RECITALS

A. Orange County Electrical Joint Apprenticeship Trust is the owner of certain property located within the City of Santa Ana, County of Orange, State of California, commonly known as 717 S. Lyon Street, Santa Ana, California, and legally described as set forth in Exhibit A attached hereto and incorporated herein by this reference as if set forth in full (“Property”).

B. Developer has entered into a purchase and sale agreement with the property owner, which provides that the Property will be transferred from the property owner to Developer after the approval of entitlements for the Project.

C. Developer is proposing to develop a community composed of fifty-one (51) single-family attached townhome condominiums, eight (8) of which are proposed as low-income affordable units, on the Property, as more particularly set forth in Density Bonus Application No. 2022-03 (“Project”). Without the density bonuses, Developer would only be permitted to build thirty-five (35) units on the Property.

D. Santa Ana Municipal Code sections 41-1600, *et seq.* (“City Density Bonus for Affordable Housing”), and California Government Code sections 65915, *et seq.* (“State Density Bonus Law”), set forth a process to provide increased residential densities to property owners who guarantee that a portion of their residential development will be available to low income, very low-income, or senior (also known as “qualified”) households. These regulations are intended to materially assist the housing industry in providing adequate and affordable housing for all economic segments of the community and to provide a balance of housing opportunities for very low-income, low income and senior households throughout the city.

E. The Project is proposing a total number of fifty-one (51) condominiums that will be single-family attached townhomes, eight (8) of which are proposed as low-income affordable units. The Project will provide 105 onsite parking spaces or 2.1 spaces per unit. No parking concession is requested or provided. All condominiums are planned to be sold; none will be operated by Developer as rental properties.

F. The Project complies with the affordable housing requirements set forth in the State Density Bonus Law, City Density Bonus for Affordable Housing, and the City's Affordable Housing Opportunity and Creation Ordinance. For purposes of this Agreement, the Project shall be the "housing development" as defined in the State Density Bonus Law.

G. In light of the purpose of the State Density Bonus Law and City Density Bonus for Affordable Housing, and the express provisions of Government Code Section 65915(d)(2)(A), the City has determined to grant Developer's application for one concession and three waivers.

H. This Agreement, and the exhibits attached hereto and incorporated herein by reference, is intended to set forth the terms and conditions for the implementation of the Project's requirement to provide affordable housing units in exchange for receiving the Density Bonus Units and additional concessions and waivers set forth herein.

Pursuant to Government Code section 65915(f)(1), Developer's 23% in Low-Income Affordable Units provides a 46.25% density bonus. Developer understands and agrees that Developer is utilizing a 46.25% density bonus increase provided by the State Density Bonus Law (35 Base Units x 46.25% = 16 State Density Bonus Units) for a total of 51 units. Developer shall not construct or develop, or otherwise claim a right to construct or develop, more than sixteen (16) State Density Bonus Units on the Property.

Any changes to the Project shall be reviewed by the City to determine compliance with this Agreement. The commencement date for each Affordable Unit is the date that a deed is recorded conveying the Affordable Unit from Developer to a member of the homebuying public. Developer shall deliver a copy of each grant deed to the City so that the City has a record of the commencement date for each Affordable Unit.

3.3 Levels of Affordability.

3.3.1 Low Income Households. Developer covenants that no less than eight (8) Affordable Units in the Project during the Density Bonus Housing Agreement Term will be built and initially sold or conveyed to, or preserved for Low-Income Households.

4.2 Recording of Documents. No later than issuance of building permits for the Project, Developer and the City shall record or cause to be recorded in the Official Records for Orange County, California, an executed original of this Agreement. City shall cooperate with Developer in promptly executing in recordable form this Agreement. The date of recording of the Agreement shall be the Effective Date of the Agreement (“Effective Date”). Upon the date of recording, the terms and conditions of this Agreement shall be binding upon and run with the Property and the Project. It is the express intent and agreement between the Parties that this Agreement shall remain binding and enforceable against the Property, the Project, and the Affordable Units to ensure compliance with the State Density Bonus Law and City Density Bonus Law. It is the express intent and agreement between the Parties that this Agreement shall remain binding and enforceable against the Affordable Units to ensure the continued supply of Affordable Units in the Project, except as expressly set forth in this Agreement.

4.3 Sale of Units. Upon the completion of construction of each Affordable Unit in the Project and receipt by Developer of all required permits for the occupancy of the Units, Developer shall sell or convey each Affordable Unit for the Total Affordability Term for such Affordable Unit in accordance with the terms and conditions set forth in this Agreement, which provide among other terms and conditions for the sale or resale of each Affordable Unit to an Eligible Household for the Total Affordability Term.

Agreement be used as a townhome complex. All of the community facilities and any social programs provided to the Project's residents shall be available on an equal, nondiscriminatory basis to residents of all Units at the Project.

4.6 Maintenance. Developer shall, at all times during the term of this Agreement, cause the portion of the Property and the Project that Developer owns to be maintained in a decent, safe and sanitary manner, regardless of cause of the disrepair, to the extent commercially reasonable. Developer shall, prior to the first close of escrow for sale of any Unit, form a homeowners association that will, at all times during the term of this Agreement, cause the Project to be maintained in a decent, safe and sanitary manner, regardless of cause of the disrepair, to the extent commercially reasonable. City, and any of its employees, agents, contractors or designees shall have the right to enter upon the Property at reasonable times following not less than -forty-eight (48) hours' prior written notice and in a reasonable manner to inspect the Project. Notwithstanding the foregoing, City acknowledges and agrees that the priority of any such lien shall be deemed to be the date such lien is filed, and not the date this Agreement is recorded.

4.6.1 Property Maintenance Agreement. Subject to review and applicability by the Planning and Building Agency (the "PBA"), the CDA, the Public Works Agency (the "PWA"), and the City Attorney to ensure that the Property and all common area improvements located thereupon are properly maintained, Developer shall execute a maintenance agreement with the City of Santa Ana, prior to occupancy which shall be recorded against the Property and which shall be in a form reasonably satisfactory to the City Attorney. (f) The maintenance agreement shall further provide that any party responsible for complying with its terms shall not assign its ownership interest in the Property or any interest in any lease, sublease, license or sublicense, except as set forth herein or unless the prospective assignee agrees in writing to assume all of the duties and obligations and responsibilities set forth under the maintenance agreement;

(g) The maintenance agreement shall contain provisions relating to the enforcement of its conditions by the City and shall also contain provisions authorizing the City to recover costs and expenses which the City may incur arising out of any enforcement and/or remediation efforts which the City may undertake in order to cure any deficiency in maintenance, repair or upkeep or to enforce any restrictions or conditions upon the use of the Property. The maintenance agreement shall further provide that any unreimbursed costs and/or expenses incurred by the City to cure a deficiency in maintenance or to enforce use restrictions shall become a lien upon the Property in an amount equivalent to the actual costs and/or expense incurred by the City (provided, however, that City acknowledges and agrees that the priority of any such lien shall be deemed to be the date such lien is filed, and not the date this Agreement is recorded); and,

(h) The execution and recordation of the maintenance agreement shall be a condition precedent to the issuance of the Certification of Occupancy.

4.7 Management Plan. Prior to Certificate of Occupancy, Developer shall submit for the reasonable approval of City a “Management Plan” which sets forth in detail the property management duties, a purchaser selection process in accordance with this Agreement, a security system (comprised of security cameras with audio voice down capability) and crime prevention program, the rules and regulations for the Property and manner of enforcement, an operating budget, the identity and emergency contact information of the professional property management company to be contracted with to provide onsite property management services at the Property (“Property Manager”), and other matters relevant to the management of the Property. The Management Plan shall require Developer to adhere to a fair sale and grievance procedure. The

management of the Property shall be in compliance with the Management Plan as approved by City.

If City determines that the performance of the Property Manager is deficient based upon the standards set forth in the approved Management Plan and in this Agreement, City shall provide written notice to the Developer and/or homeowners association, as applicable, of such deficiencies and the Developer and/or homeowners association, as applicable, shall use commercially reasonable efforts to correct such deficiencies. In the event that such deficiencies have not been cured within thirty (30) days, or, if cure is not reasonably possible within 30 days, then unless actions to commence a cure are taken within 30 days and continued thereafter with diligence, City shall have the right to require the Developer and/or homeowners association, as applicable, to immediately remove and replace the Property Manager with another property manager or property management company which is reasonably acceptable to the City Manager, which is not related to or affiliated with Developer, and which has not less than five (5) years' experience in property management, including significant experience managing housing facilities of the size, quality and scope of the Project. 4.9.3 Prior to the sale of an Affordable Unit, Developer shall require the purchaser or cause for the purchaser to be required to complete an Income Verification Form (in substantially the form attached hereto as Exhibit B) certifying that the purchaser buying the Affordable Unit is an Eligible Household and otherwise meet(s) the eligibility requirements established for the Affordable Unit. Developer shall verify the income of the purchaser as set forth herein. Developer and City shall be entitled to rely on the Income Verification Form and supporting documentation provided by purchaser unless Developer or City has knowledge of, or a reasonable basis for belief as to, the inaccuracy or falsehood of any of the supporting documentation.

4.10 Income Verification and Certification.

Developer shall be entitled to rely on the Income Verification Form and supporting documentation provided by purchasers unless Developer has knowledge of, or a reasonable basis for belief as to, the inaccuracy or falsehood of any of the supporting documentation. Developer shall make reasonable efforts to verify or cause to be verified that the income and asset statement provided by an applicant in an income certification is accurate by taking, at a minimum, at least one of the following steps as a part of the verification process: (1) obtain three months consecutive pay stubs for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) obtain an income verification form from the purchasers current employer, (4) obtain an income verification form from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of such agencies, or (5) if the applicant is unemployed and has no such tax return, obtain another form of independent verification.

Prior to the meeting, the energy analyst shall complete an initial energy model based on either current T24 standards or, if the Project is eligible, the California Utility Allowance Calculator using best available information on the Project. To the extent financially feasible for the Project, Developer agrees to incorporate and optimize energy efficient building materials, methods, and amenities.

The rights and remedies of the Parties are cumulative, and the exercise by either Party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party. Notwithstanding anything to the contrary contained in this Agreement, in no event shall either Party be liable for speculative, consequential, punitive or other indirect damages, and each Party waives any right to collect speculative, consequential, punitive or other indirect damages against the other Party.

8. ASSIGNMENT; COVENANTS RUN WITH THE LAND

8.1 Assignment by Developer.

8.1.1 Prohibited Transfers or Assignments. Except as authorized in this Section or Sections 8.1.2 or 8.1.3 below, Developer shall not sell, transfer, or assign the Property or Project in whole or in part, or transfer or assign Developer's rights and obligations in this Agreement, in whole or in part, without City's prior written approval, which shall not be unreasonably withheld, conditioned or delayed ("Permitted Transfer"); provided, however, Developer shall have the right without City's prior written approval to transfer or assign the Property, Project and/or Developer's rights and obligations in this Agreement to any entity that is controlled by, or is under common control with, Developer or Developer's managing general partner, and Developer shall thereafter be released from any future obligations under this Agreement. In connection with Permitted Transfer, Developer shall: (i) notify City in writing of the sale, transfer, or assignment of all or any portion of the Property, and (ii) deliver to City an assignment and assumption agreement (or other agreement) in a form approved by City in its reasonable discretion and executed by Developer and its transferee/assignee pursuant to which Developer's transferee/assignee assumes all of

Developer's covenants and obligations set forth herein with respect to the Property or the portion thereof so transferred. Any request for transfer or assignment of the Agreement by Developer shall require the payment of fees or a deposit to pay for the City's actual, documented expenses to review the request. Upon the delivery of the assignment and assumption agreement as provided for above for a Permitted Transfer, or in the event of a sale of the Property/Project as provided for in this Section 8.1.1, Developer shall be released from any future obligations under this Agreement.

8.1.2 Sale of Property. Developer agrees and declares that the Property and the Project shall be sold, used, occupied, operated, and approved subject to all obligations set forth or incorporated in this Agreement, all of which are for the purpose of enhancing and protecting the value and attractiveness of the Property and the Project. All of the obligations set forth or incorporated in this Agreement shall constitute covenants which run with the land and shall be binding on Developer and its successors and assigns, and all parties having or acquiring any right, title or interest in, or to any part of the Property or Project. Developer further understands and agrees that the Density Bonus permit approvals received for this Project have been made on the condition that Developer and all subsequent owners, or other successors and assigns of the Property and/or Project purchase the Affordable Units in accordance with the terms and conditions stipulated in Sections 4, 5 and 6 of this Agreement for a term of fifty-five (55) consecutive years commencing upon the commencement date described in Section 3.2 above.

8.1.3 Sale of Condominiums; Transfer to Homeowners Association. Developer shall have the right to sell each of the Affordable Units to a qualified household in accordance with this Agreement and the procedures listed in Exhibit C, the Notice of Affordability Restrictions, subject to the City's confirmation of the qualified household. Without the City's prior written approval, Developer shall have the right to sell each of the Unrestricted Units to a member of the homebuying public. Without the City's prior written approval, Developer shall have the right to convey all or a part of the common area of the Project to the homeowners association formed to manage the Project, subject to the City's approval of any CC&R's for the Project.

8.1.4 Subsequent Assignment. As used in this Agreement, the term "Developer" shall be deemed to include any such transferee or assignee after the date such sale, transfer, or assignment occurs in compliance with this Agreement.

8.1.5 Unpermitted Assignments Void. Any sale, transfer, or assignment made in violation of this Agreement shall be null and void, and City shall have the right to pursue any right or remedy at law or in equity to enforce the provisions of the restriction against unpermitted sales, transfers, or assignments.

8.2 Covenants Run with the Land. The Property shall be used, occupied and improved subject to the covenants, conditions, and restrictions set forth herein. The covenants, conditions, restrictions, reservations, equitable servitudes, liens and charges set forth in this Agreement shall run with the Property and shall be binding upon Developer and all persons having any right, title or interest in the Property, or any part thereof, their heirs, and successive owners and assigns, shall inure to the benefit of City and its successors and assigns, and may be enforced by City and its successors and assigns. The covenants established in this Agreement shall, without regard to

technical classification and designation, be binding for the benefit and in favor of City and its successors and assigns, and the parties hereto expressly agree that this Agreement and the covenants herein shall run in favor of City. Furthermore, all of the covenants, conditions, and restrictions contained herein shall also constitute easements in gross running in favor of City. City is deemed the beneficiary of the terms and provisions of this Agreement and of the covenants running with the land, for and in its own right and for the purposes of protecting the interests of the community and other parties, public or private, in whose favor and for whose benefit this Agreement and the covenants running with the land have been provided. Developer hereby declares its understanding and intent that the burden of the covenants set forth herein touch and concern the land and that the Developer's interest in the Property is rendered less valuable thereby. Developer hereby further declares its understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Property by the citizens of City and by furthering the health, safety, and welfare of the residents of City.

9.3.2 Change of Address. Either Party may, by notice given at any time, require subsequent notices to be given to another person or entity, whether a party or an officer or representative of a Party, or to a different address, or both. Notices given before actual receipt of notice of change shall not be invalidated by the change.

9.4 Severability. If any term, provision, covenant or condition of this Agreement shall be determined invalid, void or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform, taking into consideration the purposes of this Agreement.

9.5 Interpretation and Governing Law. This Agreement and any dispute hereunder shall be governed and interpreted in accordance with the laws of the State of California without regard to conflict of law principles. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the Parties hereto, and the rule of construction to the effect that ambiguities are to be resolved against the drafting Party shall not be employed in interpreting this Agreement, all Parties having been represented by counsel in the negotiation and preparation hereof.

9.6 Section Headings. All section headings and subheadings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

9.7 Singular and Plural. As used herein, the singular of any word includes the plural, and vice versa, as context so dictates. Masculine, feminine, and neuter forms of any word include the other as context so dictates.

9.8 Joint and Several Obligations. If at any time during the term of this Agreement the Property and/or Project is owned, in whole or in part, by more than one Developer, all obligations of such Developer under this Agreement shall be joint and several, and the default of any such Developer shall be the default of all such Developers.

9.9 Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.

9.10 Computation of Days. Unless otherwise specified in this Agreement or any Exhibit attached hereto, use of the term "days" shall mean calendar days. For purposes of this Agreement and all Exhibits attached hereto, "business days" shall mean every day of the week except Saturdays, Sundays, official State holidays as recognized in Government Code Section 19853(a) or successor statute, and any days in which Santa Ana City Hall is closed for business.

9.11 Waiver. Failure by a Party to insist upon the strict performance of any of the provisions of this Agreement by the other Party, or the failure by a Party to exercise its rights upon the default of the other Party, shall not constitute a waiver of such Party's right to insist and demand strict compliance by the other Party with the terms of this Agreement thereafter.

9.12 Non-Discrimination. In performing its obligations under this Agreement, Developer shall not discriminate because of race, color, creed, religion, sex, marital status, sexual orientation, age, national origin, ancestry, or disability, as defined and prohibited by applicable law, in the recruitment, selection, training, utilization, promotion, termination or other related activities. Developer affirms that it is an equal opportunity employer and shall comply with all applicable federal, state and local laws and regulations.

9.13 Third Party Beneficiaries. No person or entity, other than City and Developer shall have any right of action based upon any provision of this Agreement.

9.14 Force Majeure. Neither Party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by floods, earthquakes, other Acts of God, fires, epidemics or pandemics as declared by federal, state, or local emergency resolution, wars, riots or similar hostilities, strikes and other labor difficulties beyond the Party's control (including the Party's employment force), court actions (such as restraining orders or injunctions), or other causes reasonably beyond the Party's control, including delays by any governmental entity (although the City may not benefit from this provision for a delay that results from City's failure to perform its obligations under this Agreement), or an insurance company of either party. If any such events shall occur, the term of this Agreement and the time for performance by either Party of any of its obligations hereunder may be extended by the written agreement of the Parties for the period of time that such events prevented such performance.

9.15 Mutual Covenants. The covenants contained herein are mutual covenants and also constitute conditions to the concurrent or subsequent performance by the Party benefited thereby of the covenants to be performed hereunder by such benefited Party.

9.16 Successors in Interest. The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all permitted successors in interest to the Parties to this Agreement. All provisions of this Agreement shall be enforceable as equitable servitudes and constitute covenants running with the land. Each covenant to do or refrain from doing some act hereunder with regard to development of the Property: (a) is for the benefit of and is a burden upon every portion of the Property; (b) runs with the Property and each portion thereof; and (c) is binding upon each Party and each successor in interest approved pursuant to this Agreement during ownership of the Property or any portion thereof.

9.17 Counterparts. This Agreement may be executed by the Parties in counterparts, which counterparts shall be construed together and have the same effect as if all of the Parties had executed the same instrument.

9.18 Jurisdiction and Venue. Any action at law or in equity under this Agreement or brought by a Party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed and tried in the Superior Court of the County of Orange, State of California, and the Parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court.

9.19 Project as a Private Undertaking. It is specifically understood and agreed by and between the Parties hereto that the development of the Project is a private development, that neither Party is acting as the agent of the other in any respect hereunder, and that each Party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between City and Developer is that of a government entity regulating the development of private property and the developer of such property.

9.20 Further Actions and Instruments. Each of the Parties shall cooperate with and provide reasonable assistance to the other to the extent contemplated hereunder in the performance of all obligations under this Agreement and the satisfaction of the conditions of this Agreement. Upon the request of either Party at any time, the other Party shall promptly execute, with acknowledgment or affidavit if reasonably required, and file or record such required instruments and writings and take any actions as may be reasonably necessary under the terms of this Agreement to carry out the intent and to fulfill the provisions of this Agreement or to evidence or consummate the transactions contemplated by this Agreement. City hereby authorizes City Manager to take such other actions and negotiate and execute any additional agreements as may be necessary or proper to fulfill the City's obligations under this Agreement. The City Manager may delegate her or his powers and duties under this Agreement to an authorized management level employee of the City.

9.21 Estoppel Certificate. Within ten (10) business days following a written request by any of the Parties, the other Party shall execute and deliver to the requesting Party a statement

certifying that (i) either this Agreement is unmodified and in full force and effect or there have been specified (date and nature) modifications to the Agreement, but it remains in full force and effect as modified; and (ii) either there are no known current uncured defaults under this Agreement or that the responding Party alleges that specified (date and nature) defaults exist. The statement shall also provide any other reasonable information requested. The failure to timely deliver this statement shall constitute a conclusive presumption that this Agreement is in full force and effect without modification, except as may be represented by the requesting Party, and that there are no uncured defaults in the performance of the requesting Party, except as may be represented by the requesting Party.

9.22 No Subordination; Mortgagee Protection; Covenants Do Not Impair Liens. City's approval of the necessary land use entitlements that authorize Developer to develop, operate, and maintain the Project or to cause the development of the Project was based upon Developer's obligation to provide the Affordable Units pursuant to the State Density Bonus Law, City Density Bonus for Affordable Housing, and the terms and conditions of this Agreement. For the Term of the Density Bonus Housing Agreement, this Agreement shall have priority over any and all mortgages, deeds of trust, and other similar forms of secured financing recorded against the Property or any portion thereof. Developer expressly understands and acknowledges that state law requires preservation of affordability covenants in connection with the approval of this density bonus project. This Agreement shall not prevent or limit Developer, in Developer's reasonable discretion, from encumbering the Property or any portion thereof of or any improvement thereon by any mortgage, deed of trust or other security device securing financing with respect to the Property or Project and such action shall not constitute an assignment of this Agreement. No violation or breach of covenants, conditions, restrictions, provisions, or limitations contained in this Agreement shall defeat or render invalid or diminish or in any way impair the lien or charge of any mortgage or deed of trust or security instrument.

9.23 Attorneys' Fees and Costs. If either Party to this Agreement commences an action against the other Party to this Agreement arising out of or in connection with this Agreement, the prevailing Party shall be entitled to recover reasonable attorneys' fees, expert witness fees, costs of investigation, and costs of suit from the losing Party.

9.24 Authority to Execute. The person or persons executing this Agreement on behalf of each Party warrants and represents that he or she/they have the authority to execute this Agreement on behalf of his or her/their corporation, partnership or business entity and warrants and represents that he or she/they has/have the authority to bind the Party to the performance of its obligations hereunder.
