Workforce Development Board Staff Report
May 18, 2023

Topic: Local Area Subsequent Designation and Local Board Recertification Program
Year (PY) 2023-25

AGENDA TITLE:

Local Area Subsequent Designation and Local Board Recertification Program Year (PY)
2023-25

RECOMMENDED ACTION

1. Authorize the Chair of the Workforce Development to sign the Subsequent Local Area Designation and Local Board Recertification application and direct staff to submit to the California Workforce Development Board.
2. Recommend City Council authorize the Mayor to sign the Program Year 2023-25 Subsequent Local Area Designation and Local Board Recertification application.

DISCUSSION

The California Employment Development Department (EDD), released Directive WSD22-14, on May 2, 2023, establishing procedures regarding subsequent designation of Local Workforce Development Areas (Local Areas) and recertification of Local Workforce Development Board's under the Workforce Innovation and Opportunity Act (WIOA). The subsequent designation and local board recertification is effective July 1, 2023, through June 30, 2025. This recertification ensures the continuation of WIOA funding and operations.

Acting under the authority of the Governor, the process for subsequent designation and recertification of Local Boards under WIOA, is overseen by the California Workforce Development Board (State Board). In accordance with WIOA Section 107(c)(2), the State Board will recommend recertification if a Local Board has met WIOA board membership requirements, met or exceeded performance accountability measures and achieved sustained fiscal integrity.

The completed Subsequent Designation and Local Board Recertification Request must be signed by the Local Board chairperson and the local Chief Elected Official (CEO) and submitted to the State Board no later than May 26, 2023 however, the State will accept unsigned requests so long as a fully signed document is submitted in a reasonable time.

FISCAL IMPACT

There is no fiscal impact associated with this action.
