- ☐ Ordinance on 2nd Reading
- ☐ Implementing Resolution
- ☐ Set Public Hearing For _____

A handwritten signature in black ink, appearing to read "Norma A. E.", is written over a horizontal line.

CITY MANAGER

CONTINUED TO _____

FILE NUMBER _____

RECOMMENDED ACTION

Authorize a one-time purchase and payment of purchase order to McCain, Inc. for the purchase of seven traffic signal control cabinets in an amount not to exceed \$53,400, subject to nonsubstantive changes approved by the City Manager and City Attorney.

DISCUSSION

The City of Santa Ana maintains and operates 303 traffic signals, many of which have outdated steel cabinets. At times, these cabinets fail due to traffic collisions, electrical surges, rust, or other damage. Once a cabinet is compromised, it must be replaced immediately to minimize delay and congestion impacts to the public. To expedite cabinet replacement, the City will purchase 7 aluminum cabinets that meet current State of California Department of Transportation (Caltrans) standards. These cabinets will be provided to the traffic signal maintenance contractor on an as-needed basis.

The notice inviting bids was advertised on May 1, 2018, on the City's online bid management and publication system. A summary of the bid invitations and bids received is as follows:

315 Vendors notified
12 Vendors downloaded bid documents
5 Bids received
0 Bids received from Santa Ana vendors

Bids were received, opened on May 22, 2018, and evaluated (Exhibit 1). The bid received from McCain, Inc. is responsive to the specifications and meets the City's requirements.

STRATEGIC PLAN ALIGNMENT

Approval of this item supports the City's efforts to meet Strategic Plan Goal #6 – Community Facilities & Infrastructure, Objective #1 (establish and maintain a Community Investment Plan for all City assets) Strategy C (invest resources and technology to extend the service life of existing infrastructure to protect the City's investment and support a high quality of life standard).

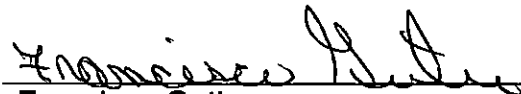

FISCAL IMPACT

Funds in the amount of \$53,400 are available in FY 2017-18 Traffic Signal Maintenance account (02917620-62300).

APPROVED AS TO FUNDS & ACCOUNTS:
