

RESOLUTION NO. 2023-XXX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA ANA TO CONDUCT A DE NOVO REVIEW OF THE PLANNING COMMISSION'S APPROVAL OF CONDITIONAL USE PERMIT NO. 2023-09 AS CONDITIONED TO ALLOW SALE OF DISTILLED SPIRITS IN ADDITION TO EXISTING BEER AND WINE SALES FOR ON-PREMISES CONSUMPTION AT MARISCOS HECTOR SPORTS GRILL LOCATED AT 1208 EAST MCFADDEN AVENUE

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SANTA ANA AS FOLLOWS:

Section 1. The City Council of the City of Santa Ana hereby finds, determines, and declares as follows:

- A. Maria Sebold with Mariscos Hector Sports Grill ("Applicant") and representing McFadden Shopping Center, LLC. ("Property Owner"), is requesting approval of Conditional Use Permit (CUP) No. 2023-09 to allow the sale of distilled spirits in addition to beer and wine for on-premises consumption at an existing restaurant located at 1208 East McFadden Avenue.
- B. Section 41-196 of the Santa Ana Municipal Code ("SAMC") requires approval of a CUP for establishments wishing to sell alcoholic beverages for on-premises consumption.
- C. On November 8, 1971, the Planning Commission approved CUP No. 1971-34 allowing the sale of beer and wine for on-premises consumption, through a Type 41 license from the State Department of Alcoholic Beverage Control ("ABC"), at the subject site.
- D. On February 24, 2023, the applicant submitted a CUP application to the Planning Division to upgrade its existing ABC license from a Type 41 to a Type 47 license to allow the sale of distilled spirits in addition to beer and wine for on-premises consumption at the existing restaurant.
- E. On April 24, 2023, the Planning Commission held a duly noticed public hearing for Conditional Use Permit No. 2023-09. At the conclusion of this hearing, the Commission approved Conditional Use Permit No. 2023-09 subject to modified conditions of approval.
- F. The restaurant meets all required standards specified by Section 41-196 of the SAMC and ABC for the sale of alcoholic beverages for on-premises consumption by containing a full kitchen and a menu of hot and cold food items for purchase.

- G. On April 25, 2023, the Planning Division provided a summary of the Planning Commission's action to the City Council, after which a member of the City Council requested that the item be discussed during the May 2, 2023 City Council meeting.
- H. On May 2, 2023, the City Council discussed Conditional Use Permit No. 2023-09 and voted 7:0 to have the item presented to the City Council for a de novo public hearing.
- I. On June 6, 2023, the City Council held a duly noticed public hearing for a de novo review of Conditional Use Permit No. 2023-09.
- J. The City Council determines that the following findings, which must be established in order to grant a CUP pursuant to Section 41-638 of the SAMC, have been established for CUP No. 2023-09 to allow the sale of distilled spirits in addition to beer and wine for on-premises consumption at an existing eating establishment located at 1208 East McFadden Avenue.
 - 1. That the proposed use will provide a service or facility which will contribute to the general wellbeing of the neighborhood or community.

The sale of distilled spirits, in addition to beer and wine sales, for on-premises consumption at this location will provide an ancillary service to the eating establishment's customers by allowing them the ability to purchase alcoholic beverages with their meal. This will thereby benefit the community by providing an eating establishment with an additional and complementary food related amenity. Operational standards applicable to the ABC license, per Section 41-196 of the SAMC, and conditions of approval will mitigate any potential impacts created by the use and will ensure that the use will not negatively affect the surrounding community.

- 2. That the proposed use will not, under the circumstances of the particular case, be detrimental to the health, safety, or general welfare of persons residing or working in the vicinity.

The sale of distilled spirits, in addition to beer and wine, for on-premises consumption at this location will not be detrimental to the health, safety, or general welfare of persons residing or working in the vicinity because the operational standards applicable to the ABC license, per Section 41-196 of the SAMC, and conditions of approval will address any potential negative or adverse impacts created by the use. Existing conditions illustrate that the restaurant is located at the north end of the existing commercial building, closest to McFadden Avenue and the main

entry is facing Standard Avenue, away from residential uses. In addition, the existing block wall and landscape buffer remain in sound condition. The granting of the CUP will not negatively impact any sensitive land uses that may be nearby.

3. That the proposed use will not adversely affect the present economic stability or future economic development of properties surrounding the area.

The sale of distilled spirits, in addition to beer and wine, for on-premises consumption at the subject location will not adversely affect the economic stability of the area, but will instead allow the eating establishment to compete with other nearby eating establishments that offer a full selection of alcoholic beverages to their customers. Moreover, the offering of distilled spirits will allow the eating establishment to remain economically viable, thereby contributing to the overall success of the City.

4. That the proposed use will comply with the regulations and conditions specified in Chapter 41 (Zoning) of the SAMC for such use.

The sale of distilled spirits, in addition to beer and wine, for on-premises consumption at the subject location will be in compliance with all applicable regulations and operational standards imposed on an eating establishment selling alcoholic beverages for on-premises consumption pursuant to Chapter 41 of the SAMC. The restaurant will be maintained as a bona-fide eating establishment, having suitable kitchen facilities and supplying an assortment of foods. Additionally, the eating establishment will utilize less than five percent (5%) of the gross floor area for display and storage of alcoholic beverages, which is the maximum allowed threshold established by Section 41-196(g)(25) of the SAMC. In addition, operational standards and conditions of approval will ensure the project remains in compliance with all applicable codes and regulations related to alcohol sales to ensure that the use does not impact neighboring properties or create an attractive nuisance.

5. That the proposed use will not adversely affect the General Plan of the city or any specific plan applicable to the area of the proposed use.

The sale of distilled spirits in addition of beer and wine for on-premises consumption at the subject location will not adversely affect the General Plan or any specific plan. The granting of CUP No. 2023-09 supports several goals and policies of the General Plan. Goal 2 of the Land Use Element (LU) encourages a balance of land uses that meet Santa Ana's diverse needs.

Policy 2.2 of the LU encourages a range of commercial uses to capture a greater share of local spending and offer a range of employment opportunities and Policy 2.7 of the LU supports land use decisions that encourage the creation, development, and retention of business in Santa Ana. Approval of CUP No. 2023-09 will contribute to providing a balance of diverse commercial land uses, which will then encourage local spending, strengthen local businesses and increase economic opportunities. Moreover, providing a variety of full-service restaurants that offer alcoholic beverages as part of their menu offers additional dining options for Santa Ana residents and visitors. Policy 4.1 of the LU, encourages complete neighborhoods by introducing a mix of complementary uses, community services, and people places within a walkable area. Approval of CUP No. 2023-09 will allow residents of Cornerstone Village neighborhood to walk to a restaurant that offers full service dining options, thereby positively contributing to the economic viability of the area by promoting local spending and walkability. Lastly, the eating establishment is located within an existing commercial area and its operations will be compatible with the surrounding commercial businesses.

Section 2. In accordance with the California Environmental Quality Act (“CEQA”) and the CEQA Guidelines, the project is categorically exempt from further review per Section 15301 (Class 1 – Existing Facilities) of the CEQA Guidelines. Class 1 exemption applies to the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project proposes to allow the operation of an alcoholic beverage control license to sell alcoholic beverages at a bona-fide eating establishment. As such, a Notice of Exemption, Environmental Review No. 2023-24, will be filed for this project.

Section 3. The Applicant shall indemnify, protect, defend and hold the City and/or any of its officials, officers, employees, agents, departments, agencies, authorized volunteers, and instrumentalities thereof, harmless from any and all claims, demands, lawsuits, writs of mandamus, referendum, and other proceedings (whether legal, equitable, declaratory, administrative or adjudicatory in nature), and alternative dispute resolution procedures (including, but not limited to arbitrations, mediations, and such other procedures), judgments, orders, and decisions (collectively “Actions”), brought against the City and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof, that challenge, attack, or seek to modify, set aside, void, or annul, any action of, or any permit or approval issued by the City and/or any of its officials, officers, employees, agents, departments, agencies, and instrumentalities thereof (including actions approved by the voters of the City) for or concerning the project, whether such Actions are brought under the Ralph M. Brown Act, California Environmental Quality Act, the Planning and Zoning Law, the Subdivision Map Act, Code of Civil Procedure sections 1085 or 1094.5, or any other federal, state or local constitution, statute, law, ordinance, charter, rule,

regulation, or any decision of a court of competent jurisdiction. It is expressly agreed that the City shall have the right to approve the legal counsel providing the City's defense, and that Applicant shall reimburse the City for any costs and expenses directly and necessarily incurred by the City in the course of the defense. City shall promptly notify the Applicant of any Action brought and City shall cooperate with Applicant in the defense of the Action.

Section 4. The City Council of the City of Santa Ana, after conducting the public hearing, hereby approves Conditional Use Permit No. 2023-09, as conditioned in Exhibit A, attached hereto and incorporated herein, for the sale of distilled spirits in addition to beer and wine for on-premises consumption at Mariscos Hector Sports Grill located at 1208 East McFadden Avenue. This decision is based upon the evidence submitted at the above-referenced hearing, including but not limited to: The Request for City Council Action dated June 6, 2023, and exhibits attached thereto; and the public testimony, written and oral, all of which are incorporated herein by this reference.
