

**City of Santa Ana  
20 Civic Center Plaza, Santa Ana, CA 92701  
Historic Resources Commission Staff Report  
November 3, 2022**

---

**Topic:** HRCA No. 2022-15, HRC 2022-9, HPPA No. 2022-12 – LeRoy Quick House

---

**RECOMMENDED ACTION**

1. Adopt a resolution approving Historic Resources Commission Application No. 2022-15 and Historic Register Categorization No. 2022-9 (Exhibit 1).
2. Recommend that the City Council authorize the City Manager and Clerk of the Council to execute the attached Mills Act agreement with Jim Perez, subject to non-substantive changes approved by the City Manager and City Attorney (Exhibit 2).

**EXECUTIVE SUMMARY**

Jim Perez is requesting approval to designate an existing residence located at 2218 North Ross Street to the Santa Ana Register of Historical Properties, as well as approval to execute a Mills Act agreement with the City of Santa Ana.

**DISCUSSION**

**Project Location and Site Description**

The subject property is located on the west side of North Ross Street in the Floral Park neighborhood. The site contains a 1,996-square-foot, Tudor Revival style residence and detached garage on an 11,813-square-foot residential lot (Exhibit 3).

**Analysis of the Issues**

*Historical Listing*

In March 1999, the City Council approved Ordinance No. NS-2363 establishing the Historic Resources Commission and the Santa Ana Register of Historical Properties. The Historic Resources Commission may, by resolution and at a noticed public hearing, designate as a historical property any building or part thereof, object, structure, or site having importance to the history or architecture of the city in accordance with the criteria set forth in Section 30-2 of the Santa Ana Municipal Code (SAMC). This project entails

applying the selection criteria established in Chapter 30 of the Santa Ana Municipal Code (Places of Historical and Architectural Significance) to determine if this structure is eligible for historic designation to the Santa Ana Register of Historical Properties. The first criterion for selection requires that the structures be 50 or more years old.

The structure identified meets the minimum selection criteria for inclusion on the Santa Ana Register of Historical Properties pursuant to criteria contained in Section 30-2 of the Santa Ana Municipal Code, as the structure is 65 years old and is a good example of period architecture. No known code violations exist on record for this property.

The LeRoy Quick House is architecturally significant as a highly intact and characteristic example of the Tudor Revival style. This house was originally constructed in 1950 and valued at \$23,000 according to the original building permit. It is just one of two homes in the Floral Park neighborhood that is constructed with fieldstone at its primary façade. The first owner of the subject property was LeRoy Quick who developed the property and owned and occupied it until at least 1979. Archival research did not uncover additional information regarding Mr. Quick or later occupants of the home.

The LeRoy Quick House is a one-story, single-family residential building constructed in the Tudor Revival architectural style with partial stone construction. The subject property is made up of a long, narrow lot that contains the residence to the east and a detached garage to the west. The asymmetrical residential building has a T-shaped footprint. It features a steeply pitched, cross gable at the front of the building, a hip roof at the rear, and a chimney at the south. The roof is clad in composition shingles and has minimal overhanging eaves. The prominent front-facing gable over entrance is clad in stone, which extends along the entire façade of the building and to the side yard walls and driveway gate. Other cladding includes stucco, lapboard, and vertical siding along the building's secondary facades. The main entrance is recessed into the building and consists of a single wood door with an overhead transom with diamond panes. A pair of multi-pane steel-frame casement and fixed windows flank the main entrance. The primary façade's south architectural bay contains two steel-frame double casement windows with diamond lead panes and minimal stained glass. Additional building fenestration includes multi-pane steel-frame casement and fixed windows on the south, rear (west), and north elevations. The north side also includes glass block fenestration. A pedestrian door with a single fixed lite is set under a shed roof and is raised above two brick-clad steps with wood railings, at the building's south elevation. A deeply recessed pedestrian wood door with a fixed, multi-pane lite is situated at the rear (west) elevation. The prominent stone chimney at the south elevation extends to the exterior foundation and is flanked by partial stone construction. A covered patio extends outward from the rear (west) façade. Other notable features include vents at gable ends, awnings, and wood shutters. The property is landscaped with a mature tree, a lawn, manicured low shrubs, and a curved walkway that leads from the driveway to the main entrance. A driveway parallels the south elevation and leads to the detached, one-story, two-car garage, which is setback behind a wood double gate. The garage contains a hipped roof clad in composition shingles and

has stucco siding along its facades. The garage's north façade features two pedestrian doors situated below shingle-clad shed roof awnings. Its windows match those on the main residence, with a single steel-frame casement window on the north façade and two steel-frame multi-paned casement and fixed windows on the rear (west) façade. A low wall made of the same fieldstone that constructs the residence's primary façade is just north of the garage in the backyard. There appear to be little to no building alterations. Character-defining features of the LeRoy Quick House include, but may not be limited to: its steeply pitched, cross-gabled and hipped roof; minimal overhanging eaves; a prominent front-facing gable over entrance; stone cladding, which extends along the entire primary (east) façade of the building and to the side yard walls and driveway gate; stucco, lapboard, and vertical siding; a prominent stone chimney that extends to the exterior foundation and is flanked by partial stone construction; fenestration that includes, multi-paned and diamond-paned, casement and picture windows with steel frames; a recessed primary entrance; vents at gable ends; awnings; wood shutters; and a stone wall in the backyard that is built out of the same fieldstone that clads the primary façade.

The LeRoy Quick House qualifies for listing in the Santa Ana Register of Historical Properties under Criterion 1 as a very intact example of the Tudor Revival style with a partial stone construction in Santa Ana. The house displays characteristics of the Tudor Revival style through its steeply pitched, cross-gable roof; primary façade dominated by a single, prominent front-facing steeply pitched gable; tall, multi-pane glazed lites; leaded glass with diamond shaped panes; exterior stonework; and massive chimney. The recommended categorization is "Landmark" because it has unique architectural significance as an example of the post-World War II Tudor Revival style with a partial stone construction in Floral Park and Santa Ana. This category is reserved for structures exemplifying high architectural significance with potential eligibility to be placed on the National or State historic registers, and/or possesses unique architectural significance within the City of Santa Ana. The property is worth of "Landmark" status due to the building's intense use of stone construction throughout the primary façade, chimney, and low wall in the rear yard, in addition to the rare occurrence of well-maintained original multi-paned and diamond-paned casement and picture steel-frame windows.

### *Mills Act Agreement*

Ordinance No. NS-2382 authorized the Historic Resources Commission to execute Historic Property Preservation Agreements (HPPA), commonly known as Mills Act agreements for eligible properties (Exhibit 2). To be eligible for the Mills Act, the property must be listed on the Santa Ana Register of Historical Properties. The Historic Resources Commission Application and Historic Register Categorization actions proposed for this site authorize the listing of the property on the local register. The agreement provides monetary incentives to the property owner in the form of a property tax reduction in exchange for the owner's voluntary commitment to maintain the property in a good state of repair as necessary to maintain its character and appearance. Once recorded, the agreement generates a different valuation method in determining the property's assessed

value, resulting in tax savings for the owner. Aside from the tax savings, the benefits include:

- Long term preservation of the property and visual improvement to the neighborhood
- Allows for a mechanism to provide for property rehabilitation
- Provides additional incentive for potential buyers to purchase historic structures
- Discourages inappropriate alterations to the property

The property has no identified unauthorized modifications. Upon consideration of the application, it is recommended that the City enter into a Historic Property Preservation Agreement.

The following list includes the proposed structure improvements/maintenance plan for the subject property, which shall be completed over the course of the next ten years:

1. Painting
2. Landscaping

### **Public Notification**

The subject site is located within the Floral Park Neighborhood Association. The president of this Neighborhood Association was notified by mail 10 days prior to this public hearing. In addition, the project site was posted with a notice advertising this public hearing, a notice was published in the Orange County Reporter and mailed notices were sent to all property owners within 500 feet of the project site. At the time of this printing, no correspondence, either written or electronic, has been received from any members of the public.

### **ENVIRONMENTAL IMPACT**

Pursuant to the California Environmental Quality Act (CEQA) and the CEQA Guidelines, the project is exempt from further review pursuant to Section 15331 of the CEQA Guidelines (Class 31 – Historical Resource Restoration/Rehabilitation) as these actions are designed to preserve historic resources. Based on this analysis, a Notice of Exemption, Environmental Review No. 2022-103 will be filed for this project.

### **FISCAL IMPACT**

The Historic Property Preservation Agreement will reduce the Property Tax revenue account 01102002-50011 to the City by an estimated \$1,008.83 annually, for a period of not less than ten years.

RESOLUTION NO. 2022-XXX

A RESOLUTION OF THE HISTORIC RESOURCES COMMISSION OF THE CITY OF SANTA ANA APPROVING HISTORIC RESOURCES COMMISSION APPLICATION NO. 2022-15 TO PLACE THE PROPERTY LOCATED AT 2218 N ROSS STREET, SANTA ANA, ON THE HISTORICAL REGISTER AND APPROVING HISTORIC REGISTER CATEGORIZATION NO. 2022-9 PLACING SAID PROPERTY WITHIN THE LANDMARK CATEGORY

BE IT RESOLVED BY THE HISTORIC RESOURCES COMMISSION OF THE CITY OF SANTA ANA AS FOLLOWS:

**Section 1.** The Historic Resources Commission of the City of Santa Ana hereby finds, determines, and declares as follows:

- A. On November 3, 2022, the Historic Resources Commission held a duly noticed public hearing for the placement on the Santa Ana Register of Historical Properties (Historic Resources Commission Application No. 2022-15) and categorization (Historic Resources Commission Categorization No. 2022-9) of the LeRoy Quick House located at 2218 North Ross Street, Santa Ana.
- B. The LeRoy Quick House has distinctive architectural features of the Tudor Revival style with partial stone construction and was built in 1950.
- C. The LeRoy Quick House qualifies for listing in the Santa Ana Register of Historical Properties under Criterion 1 as a very intact example of the Tudor Revival style with a partial stone construction in Santa Ana. The recommended categorization is "Landmark" because it has unique architectural significance as an example of the post-World War II Tudor Revival style with a partial stone construction in Floral Park and Santa Ana (Santa Ana Municipal Code, Section 30-2.2). Character-defining features of the Tudor Revival style exhibited by the house include its steeply pitched, cross-gabled and hipped roof; minimal overhanging eaves; a prominent front-facing gable over entrance; stone cladding, which extends along the entire primary (east) façade of the building and to the side yard walls and driveway gate; stucco, lapboard, and vertical siding; a prominent stone chimney that extends to the exterior foundation and is flanked by partial stone construction; fenestration that includes, multi-paned and diamond-paned, casement and picture windows with steel frames; a recessed primary entrance; vents at gable ends; awnings; wood shutters; and a stone wall in the backyard that is built out of the same fieldstone that clads the primary façade.
- D. The legal owner of the property is Jim Perez.

- E. The legal description for the subject property is attached hereto as Exhibit A and incorporated by this reference as though fully set forth herein.
- F. The subject property meets the standards for placement on the City of Santa Ana Register of Historic Properties pursuant to Section 30-2 of the Santa Ana Municipal Code.
- G. The subject property meets the minimal standards for placement in the Contributive category pursuant to Section 30-2.2(3) of the Santa Ana Municipal Code.

**Section 2.** In accordance with the California Environmental Quality Act, the recommended actions are exempt from further review under CEQA Guidelines Section 15331, Class 31, as these actions are designed to preserve historical resources. Categorical Exemption No. ER-2022-103 will be filed for this project.

**Section 3.** The Historic Resources Commission of the City of Santa Ana, after conducting the public hearing, hereby approves:

- A. Historic Resources Commission Application No. 2022-15 to place the LeRoy Quick House located at 2218 N Ross Street, Santa Ana, 92706 on the historical register, and
- B. Historic Register Categorization No. 2022-9 placing the LeRoy Quick House located at 2218 N Ross Street, Santa Ana, 92706 within the Landmark category, as conditioned in Exhibit B, attached hereto and incorporated herein.

These decisions are based upon the evidence submitted at the above said hearing, which includes, but is not limited to: the Staff report and exhibits attached thereto, the report entitled "Historical Property Description," and the public testimony, all of which are incorporated herein by this reference.

**Section 4.** For the subject property, a report entitled "Historical Property Description" is on file with the Planning Division, and is hereby approved and adopted, and together with the staff report and this Resolution, justify the findings for placement on the City of Santa Ana Register of Historical Properties into a category. The Historic Resources Commission Secretary is authorized and directed to include this Resolution in the City of Santa Ana Register of Historical Properties.

**Section 5.** The Historic Resources Commission Secretary is hereby directed to file a certified copy of this Resolution with the County Recorder's Office after the adoption of this Resolution pursuant to Public Resources Code Section 5029.

ADOPTED this 3<sup>rd</sup> day of November, 2022.

## HISTORIC PROPERTY PRESERVATION AGREEMENT

This Historic Property Preservation Agreement (“Agreement”) is made and entered into by and between the City of Santa Ana, a charter city and municipal corporation duly organized and existing under the Constitution and laws of the State of California (hereinafter referred to as “City”), and **Jim Perez, a Married Man as his Sole and Separate Property**, (hereinafter collectively referred to as “Owner”), owner of real property located at **2218 North Ross Street, Santa Ana, California**, in the County of Orange and listed on the Santa Ana Register of Historical Properties.

### RECITALS

- A. The City Council of the City of Santa Ana is authorized by California Government Code Section 50280 et seq. (known as the “Mills Act”) to enter into contracts with owners of qualified historical properties to provide for appropriate use, maintenance, rehabilitation and restoration such that these historic properties retain their historic character and integrity.
- B. The Owner possesses fee title in and to that certain qualified real property together with associated structures and improvements thereon, located at **2218 North Ross Street, Santa Ana, CA, 92706** and more particularly described in Exhibit “A,” attached hereto and incorporated herein by reference, and hereinafter referred to as the “Historic Property”.
- C. The Historic Property is officially designated on the Santa Ana Register of Historical Properties pursuant to the requirements of Chapter 30 of the Santa Ana Municipal Code.
- D. City and Owner, for their mutual benefit, now desire to enter into this Agreement which defines and limits the use and alteration of this Historic Property in order to enhance and maintain its value as a cultural and historical resource for Owner and for the community; to prevent inappropriate alterations to the Historic Property and to ensure that repairs, additions, new building, and other changes are appropriate; and to ensure that rehabilitation and maintenance are carried out in an exemplary manner.

- E. Owner and City intend to carry out the purposes of California Government Code, Chapter 1, Part 5 of Division 1 of Title 5, Article 12, Section 50280 et seq., which will enable the Historic Property to qualify for an assessment of valuation as a restricted historical property pursuant to Article 1.9, Sec. 439 et seq., Chapter 3 Part 2 of Division 1 of the California Tax and Revenue Code.

NOW, THEREFORE, the City of Santa Ana and the Owner of the Historic Property agree as follows:

**1. Effective Date and Terms of Agreement.**

This Agreement shall be effective and commence on **February 8, 2023**, and shall remain in effect for a term of ten (10) years thereafter. Each year, upon the anniversary of the effective date of this Agreement, such initial term will automatically be extended as provided in California Government Code Sections 50280 through 50290 and in Section 2, below.

**2. Renewal.**

a. Each year on the anniversary of the effective date of this Agreement, a year shall automatically be added to the initial ten (10) year term of this Agreement unless written notice of nonrenewal is served as provided herein.

b. If the Owner or the City desire(s) in any year not to renew the Agreement, the Owner or City shall serve written notice of nonrenewal of the Agreement on the other party. Unless such notice is served by the Owner to the City at least ninety (90) days prior to the annual renewal date, or served by the City to the Owner at least sixty (60) days prior to the annual renewal date, one (1) year shall automatically be added to the term of the Agreement as provided herein.

c. Within 30 days from receipt of City's notice of nonrenewal, the Owner may file a written protest of City's decision of nonrenewal. The City may, at any time prior to the annual renewal date of the Agreement, withdraw its notice to the Owner of nonrenewal.

d. If either the Owner or the City serves notice to the other of nonrenewal in any year, the Agreement shall remain in effect for the balance of the term then remaining, either from its original execution or from the last renewal of the Agreement, whichever may apply.

**3. Standards and Conditions for Historic Property.**

During the term of this Agreement, the Historic Property shall be subject to the following conditions, requirements and restrictions:

a. Owner shall maintain the Historic Property in a good state of repair and shall preserve, maintain, and, where necessary, restore or rehabilitate the property and its character-defining features described in the "Historical Property Description" attached hereto, marked as Exhibit B, notably the general architectural form, style, materials, design, scale, proportions, organization of windows, doors, and other openings, textures, details, mass, roof line, porch and other aspects of the appearance of the exterior to the satisfaction of the City.

b. All changes to the Historic Property shall comply with applicable City plans and regulations, and conform to the rules and regulations of the Office of Historic Preservation of the State Department of Parks and Recreation, namely the U.S. Secretary of the Interior's Standards and Guidelines for Historic Preservation Projects. These guidelines are attached hereto, marked as Exhibit C, and incorporated herein by this reference. Owner shall continually maintain the Historic Property in the same or better condition.

c. A view corridor enabling the general public to see the Historic Property from the public right-of-way shall be maintained, and Owner shall not be permitted to block the view corridor to the property with any new structure, such as walls, fences or shrubbery, so as to prevent the viewing of the historic landmark by the public.

d. The following are prohibited: demolition of the Historic Property or destruction of character-defining features of the building or site; removal of trees and other major vegetation unless removal is approved by a rehabilitation plan approved by the Historic Resources Commission; paving of yard surface; exterior alterations or additions unless approved by the Historic Resources Commission and such alterations are in keeping with the Secretary of Interior's Standards; deteriorating, dilapidated or unrepaired structures such as fences, roofs, doors, walls, and windows; storage of junk, trash, debris, discarded or unused objects such as cars, appliances, or furniture; and other unsightly by decoration, structure or vegetation which is unsightly by reason of its height, condition, or inappropriate location.

e. Owner shall allow reasonable periodic inspection by prior appointment, as needed or at least every five (5) years after the initial inspection, of the interior and exterior of the Historic Property by representatives of the City of Santa Ana, the County Assessor, the State Department of Parks and Recreation, and the State Board of Equalization, to determine the Owner's compliance with the terms and provisions of this Agreement.

#### **4. Furnishing of Information.**

The Owner hereby agrees to furnish the City with any and all information requested which may be necessary or advisable to determine compliance with the terms and provisions of this Agreement.

#### **5. Cancellation.**

a. The City, following a duly noticed public hearing by the City Council as set forth in Government Code Section 50280, et. seq., may cancel this Agreement if it determines that the Owner have breached any of the conditions of this Agreement, or has allowed the property to deteriorate to the point that it no longer meets the standards for a qualified Historic Property, or if the City determines that the Owner have failed to restore or rehabilitate the property in the manner specified in Section 3 of this Agreement. If a contract is cancelled for these reasons, the Owner shall pay a cancellation fee to the County Auditor as set forth in Government Code Section 50286. This cancellation fee shall be a percentage (currently set at twelve and one-half (12 ½) percent by Government Code Section 50286) of the current fair market value of the

property at the time of the cancellation, as determined by the county assessor, without regard to any restriction imposed pursuant to this Agreement.

b. If the Historic Property is destroyed by earthquake, fire, flood or other natural disaster such that in the opinion of the City Building Official more than sixty (60) percent of the original fabric of the structure must be replaced, this Agreement shall be canceled immediately because, in effect, the historic value of the structure will have been destroyed. No fee shall be imposed in the case of destruction by acts of God or natural disaster.

c. If the Historic Property is acquired by eminent domain and the City Council determines that the acquisition frustrates the purpose of this Agreement, this Agreement shall be cancelled and no fee imposed, as specified in Government Code Section 50288.

## **6. Enforcement of Agreement.**

a. In lieu of and/or in addition to any provisions to cancel the Agreement as referenced herein, City may specifically enforce, or enjoin the breach of, the terms of the Agreement. In the event of a default, under the provisions to cancel the Agreement by Owner, the City shall give written notice to Owner by registered or certified mail, and if such a violation is not corrected to the reasonable satisfaction of the City Manager or designee within thirty (30) days thereafter, or if not corrected within such a reasonable time as may be required to cure the breach or default, or default cannot be cured within thirty (30) days (provided that acts to cure the breach or default may be commenced within thirty (30) days and shall thereafter be diligently pursued to completion by Owner), then City may, without further notice, declare a default under the terms of this Agreement and may bring any action necessary to specifically enforce the obligations of Owner growing out of the terms of this Agreement, apply to any court, state or federal, for injunctive relief against any violation by Owner or apply for such relief as may be appropriate.

b. City does not waive any claim of default by the Owner if City does not enforce or cancel this Agreement. All other remedies at law or in equity which are not otherwise provided for in this Agreement or in City's regulations governing historic properties are available to City to pursue in the event that there is a breach of this Agreement. No waiver by City of any breach or default under this Agreement shall be deemed to be a waiver of any other subsequent breach thereof or default hereunder.

## **7. Binding effect of Agreement.**

a. Owner hereby subjects the Historic Property, located at **2218 North Ross Street**, Assessor Parcel Number, **002-112-08**, and more particularly described in Exhibit A, in the City of Santa Ana, to the covenants, conditions, and restrictions as set forth in this Agreement.

b. City and Owner hereby declare their specific intent that the covenants, conditions and restrictions as set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon Owner's successors and assigns in title or interest to the Historic Property. Every contract, deed, or other instrument hereinafter executed, covering or conveying

the Historic Property or any portion thereof, shall conclusively be held to have been executed, delivered, and accepted subject to the tenants, restrictions, and reservations expressed in this Agreement regardless of whether such covenants, conditions and restrictions are set forth in such contract, deed, or other instrument.

**8. No Compensation.**

Owner shall not receive any payment from City in consideration of the obligation imposed under this Agreement, it being recognized that the consideration for the execution of this Agreement is the substantial public benefit to be derived therefrom and the advantage that will accrue to Owner as a result of the effect upon the assessed value of the Property on the account of the restrictions on the use and preservation of the Property.

**9. Notice.**

Any notice required by the terms of this Agreement shall be sent to the address of the respective parties as specified below or at other addresses that may be later specified by the parties hereto.

City: City of Santa Ana  
20 Civic Center Plaza (M-30)  
Santa Ana, CA 92702  
Attn: Clerk of the Council

Owners: Jim Perez  
2218 North Ross Street  
Santa Ana, CA 92706

**10. General Provisions.**

a. None of the terms, provisions, or conditions of this Agreement shall be deemed to create a partnership between the parties hereto and any of their heirs, successors, or assigns, nor shall such terms, provisions or conditions cause them to be considered joint ventures or members of any joint enterprise.

b. The Owner agrees to and shall indemnify and hold the City and its elected and appointed officials, officers, agents, and employees harmless from liability for damage or claims for damage for personal injuries, including death, and claims for property damage which may arise from the direct or indirect use or operations of the Owner or those of his or her contractor, subcontractor, agent, employee, or other person acting on his or her behalf which relates to the use, operation, and maintenance of the Historic Property. The Owner hereby agrees to and shall defend the City and its elected and appointed officials, officers, agents, and employees with respect to any and all actions for damages caused by, or alleged to have been caused by, reason of the Owner's activities in connection with the Historic Property.

c. This hold harmless provision applies to all damages and claims for damages suffered, or alleged to have been suffered, and costs of defense incurred, by reason of the operations referred to in this Agreement regardless of whether or not City prepared, supplied, or approved the plans, specifications or other documents for the Historic Property.

d. All of the agreements, rights, covenants, conditions, and restrictions contained in this Agreement shall be binding upon and shall inure to the benefit of the parties herein, their heirs, successors, legal representatives, assigns, and all persons acquiring any part or portion of the Historic Property, whether by operation of law or in any manner whatsoever.

e. In the event legal proceedings are brought by any party or parties to enforce or restrain a violation of any of the covenants, reservations, or restrictions contained herein, or to determine the rights and duties of any party hereunder, the prevailing party in such proceeding may recover all reasonable attorney's fees to be fixed by the court, in addition to court costs and other relief ordered by the court.

f. In the event that any of the provisions of this Agreement are held to be unenforceable or invalid by any court of competent jurisdiction, or by subsequent preemptive legislation, the validity and enforceability of the remaining provisions, or portions thereof, shall not be effected thereby.

g. This Agreement shall be construed and governed in accordance with the laws of the State of California, with venue in Orange County.

#### **11. Recordation.**

No later than twenty (20) days after the parties execute and enter into this Agreement, the City shall cause this Agreement to be recorded in the office of the County Recorder of the County of Orange.

#### **12. Amendments.**

This Agreement may be amended, in whole or in part, only by a written recorded instrument executed by the parties hereto.

#### **13. Effective Date**

This Agreement shall be effective on the day and year first written above in Section 1.

## **ARCHITECTURAL STYLE:** Tudor Revival

The Tudor Revival looked to medieval England for its inspiration. Signature features of the style include steeply pitched gables; decorative half-timbering; arched openings, often Tudor or Gothic in form; asymmetrical arrangements of building features; tall brick chimneys; and picturesque windows of leaded glass or diamond patterned lights. The more ambitious examples of the Tudor Revival were executed in brick or even stone; however, stucco over wood frame is quite common in the forgiving climate of southern California. The Tudor Revival was favored primarily for residential buildings, although small scale commercial buildings in the style also occur. Originating in the late 19th century, the Tudor Revival was associated with some Craftsman era building but was most popular during the 1920s and 1930s.

## **SUMMARY/CONCLUSION:**

The LeRoy Quick House qualifies for listing in the Santa Ana Register of Historical Properties under Criterion 1 as a very intact and highly individual example of the late Tudor Revival style in Santa Ana, keynoted by partial stone construction. The recommended categorization is "Landmark" because it has unique architectural significance as an example of the post-World War II Tudor Revival style with a partial stone construction in Floral Park and Santa Ana (Santa Ana Municipal Code, Section 30-2.2).

## **EXPLANATION OF CODES:**

- California Register Criteria for Evaluation: (From California Office of Historic Preservation, Technical Assistance Series # 7, "How to Nominate Resources to the California Register of Historical Resources," September 4, 2001.)
  - 3:** It embodies the distinctive characteristics of a type, period, region, or method of construction, or represents the work of a master, or possesses high artistic values
- It embodies the distinctive characteristics of a type, period, region, or method of construction, or represents the work of a master, or possesses high artistic values.
  - 5S3:** Appears to be individually eligible for local listing or designation through survey evaluation

\*P3a. Description: (Describe resource and its major elements. Include design, materials, condition, alterations, size, setting, and boundaries)

*Located in Floral Park on the west side of North Ross Street, the LeRoy Quick House is a one-story, single-family residential building constructed partially of stone in the Tudor Revival architectural style. The subject property consists of a long, narrow lot that contains the residence to the east (front) and a detached garage to the west (rear). The asymmetrical residence has a T-shaped footprint. It features a steeply pitched, cross-gable roof at the front of the building, a hip roof at the rear, and an attached stone chimney at the south towards the rear. The roof is clad in composition shingles and has minimal overhanging eaves. Fieldstone construction distinguishes entire façade of the building, inclusive of wing walls at each end, and a portion of the south elevation. Other cladding includes stucco, lapboard, and vertical siding along the building's secondary facades. Offset to the north, the prominent front gable contains the deeply recessed main entrance, consisting of a six-panel wood door topped with a diamond-paned transom. Steel-framed windows, both casement and fixed, are utilized throughout the building. Façade fenestration includes a pair of multi-paned, steel-framed casement and fixed windows flanking the entrance bay and, to the south, a row of four casements (two double windows) with distinctive, diamond-shaped, leaded and partially stained glass paning.*

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity)

*The LeRoy Quick House is architecturally significant as a highly intact and distinctive example of the late Tudor Revival style. This house was constructed in 1950 by builder Howard Renshaw and valued at \$23,000 according to the original building permit. Notable for the masonry construction that expresses the Tudor Revival design, it is just one of two homes in the Floral Park neighborhood that is constructed with fieldstone at its primary façade and one of a limited number of stone buildings in Santa Ana. The first owner of the subject property was LeRoy Quick, who developed the property and owned and occupied it until at least 1979. Archival research did not uncover additional information regarding Mr. Quick or later occupants of the home.*

**\*P3a. Description (continued):**

The prominent stone chimney at the south elevation features the characteristic Tudor Revival height and extends to the exterior foundation; walls to either side are also of stone construction. A covered patio extends outward from the rear (west) façade. Other notable features include wooden vents at gable ends, awnings, and wood shutters. The property is landscaped with a mature tree, a lawn, manicured low shrubs, and a curved, brick-paved walkway that leads from the driveway to the main entrance, also brick-paved. A driveway parallels the south elevation and leads to the detached, one-story, two-car garage, which is setback behind a wood double gate. The stucco-covered garage is capped by a hipped roof clad in composition shingles. The garage's north façade features two pedestrian doors situated below shingle-clad shed roof hoods. Its windows match those on the main residence, with a single steel-framed casement window on the north façade and two steel-frame multi-paned casement and fixed windows on the rear (west) elevation. A low wall made of the same fieldstone as the residence is just north of the garage in the backyard. Minor alterations to the property include a small area of glass block wall on a side elevation.

**\*B10. Significance (continued):**

The LeRoy Quick House is located in Floral Park, a neighborhood northwest of downtown Santa Ana bounded by West Seventeenth Street, North Flower Street, Riverside Drive, and Broadway. Groves of orange, avocado, and walnut trees and widely scattered ranch houses characterized this area before 1920. Developer and builder Allison Honer (1897-1981), credited as the subdivider and builder of a major portion of northwest Santa Ana, arrived in Santa Ana from Beaver Falls, New York in 1922 (Talbert, pages 353-356). "Before nightfall on the day of his arrival, Mr. Honer purchased a parcel of land. And that month, he began building custom homes in Santa Ana" (*Orange County Register*, September 15, 1981). The parcel chosen became the Floral Park subdivision between Seventeenth Street and Santiago Creek. "When built in the 1920s, the Floral Park homes were the most lavish and expensive in the area. They sold for about \$45,000 each" (*Orange County Register*, September 15, 1981). Revival architecture in a wide variety of romantic styles was celebrated in the 1920s and 1930s and Floral Park showcased examples of the English Tudor, French Norman, Spanish Colonial, and Colonial Revival. The Allison Honer Construction Company went on to complete such notable projects as the 1935 Art Deco styled Old Santa Ana City Hall, the El Toro Marine Base during World War II, and the 1960 Honer Shopping Plaza. Honer lived in the neighborhood he had helped to create, at 615 West Santa Clara Avenue.

In the late 1920s and 1930s, another builder, Roy Roscoe Russell (1881-1965), continued developing the groves of Floral Park. An early Russell project was his 1928 subdivision of Victoria Drive between West Nineteenth Street and West Santa Clara Avenue. The homes were quite grand and displayed various revival styles, including Russell's own large, Colonial Revival mansion at 2009 Victoria Drive. In the early post World War II years, Floral Park continued its development as numerous, smaller, single-family houses were built. Continuing in the Floral Park tradition, they were mostly revival in style. In the 1950s, low, horizontal Ranch Style houses completed the growth of Floral Park. Today (2022) Floral Park maintains its identity as the premier neighborhood of Santa Ana, historically home to many affluent and prominent citizens.

The LeRoy Quick House qualifies for listing in the Santa Ana Register of Historical Properties under Criterion 1 as a very intact and highly individual example of the late Tudor Revival style in Santa Ana, keynoted by partial stone construction. The recommended categorization is "Landmark" because it has unique architectural significance as an example of the post-World War II Tudor Revival style with partial stone construction in Floral Park and Santa Ana (Santa Ana Municipal Code, Section 30-2.2). In addition to the partial stone construction, the house also showcases the asymmetrical massing, vertical emphasis of roof and chimney, and storybook quality of fenestration that typify the Tudor Revival. Character-defining features of the house include its steeply pitched, cross-gabled and hipped roof; minimal overhanging eaves; a prominent front-gabled entry bay; fieldstone walls which extend along the entire primary (east) façade of the building to either side of the chimney on the south elevation; stucco, lapboard, and vertical siding; a prominent stone chimney; fenestration that includes, multi-paned and diamond-paned, casement and picture windows with steel frames; a recessed primary entrance; vents at gable ends; shed roofs over secondary entries; wood shutters; and a fieldstone wall in the backyard.

Exhibit C

Exterior work shall be reviewed by the Historic Resources Commission and subject to the U.S. Secretary of the Interior's Standards for Rehabilitation of Historic Buildings, as follows:

1. Every reasonable effort shall be made to provide a compatible use for a property which requires minimal alteration of the building, structure, or site and its environment, or to use a property for its originally intended purpose.
2. The distinguishing original qualities or character of a building, structure or site and its environment shall not be destroyed. The removal or alteration of any historic material or distinctive architectural features should be avoided when possible.
3. All buildings, structures, and sites shall be recognized as products of their own time. Alterations that have no historical basis and which seek to create an earlier appearance shall be discouraged.
4. Changes which may have taken place in the course of time are evidence of the history and development of a building, structure, or site and its environment. These changes may have acquired significance in their own right, and this significance shall be recognized and respected.
5. Distinctive stylistic features or examples of skilled craftsmanship which characterize a building, structure, or site shall be treated with sensitivity.
6. Deteriorated architectural features shall be repaired rather than replaced, whenever possible. In the event replacement is necessary, the new material should match the material being replaced in composition, design, color, texture, and other visual qualities. Repair or replacement of missing architectural features should be based on accurate duplications of features, substantiated by historic, physical, or pictorial evidence rather than on conjectural designs or the availability of different architectural elements from the other buildings or structures.
7. The surface cleaning of structures shall be undertaken with the gentlest means possible. Sandblasting and other cleaning methods that will damage the historic building materials shall not be undertaken.
8. Every reasonable effort shall be made to protect and reserve archaeological resources affected by, or adjacent to any project.
9. Contemporary design for alterations and additions to existing properties shall not be discouraged when such alterations and additions do not destroy significant historical, architectural or cultural material, and such design is compatible with

size, scale, color, material and character of the property, neighborhood, or environment.

10. Wherever possible, new additions or alterations to structures shall be done in such a manner that if such additions or alterations need to be removed in the future, the essential form and integrity of the structure would be unimpaired.

### NOTICE OF PUBLIC HEARING BEFORE THE SANTA ANA HISTORIC RESOURCES COMMISSION

The City of Santa Ana encourages the public to participate in the decision-making process. We encourage you to contact us prior to the Public Hearing if you have any questions.

#### Historic Resources Commission

**Action:** The Historic Resources Commission will hold a Public Hearing to receive public testimony, and will take action on the item described below. Decision on this matter will be final unless appealed within 10 calendar days of the decision by any interested party or group.

**Project Location:** 2218 N. Ross Street (historically known as the LeRoy House) located in the Single Family Residential (R-1) zoning district.

**Project Applicant:** Jim Perez

**Proposed Project:** The applicant is requesting approval of Historic Resources Commission

Application No. 2022-15, Historic Register Categorization No. 2022-9, and Historic Property

Preservation Agreement No. 2022-12 to allow the placement and categorization in the Santa Ana

Register of Historical Properties as Key for the above mentioned property and to execute a Historic Property Preservation Agreement with the City of Santa Ana.

**Environmental Impact:** In accordance with the California Environmental Quality Act, the recommended action is exempt from further review under Section 15331, Class 31, as this action is designed to preserve a historic resource. Categorical Exemption No. 2022-103 will be filed for this project.

**Meeting Details:** This matter will be heard on **November 3, 2022 at 4:30 p.m.** in the City Council Chambers, 22 Civic Center Plaza, Santa Ana, CA 92701. **Members of the public may attend this meeting in-person or join via Zoom.** For the most up to date information on how to participate virtually in this meeting, please visit [www.santa-ana.org/pb/meeting-participation](http://www.santa-ana.org/pb/meeting-participation).

**Written Comments:** If you are unable to participate in the meeting, you may send written comments by e-mail to [PBACComments@santa-ana.org](mailto:PBACComments@santa-ana.org) (reference the Agenda Item # in the subject line) or mail to Chelsea Shafer, Acting Recording Secretary, City of Santa Ana, 20 Civic Center Plaza - M20, Santa Ana, CA 92701. **Deadline to submit written comments is 3:00 p.m. on the day of the meeting.** Comments received after the deadline may not be distributed to the Commission but will be made part of the record.

**Where To Get More Information:** Additional details regarding the proposed action(s), including the full text of the discretionary item, may be found on the City website 72 hours prior to the public hearing at: <https://santa-ana.primegov.com/public/portal>.

**Who To Contact For Questions:** Should you have any questions, please contact Andrea Dumovich Heywood with the Planning and Building Agency at [ahaywood@santa-ana.org](mailto:ahaywood@santa-ana.org) or 714-647-5898.

**Note:** If you challenge the decision on the above matter, you may be limited to raising only those issues you or someone else raised at the public hearing

described in this notice, or in written correspondence delivered to the Historic Resources Commission or City Council of the City of Santa Ana at, or prior to, the public hearing.
