DISCUSSION

On November 19, 2012, the City Council of the City of Santa Ana acting as Successor Agency to the former Community Redevelopment Agency of the City of Santa Ana (Successor Agency) established the City Manager's authority to execute agreements in an amount not to exceed \$25,000. This authority required the submission of a quarterly report to the Successor Agency at a public meeting on all such agreements, including the names of contractors and the amounts of each contract.

On February 4, 2020, the City Council of the City of Santa Ana acting as Successor Agency adopted Resolution 2020-002 to increase the City Manager's contract authority to \$50,000 to be consistent with the 2019 approved limits of the City Manager for non-public works contracts. The requirement to provide a quarterly report remained the same. There were no agreements that were entered into during the period of July 1, 2020 through September 30, 2020.
