---

**AGENDA TITLE:**

Receive and File certification of approval by City Engineer of Final Parcel Map No. 2018-04 (3100 and 3130 South Harbor Boulevard) (Owner: Kearney Harbor, LLCC; Subdivider: Kearney Real Estate Company)

**RECOMMENDED ACTION**

Receive and file certification of approval by City Engineer of Final Parcel Map 2018-04.

**DISCUSSION**

In California, regulation and control of the division of real property is vested in the legislative bodies of local agencies by the Subdivision Map Act. In the City of Santa Ana, the regulations and processes are provided in Chapter 34 of the Santa Ana Municipal Code (SAMC), which pursuant to Section 34-127, includes the approval of a tentative parcel map by the Planning Commission. Following approval of a tentative map by the approving body, the property subdivider prepares and submits a final map to the City Engineer for approval. If the final map is in the correct form prescribed by the Subdivision Map Act and Chapter 34 of the SAMC, and all conditions set forth in the tentative map are met, the final map shall be approved by the City Engineer.

The Planning Commission approved a tentative map for 3100 and 3130 South Harbor Boulevard on July 27, 2020. The City Engineer has received Final Parcel Map No. 2018-190 (City Parcel Map No. 2018-04) for the referenced subdivision (Exhibit 1) from Sara Bova, representing Kearney Real Estate Company. This parcel map subdivides an existing office complex into two commercial (non-residential) condominium units, which will allow the units to be sold to individual owners. The project site will continue to be utilized for office uses, which are legal non-conforming within the site's current M-1 zoning designation.

The City Engineer is in the process of reviewing the map for technical accuracy and final approval. This action informs the City Council of the imminent approval of the referenced subdivision based upon the Subdivision Map Act and meeting all the conditions of approval set by the City. Pursuant to Section 34-183 of the Santa Ana Municipal Code,
