United to End Homelessness writes today to express our support for the Intergenerational Housing Project at 918 N. Bewley Street development with Illumination Foundation that is under consideration. This proposal would contribute 8 units of high-quality Permanent Supportive Housing (PSH) units to help end our county's homelessness crisis in a unique way.

United to End Homelessness was launched by Orange County United Way in 2018. We are a collaboration of Orange County's top business, philanthropic, government, faith-based, and non-profit leaders committing to ending homelessness and ensuring housing and services are available for every individual who may need them.

Thank you for support for the Intergenerational Housing Project at 918 N. Bewley Street. We are grateful to you for your courage and willingness to improve the lives of those in-need in our community.

Sincerely,
