

Santa Ana City Council Meeting

December, 1, 2020

Public Comments: Susana Canett Sandoval, Chair, MPN (Madison Park Neighborhood) GREEN Advisory Board

I represent the Madison Park Neighborhood GREEN Program as the Chair for the Advisory Board, and Co – Chair, Santa Ana Healthy Neighborhoods Alliance, resident in Wilshire Square.

Mr. Mayor Pulido and esteemed city council members, we wish to thank you for your years of service and dedication. Particularly during very difficult and challenging times.

We are particularly happy that the commissioners you appointed on the Planning Commission voted to not approve the General Plan at this time. The commissioners heard the voices of the community that more outreach to residents needs to take place and their input is key to a comprehensive general plan that represents accountability with state regulations, and can be successful. Particularly as it pertains to environmental justice and city development.

We look forward to our continued collaboration with the city on the evolving General Plan that will stimulate our city of Santa Ana and its residents to thrive.

We wish you continued success as you pursue your endeavors and work. Muchisimas gracias for your years of service and contributions.

Orozco, Norma
