DISCUSSION

On June 15, 2021, the City entered into agreements with Ocean Blue Environmental Services, Inc. and United Storm Water, Inc. The primary purpose of these agreements is for spill response, hazardous waste disposal, and storm drain facility maintenance services.

On October 5, 2021, the City entered into the first agreement amendments with Ocean Blue Environmental Services, Inc. and United Storm Water, Inc. to provide COVID-19

Sanitization Services. The term of the first agreement amendment expired on June 14, 2022 and these services are no longer being provided.

During the severe storms that impacted the City this winter, excess trash, debris, and sediment was mobilized into the City's storm drain system and additional storm drain facility maintenance is required. A second agreement amendment is necessary to increase the expenditure capacity to facilitate these services. (Exhibits 1 and 2).
