TOPIC: Amendment to FY 2022-2023 MOU with the Santa Ana Police Department HEART Program and ESG Subrecipient Agreement with 2-1-1 Orange County

AGENDA TITLE:

Approve an Amendment to the Fiscal Year 2022-2023 Emergency Solutions Grant (ESG) Memorandum of Understanding (MOU) Agreement with the Santa Ana Police Department HEART Program for Additional Street Outreach and ESG Subrecipient Agreement with 2-1-1 Orange County for HMIS Data Collection (Non-General Fund)

RECOMMENDED ACTION

1. Authorize the City Manager to execute an amendment to the Santa Ana Police Department HEART Program Memorandum of Understanding to increase the amount of the agreement by \$30,000 for program year July 1, 2022 - June 30, 2023 for additional street outreach activities, subject to non-substantive changes approved by the City Manager and City Attorney.
2. Authorize the City Manager to execute an amendment to the 2-1-1 Orange County Subrecipient Agreement to increase the amount of the agreement by \$22,340.92 for program year July 1, 2022 - June 30, 2023 for additional data collection, subject to non-substantive changes approved by the City Manager and City Attorney.

DISCUSSION

On April 19, 2022, the City Council authorized the City Manager to execute a Memorandum of Understanding with the Santa Ana Police Department and agreements with non-profit organizations as part of the program year 2022-2023 Emergency Solutions Grant (ESG) Program allocation to provide housing assistance, emergency shelter and street outreach to Santa Ana residents experiencing homelessness.

At the close of Fiscal Year 2021-2022, unspent funds from ESG program recipients totaling \$52,340 were recaptured for redistribution. Staff recommends reallocating FY 2021-2022 unspent funds to the Santa Ana Police Department HEART Program and 2-1-1 Orange County to expand services for people experiencing homelessness. The funds for the HEART Program will provide additional street outreach services to individuals experiencing homelessness to provide them with necessary resources. The funds for 2-1-1 Orange County will provide additional funds for Homeless Management Information System (HMIS) data collection and analysis.
