The Workforce Innovation and Opportunity Act (“WIOA”) sec. 121(c)(1) requires that each Local Workforce Development Area develop and enter into a Memorandum of Understanding (“MOU”) with each America’s Job Center of California (“AJCC”) Partner, consistent with WIOA Sec. 121(c)(2). This requirement is further described in the WIOA; Joint Rule for Unified and Combined State Plans, Performance Accountability, and the AJCC System Joint Provisions: Final Rule at 20 CFR 678.500, 34 CFR 361.500, and 34 CFR 463.500, and in Federal guidance.

Additionally, the sharing and allocation of infrastructure costs among AJCC Partners is governed by WIOA sec. 121(h), its implementing regulations, and the Federal Cost Principles contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR part 200.

2) PARTIES

The parties to this MOU are the City Council of the City of Santa Ana, the Santa Ana Workforce Development Board (“SAWDB”), and the Santa Ana WORK Center (“SAWC”), a collocated one-stop AJCC Partner located at the Santa Ana WORK Center, 801 W. Civic Center Drive, Suite 200, Santa Ana, CA 92701.

3) PURPOSE

The purpose of the MOU is consistent with the provisions of WIOA sec. 121(c)(1), to establish a cooperative working relationship between the SAWDB and Santa Ana WORK Center, the collocated AJCC Partner, and to define their respective roles and responsibilities concerning the operation of the AJCC as it relates to shared services and customers. It serves to establish the framework for providing services to employers, employees, job seekers and others needing workforce services. It also serves to establish a framework to support the established service delivery through the sharing of resources and costs.

4) DURATION

This MOU shall become effective as of the date of full execution of the MOU by all Parties (“Effective Date”) and terminate June 30, 2023, unless earlier terminated pursuant to the provisions of Paragraph 32 of this MOU; however, the Parties shall be obligated to perform such duties as would normally extend beyond this term, including, but not limited to, obligations with respect to indemnification, reporting and confidentiality.

This MOU will remain in effect until the termination date, unless one of the conditions in Paragraph 32 occurs.

5) MODIFICATIONS AND REVISIONS

This MOU and its Attachments 1, 2, 3, 3-1, 4, and 5 constitute the entire agreement between the parties, and no oral understanding not incorporated herein shall be binding on any of the parties hereto. This MOU may be modified, altered, or revised, as necessary, by mutual consent of the parties, by the issuance of a written amendment, signed and dated by the parties, which may require approval by the governing body of each Party. Assignment of responsibilities under this MOU by any of the parties shall require prior written notice and preapproval of all parties. Any assignee shall also commit in writing to the terms of this MOU.

6) SANTA ANA WORKFORCE DEVELOPMENT STRATEGIES

Santa Ana's vision rests on integrating current and future resources through its SAWDB Partners. Integration suggests more than partnering or assembling multiple funding sources. In addition, each party shall be solely responsive and hold all other parties harmless from all matters relating to payment of each party's employee(s), including compliance with social security withholding, workers' compensation, and all other regulations governing such matters.

11) AJCC OPERATING BUDGET

The purpose of this section is to establish a financial plan, including terms and conditions, to fund the services and operating costs of the local AJCC. The parties to this MOU agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the operating budget is to develop a funding mechanism that:

- a. Establishes and maintains the Local workforce delivery system at a level that meets the needs of the job seekers and businesses in the Local area;
- b. Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among Partners (thereby improving each program's effectiveness);
- c. Reduces overhead costs for any one Partner by streamlining and sharing financial, procurement, and facility costs;

- d. Ensures that costs are appropriately shared by AJCC Partners by determining contributions based on the proportionate use of the AJCC centers and relative benefits received, and requiring that all funds are spent solely for allowable purposes in a manner consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance; and,
- e. All parties will meet and confer regarding replacement, acquisition, cleaning and maintenance of furnishings.

The parties consider this AJCC operating budget the master budget that is necessary to maintain the SAWDB's high-standard AJCC. It includes the following cost categories, as required by WIOA and its implementing regulations:

- a. Infrastructure costs (also separately outlined below in the Infrastructure Funding Agreement);
- b. Career services; and
- c. Shared services.

All costs must be included in the MOU, allocated according to the AJCC Partner's proportionate use and relative benefits received, reconciled every six (6) months against actual costs incurred, and adjusted accordingly. The AJCC operating budget is expected to be transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair. All Partners must adhere and reference the rules and regulations included in the executed Office Lease, attached hereto as Attachment 5 and incorporated herein by reference.

12) INFRASTRUCTURE FUNDING AGREEMENT

The Infrastructure Funding Agreement ("IFA") contains the infrastructure costs budget that is an integral component of the overall AJCC operating budget. The IFA is a mandatory component of the local MOU, described in WIOA sec. 121(c) and 20 CFR 678.500 and 678.755. The IFA contains the AJCC Comprehensive Infrastructure Budget, and Other System Cost Budget, included herein as Attachment 3 and incorporated herein by reference, that is an integral component of the overall AJCC operating budget. The other component of the IFA is the Applicable Career Services, attached herein as Attachment 3-1 and incorporated herein by reference, which includes the shared operating costs and shared services. The overall AJCC operating budget includes the Comprehensive Cost Allocation and Partner Contributions, attached herein as Attachment 4 and incorporated herein by reference.

AJCC infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the AJCC, including, but not limited to:

- a. Rental of the facilities;
- b. Utilities and maintenance;
- c. Equipment, including assessment-related products and assistive technology for individuals with disabilities; and,
- d. Technology to facilitate access to the AJCC, including technology used for the center's planning and outreach activities.

Changes in the AJCC Partners or an appeal by an AJCC Partner's infrastructure cost contributions will require an amendment of the MOU.

13) COST ALLOCATION METHODOLOGY

The purpose of this infrastructure cost sharing methodology is to summarize, in writing, the methods and procedures that the SAWDB will use to share costs with the AJCC Partner. The AJCC Partner agrees that it will be charged on a monthly basis according to the following cost sharing methodology, and that monthly payment will be submitted within the first ten (10) calendar days of each month.

14) INFRASTRUCTURE COST ALLOCATION METHODOLOGY

a. Rent Costs: Rent costs shall be based only on the base rent. The base rent is derived from the total assigned square footage, calculating the percentage of usage by AJCC Partner and applying that percentage to the common area square footage. Assigned square footage plus the percentage of common area square footage equals total square footage for each AJCC Partner. Total square footage for each AJCC Partner multiplied by the base rent per square foot equals total base rent for each AJCC Partner as indicated in the AJCC Comprehensive Infrastructure Budget, and Other System Cost Budget and the Comprehensive Cost Allocation and Partner Contributions. The base rent has an annual increase of no more than 3% over the five-year life of the Office Lease document (Attachment 5 attached herewith and incorporated herein by reference).

b. Utilities and Maintenance: This section includes only telephone services, which includes voice-mail on AJCC Partners' phones. Costs for staff phones are charged based on the AJCC Partner's assigned space. Common area phones will be charged according to space allocation.

c. Telephones: Telephone costs include the cost of purchasing and installing a new phone system utilized by the AJCC Partners. Telephone costs are based on the actual cost for telephones in assigned spaces. Common area telephones are allocated based on percentage of space allocation.

d. Technology and Internet Access Costs: Installation of Network Wireless Bridge will be a monthly charge based on costs from the vendors. The cost per AJCC Partner is derived from the calculation of total percentage of space used by each AJCC Partner. Recurring monthly charges for Internet, Wi-Fi and other technology charges are allocated based on the percentage of total space allocated. Access Card System installation and programming of the key card system, Data & Phone cabling and Switches will be a monthly charge to all collocated Partners based on allocated space.

15) INFRASTRUCTURE CONTRIBUTIONS

The AJCC Partner may provide cash, non-cash (in-kind), and third-party in-kind contributions to cover its share of infrastructure costs. In-kind contributions cannot be used to fund non-infrastructure costs (such as personnel), and must be valued consistent with Uniform Guidance Section 200.306 to ensure such contributions are fairly evaluated and qualify for the AJCC Partner's proportionate share.

If third-party in-kind contributions are made to support the AJCC as a whole (such as facility space), that contribution will not count toward the AJCC Partner's proportionate share of the infrastructure. Rather, the value of the contribution will be applied to the overall infrastructure budget prior to determining proportionate amounts and thereby reduce the contribution required for all AJCC Partners.

a. Cash

Cash funds provided to the SAWDB, or its designee, by AJCC Partners, either directly or by an interagency transfer, or by a third party.

b. Non-Cash

Expenditures incurred by AJCC Partners on behalf of the AJCC; and Non-cash contributions or goods or services contributed by a Partner program and used by the AJCC.

c. Third-party In-kind

Contributions of space, equipment, technology, non-personnel services, or other like items to support the infrastructure costs associated with AJCC operations, by a non-AJCC Partner to: Support the AJCC in general; or, Support the proportionate share of AJCC infrastructure costs of a specific Partner [20 CFR 678.720; 20 CFR 678.760; 34 CFR 361.720; 34 CFR 361.760; 34 CFR 463.720; and 34 CFR 463.760].

16) OTHER AJCC DELIVERY SYSTEM COSTS

In compliance with WIOA Joint Rule Section 678.760, the AJCC Partners will use a portion of funds made available under their authorizing federal statute (or fairly evaluated in-kind contributions) to share the additional costs relating to the operation of the One-Stop delivery system. These costs may be shared through cash, non-cash, or third-party in-kind contributions.

As required by WSD16-09, the amount of funds that the AJCC Partner has budgeted to expend on applicable career services and other shared services, which cumulatively with the other AJCC Partners budgeted amounts shall form the Comprehensive Cost Allocation and Partner Contributions.

a. Career Services Applicable to the AJCC Partner

The AJCC Partner shall provide applicable career services to clients as set forth in the Santa Ana AJCC Partner Services. The agreed upon Applicable Career Services Budget is set forth in Attachment 3-1 attached hereto and incorporated herein by reference. This budget consists of the AJCC Partner's costs for the service delivery of each applicable career service indicated in the Santa Ana AJCC Partner Services.

b. Required Consolidated Budget for the Delivery of "Applicable Career Services"

The other system costs budget must be a consolidated budget for applicable career services. This budget must include each of the Partner's costs for the service delivery of each applicable career service and a consolidated system budget for career services applicable to more than one Partner as indicated in the Comprehensive Cost Allocation and Partner Contributions.

AJCC Partners understand that while only collocated Partners share infrastructure costs, at this time, all AJCC Partners must share in other System costs through non-cash (in-kind)

contributions as set forth herein.

17) DATA SHARING

Parties agree that the use of high-quality, integrated data is essential to inform decisions made by policymakers, employers, and job seekers. Additionally, it is vital to develop and maintain an integrated case management system, as appropriate, that informs customer service throughout customers' interaction with the integrated system and allows information collected from customers at intake to be captured once.

Parties further agree that the collection, use, and disclosure of customers' personally identifiable information (PII) is subject to various requirements set forth in Federal and State privacy laws. Partners acknowledge that the execution of this MOU, by itself, does not function to satisfy all of these requirements.

Each party will ensure that the collection and use of any information, systems, or records that contain PII and other personal or confidential information will be limited to purposes that support the programs and activities described in this MOU and will comply with applicable law.

Each party will ensure that access to software systems and files under its control that contain PII or other personal or confidential information will be limited to authorized staff members who are assigned responsibilities in support of the services and activities described herein and will comply with applicable law. Each party expressly agrees to take measures to ensure that no PII or other personal or confidential information is accessible by unauthorized individuals.

To the extent that confidential, private, or otherwise protected information needs to be shared amongst the parties for the parties' performance of their obligations under this MOU, and to the extent that such sharing is permitted by applicable law, the appropriate data sharing agreements will be created and required confidentiality and ethical certifications will be signed by authorized individuals. With respect to confidential unemployment insurance information, any such data sharing must comply with all of the requirements in 20 CFR Part 603, including but not limited to requirements for an agreement consistent with 20 CFR 603.10, payments of costs, and permissible disclosures.

With respect to the use and disclosure of FERPA-protected customer education records and the PII contained therein, any such data sharing agreement must comply with all of the requirements set forth in 20 U.S.C. § 1232g and 34 CFR Part 99.

22) GRIEVANCES AND COMPLAINTS PROCEDURE

The AJCC Partner agrees to establish and maintain a procedure for grievance and complaints as outlined in WIOA. The process for handling grievances and complaints is applicable to customers and Partners. These procedures will allow the customer or entity filing the complaint to exhaust every administrative level in receiving a fair and complete hearing and resolution of their grievance. The Partner further agrees to communicate openly and directly to resolve any problems or disputes related to the provision of services in a cooperative manner and at the lowest level of intervention possible. All Partners agree to inform each other immediately when a customer violates an established policy that would require them to be banned from the center or involves police authorities.

23) AMERICAN'S WITH DISABILITIES ACT AND AMENDMENTS COMPLIANCE
