TOPIC: Purchase of a John Deere 410L Backhoe for the Public Works Water Resources Division

AGENDA TITLE

Award a Purchase Order to Bragg Investment Company, Inc., dba Coastline Equipment, for a John Deere 410L Backhoe in an Amount Not to Exceed \$190,026 (Specification No. 23-077) (General and Non-General Funds)

RECOMMENDED ACTION

Authorize a one-time purchase and payment of a purchase order to Bragg Investment Company, Inc., dba Coastline Equipment, for one John Deere 410L Backhoe, in the amount of \$185,026, plus a contingency amount of \$5,000, for a total amount not to exceed \$190,026, subject to non-substantive changes approved by the City Manager and City Attorney.

DISCUSSION

The Public Works Agency (PWA) Fleet Services Division is responsible for the acquisition, maintenance, repair, and replacement of vehicles, trucks, and maintenance equipment. The Public Works Agency Water Resources Division oversees and maintains the daily operations of the City's water distribution system and City's Corporate Yard. The water system is composed of approximately 480 miles of water main, 21 groundwater wells, seven pump stations, 10 reservoirs with a storage capacity of 49 million gallons, four pressure regulating vaults (PRVs), and seven connection points with Metropolitan Water District of Southern California (MWD). The Division's Water Production section is requesting to purchase a backhoe to assist in routine work performed by the section staff while ensuring the availability of the City's high quality water supply. The equipment will also be utilized at the Corporate Yard as part of maintenance and operations.

Santa Ana City Ordinance No. NS-2312 authorizes the City to purchase against contracts from any public agency utilizing a competitive bid process. Sourcwell, a cooperative government purchasing agency, awarded a contract to Coastline Equipment (Contract No. 032119-JDC) as a result of open, competitive bidding on behalf of its members, which includes government agencies.

Staff researched available procurement options and product offerings in the market and determined that Coastline Equipment meets the City's specifications. Additionally, Coastline Equipment is the only authorized dealer appointed by Deere & Company, manufacturer of John Deere equipment, in the County of Orange, California. By leveraging the procurement power through cooperative purchasing, the City of Santa Ana is able to obtain nationally vetted, high quality products at competitive volume pricing, and is in accordance with the City's existing Purchasing guidelines.
