RECOMMENDED ACTION

1. Approve an appropriation adjustment recognizing \$2,803,706 in funds from the State of California, in revenue account (No. 15818002-52025) and appropriate the same amount to expenditure account (No. 15818700-various) to address homelessness in the City of Santa Ana.
2. Authorize the City Manager to execute the standard agreement with the State of California Department of Housing and Community Development to receive Permanent Local Housing Allocation funds in the amount of \$2,803,706, subject to non-substantive changes approved by the City Manager and City Attorney.

DISCUSSION

In 2017, the California Legislature approved Senate Bill (SB 2), known as the Building Homes and Jobs Act, which established a \$75 recording fee on real estate documents to increase the supply of affordable homes in California. The Act establishes the Permanent Local Housing Allocation (PLHA) program administered by the California Department of Housing and Community Development (HCD). Under the PLHA, funding is provided through formula grants to entitlement jurisdictions based on the formula prescribed under federal law for the Community Development Block Grant (CDBG) program over a five-year funding period, as well as through a competitive grant program to non-entitlement jurisdictions. The City of Santa Ana is an entitlement jurisdiction and is eligible to receive an estimated \$14 million, or approximately \$2.8 million annually. As the number of real estate transactions recorded will vary from year to year, the revenues collected will fluctuate. In June, 2020, City Staff submitted the official plan to the State of California noting that allocated funds will be used for the new homeless navigation center.

On June 16, 2020, the City Council approved an operational agreement with Illumination Foundation to operate a year-round homeless navigation center and recuperative care facility at 1815 Carnegie Avenue. The shelter will provide a total of 200-250 beds, for individuals, families

with children, and special needs populations who are homeless in the City of Santa Ana. The City will apply the first year PLHA allocation toward shelter tenant improvements and subsequent allocations for the operation of the shelter. The allocation also allows for a portion of the funds to be used for the administration of the Plan. Utilizing the funds in this manner will meet the State's requirements of entitlement jurisdictions to use PLHA funds to increase the supply of affordable housing, and specifically in the category to assist those who are homeless, including, operating, and capital costs for navigation centers and emergency shelters.

This plan will build upon the City's existing efforts to prevent and combat homelessness and to identify long-term goals to address the needs of its homeless and unstably housed residents.

FISCAL IMPACT

Approval of the appropriation adjustment will recognize \$2,803,706 in funds from the State of California, in revenue account (No. 15818002-52025) and appropriate the same amount to expenditure account (No. 15818700-various) for anticipated expenditure in FY 20-21. Should there be remaining funds at the end of the fiscal year, funds will be carried over to FY 21-22.
