NOTICE OF PUBLIC HEARING BEFORE THE SANTA ANA PLANNING COMMISSION

The City of Santa Ana encourages the public to participate in the decision-making process. We encourage you to contact us prior to the Public Hearing if you have any questions.

Planning Commission Action: The Planning Commission will hold a Public Hearing to receive public testimony, and will make a recommendation on the item described below. Their recommendation will be forwarded to the City Council at a later date for final determination.

Project Location: The City of Santa Ana, encompassing 27.3 square miles in Central Orange County.

Project Applicant: City of Santa Ana (Ricardo Soto, Senior Planner)

Proposed Project: The City of Santa Ana is proposing to update several sections of Chapter 41 (Zoning) of the Santa Ana Municipal Code (SAMC) to address family daycare facilities; regional planned sign program regulations for institutional uses (schools, hospitals, etc.); define and prohibit short term rentals; require conditional use permits for massage establishments; permit retail uses in industrial zoning districts; update trash bin enclosure standards; make clarifications to the Urban Lot Split and Two-Unit Development standards; require a conditional use permit for uses located within 500 feet of sensitive land uses that require a regional, state, or federal agency approval of a permit to discharge air emission or to process or store hazardous waste; define various office uses; define and regulate electric fences in industrial zones; and make clarifications to the code section regulating light processing facilities. The proposed changes would apply citywide.

Environmental Impact: Pursuant to the California Environmental Quality Act ("CEQA") and the state CEQA Guidelines, the adoption of this Ordinance is exempt from CEQA review pursuant to Sections 15060(c)(2) and 15060(c)(3) of the State CEQA Guidelines because it will not result in a direct or reasonably foreseeable indirect physical change in the environment, as there is no possibility it will have a significant effect on the environment and it is not a "project", as defined in Section 15378 of the CEQA Guidelines. As a result, a Notice of Exemption, Environmental Review No. 2022-73 will be filed upon adoption of this ordinance.
