

**CITY OF SANTA ANA FY22/23CIP
CAPITAL IMPROVEMENT PROJECT WORKSHEET**

PROJECT TITLE:

Flower Street Bike Trail Renovation from Crossover (South of Dyer Road) to Warner Avenue.

PROJECT CATEGORY:

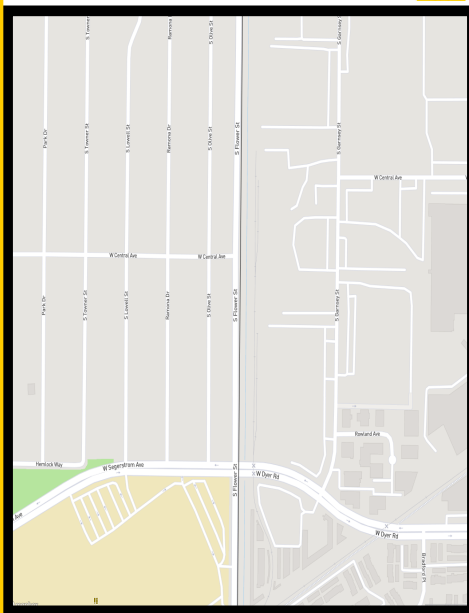

*City & Park Facility Improvements
Park Facility*

PROJECT DESCRIPTION:

The City wishes to undertake improvements along the Flower Street Bike Trail between Warner Avenue and the Railroad Crossover (South of Dyer Road). There is damage to this section of the trail caused by tree roots cracking and uplifting the surface. Improvements include installation of a three-inch layer of asphalt, tree root maintenance, new pedestrian lighting, and signage and striping.

PROJECT NEED:

Due to usage and time, the Flower Street Bike Trail has become very uneven due to tree root growth and pot holes. The trail needs to be resurfaced.
