulations related to alcohol sales to ensure that the use does not impact neighboring properties or create an attractive nuisance.

5. That the proposed use will not adversely affect the General Plan of the city or any specific plan applicable to the area of the proposed use.

The proposed sale of alcoholic beverages for on premise consumption at this location will not adversely affect the General Plan or any specific plan. The granting of this CUP supports several goals and policies contained in the General Plan. Policy 1.1 of the General Plan Land Use Element encourages development that fosters compatibility between land uses to enhance livability. The eating establishment would be located within a suite previously occupied by similar land uses where request for the ABC License would not alter the nature of the business but rather afford them the opportunity to offer a full-service dining experience. It is not anticipated to introduce new impacts and thus remain consistent with the surrounding environment. Policy 2.6 of the Land Use Element promotes rehabilitation of properties and encourages increased levels of capital investment to create a safe and attractive environment. In line with this policy, the applicant is proposing to make onsite improvements to include new finishes, furnishings, and replacing the existing patio enclosure with a glass and wrought iron railing that would open up the space. Furthermore, Policy 2.7 of the Land Use Element supports land use decisions that encourage the creation, development, and retention of business in Santa Ana. Allowing the business the ability to serve beer and wine will allow Roquette Café & Bistro to enhance business offerings and compete with nearby full-service restaurants that offer similar services and thus support the creation of the new business. Moreover, Policy 4.1 of the Land Use Element supports developments that promote complete neighborhoods by encouraging a mix of complementary uses, community services, and people place within a walkable area. Approval of this CUP would promote the success of the eating establishment that would offer various goods within a walkable distance for employees or neighboring residents.

Section 2. In accordance with the California Environmental Quality Act (CEQA) and the CEQA Guidelines, the project is categorically exempt from further review per Section 15301 (Class 1 – Existing Facilities). Class 1 exemption applies to the operation,

repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project proposes to allow the operation of an alcoholic beverage control license to sell alcoholic beverages at a bona-fide eating establishment. As such, a Notice of Exemption, Environmental Review No. 2022-49, will be filed for this project.

Section 3. The Applicant shall indemnify, protect, defend and hold the City and/or any of its officials, officers, employees, agents, departments, agencies, authorized volunteers, and instrumentalities thereof, harmless from any and all claims, demands, lawsuits, writs of mandamus, referendum, and other proceedings (whether legal, equitable, declaratory, administrative or adjudicatory in nature), and alternative dispute resolution procedures (including, but not limited to arbitrations, mediations, and such other procedures), judgments, orders, and decisions (collectively "Actions"), brought against the City and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof, that challenge, attack, or seek to modify, set aside, void, or annul, any action of, or any permit or approval issued by the City and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof (including actions approved by the voters of the City) for or concerning the project, whether such Actions are brought under the Ralph M. Brown Act, California Environmental Quality Act, the Planning and Zoning Law, the Subdivision Map Act, Code of Civil Procedure sections 1085 or 1094.5, or any other federal, state or local constitution, statute, law, ordinance, charter, rule, regulation, or any decision of a court of competent jurisdiction. It is expressly agreed that the City shall have the right to approve the legal counsel providing the City's defense, and that Applicant shall reimburse the City for any costs and expenses directly and necessarily incurred by the City in the course of the defense. City shall promptly notify the Applicant of any Action brought and City shall cooperate with Applicant in the defense of the Action.

Section 4. The Planning Commission of the City of Santa Ana, after conducting the public hearing, hereby approves Conditional Use Permit No. 2022-11, as conditioned in Exhibit A, attached hereto and incorporated herein, for the project located at 201 E. Sandpoint Ave, Unit 150. This decision is based upon the evidence submitted at the above-referenced hearing, including but not limited to: The Request for Planning Commission Action dated July 25, 2022, and exhibits attached thereto; and the public testimony, written and oral, all of which are incorporated herein by this reference.

9. Violations of the Conditional Use Permit as contained in Section 41-647.5 of the Santa Ana Municipal Code will be grounds for permit suspension and/or revocation as described in Section 41-651 of the Santa Ana Municipal Code.

- f) The maintenance agreement shall further provide that any party responsible for complying with its terms shall not assign its ownership interest in the property or any interest in any lease, sublease, license or sublicense, unless the prospective assignee agrees in writing to assume all of the duties, obligations and responsibilities set forth under the maintenance agreement;
