Subject: October 20th Council Meeting - Agenda Item 85 C

Hello,

I'm writing to encourage the members of the Council to join Councilman Penaloza and take a stand alongside the Armenian-American community by denouncing the attacks on Armenians by Azerbaijan. For over 30 years, the Armenian-American community has been a stable presence in Santa Ana. The Forty Martyr's Apostolic Church, the Ari Guiragos Minassian School, and the Armenian Community Center located in Ward 1 attract Armenians from all around Orange County to Santa Ana on a daily and weekly basis.

Over the last 3 weeks our community has been living a nightmare as we have helplessly watched Azerbaijan with the support of Turkey and the apparent use of Islamic State mercenaries launch full-scale attacks against the civilian population of Artsakh (Nagorno-Karabakh) and the Republic of Armenia. Two humanitarian ceasefires have been negotiated and then flippantly violated by Azerbaijan. Our community is worried about the safety and security of our family and friends in Armenia. My community and I are calling on you to take a strong moral stance on this issue without equivocation.

Thank you,
Lori Karaguezian

Subject: Call to Action: Protest and Resolution

Please forward to all members, family and friends.

Միտնի Orange County-ի Ազգային ղեկավարներ՝

To continue our fight against the Azerbaijani and Turkish aggression we in the diaspora need to do anything we can to help our brothers and sisters in Artsakh and Armenia. We are in a great war for our very survival against Turkey and Azerbaijan.

We need to keep collecting donations and keep the pressure on local, state, federal government elected and appointed officials in the US and the international community.

In these efforts I wanted to keep you informed of 2 items and ask that you share with your membership, friends and family.

Protest at Israeli consulate

The Armenian Youth Federation has organized a Protest tonight 10/19/2020 at 7pm at Israeli Consulate to protest Israeli Arms Sales to Azerbaijan. The arms sold to Azerbaijan by Israel are being used to bomb Armenian civilian population of Artsakh and Armenia. The protest will only remain on this issue. We are not against the people of Israel or those from Israel and not against those of Jewish Faith.

Please see the flyer attached and share on Social media pages.

Resolutions

The Armenian National Committee of Orange County has been working tirelessly in submitting and asking cities in Orange County to pass resolution calling out Turkish and Azeri aggression against Artsakh and Armenia. Similar resolutions have already passed in LA and Fresno.

One of the cities we are working with is Santa Ana, where our own Armenian Center(Agoump), Ari Guiragos Minassian Armenian School and Forty Martyrs Armenian Apostolic Church are located.

The Resolution is on Santa Ana's Council Agenda tomorrow, 10/20/2020 for discussion. Tomorrow they will discuss and decide to formally adopt the resolution later in November.

I would like to ask you to have anyone who lives and/or has business in Santa Ana to submit a public comment in support for the resolution being considered.

Two ways to submit public comments:

- 1) Email ecomment@santa-ana.org by 4pm tomorrow.
- 2) Joining the City Council meeting
 - a. Join Zoom meeting by calling
 - i. 669-900-9128
 - ii. Meeting ID: 315965149##
 - iii. Meeting Link:
<https://us02web.zoom.us/j/315965149>
 - b. They will be prompted based on the last 3 digits of their phone number to speak in the order they called in.
 - c. To be able to speak they will have to join by 5pm to be added to queue for public comment.

For both options please note that you are calling or writing as relates to agenda item 85C: Artsakh Resolution.

Subject: 10/20 City Council Meeting, Agenda 85C - Support our Armenian Community

Hello,

My name is Emily, and I am writing to encourage every member of this Council to join Councilman Penaloza and take a stand in support of the Armenian-American community by denouncing the attacks committed by Azerbaijan. Azerbaijan is responsible for launching an unprovoked war on Artsakh - backed by Turkey and foreign jihadists – that has been intentionally and deliberately targeting civilians.

Left unchecked, Turkey and Azerbaijan (with a combined population of 100 million) will complete the work of the Armenian Genocide. Armenia is a proud modern democracy of just three million-strong who needs our support and help. Over the last 3 weeks, the Armenian community has been living a nightmare as they helplessly watched Azerbaijan with the support of Turkey and the apparent use of Islamic State mercenaries launch full scale attacks against the civilian population of Artsakh (Nagorno-Karabakh) and the Republic of Armenia.

The Armenian community is worried about the safety and security of their family and friends in Armenia. I urge this council to take a strong moral stance on this issue and serve as a model for how other communities and local councils can follow in your footsteps. We must support the Armenian community abroad and right here in our backyard and not allow this injustice to go any further.

Thank you,
Emily Downer

Subject: Support for Resolution Condemning Turkey/Azerbaijan - Agenda Item 85C

Dear Members, Santa Ana City Council:

I am a business owner in the city of Santa Ana.

I strongly support the city adopting a resolution condemning the continuing military assault by Turkey and Azerbaijan against Nagorno Karabagh (Artsakh) and Armenia.

These barbaric, unprovoked military attacks target civilians and civilian infrastructure and use prohibited cluster-bombs with a clear desire to commit another genocide against the Armenian people. Turkey has shamefully recruited and paid terrorist mercenaries to invade Artsakh and endanger the entire Caucasus region for decades.

In addition to condemning Turkey and Azerbaijan for these war crimes, I urge the Santa Ana City Council to support self-determination for the people of Nagorno Karabagh and immediately recognize the independence of Artsakh.

Thank you for your support of human rights, freedom and self-determination of peoples.

Sincerely,

Timothy Jemal

Subject: Attention please: 10/20 City Council Meeting, Agenda 85C - Pass the Resolution to Denounce Azerbaijan

Dear City Council,

As Armenia and Artsakh face a genocidal campaign of race extermination and war crimes orchestrated by Azerbaijan and Turkey - along with their ISIS allies - America needs to be represented in Armenia. At this time of great consequence, it's not too late for you to help stop a second Armenian Genocide.

I'm writing to encourage the members of the Council to join Councilman Penaloza and take a stand alongside the Armenian-American community by denouncing the attacks on Armenians by Azerbaijan. This heartbreaking loss of life is horrific.

The Armenian community is worried about the safety and security of their family and friends in Armenia. My fellow Armenian community members and I are calling on you to take a strong moral stance on this issue without equivocation. Please!

Sincerely,

Alli Tucker

As a resident of Mission Viejo, I am here asking, no begging, for your support. I am Armenian. My family immigrated from Lebanon to avoid war and conflict, and now my homeland is at war. My people are dying, and I have to sit back and watch as American legislators and newscasters ignore the entire conflict. I am asking you to be on the right side of history and speak up for ethnic minorities like me, for Armenians all throughout the diasporans and cover the war in Armenia.
