

7. Measure X Annual Report of Revenue and Expenditures Revenue Update
{Alexander Trinidad, FMSA}

**City of Santa Ana Measure X
Annual Report of Revenue & Expenditures
Fiscal Year Ended June 30, 2023**

Measure X Background

On November 6, 2018, Santa Ana’s voters approved Measure X Santa Ana Neighborhood Safety, Homeless Prevention, and Essential City Services Enhancement Measure. Measure X is a local sales tax of 1.5% *“To maintain effective 9-1-1 response; retaining firefighters and police officers; addressing homelessness; fixing streets; maintaining parks, youth and senior services, and unrestricted general revenue purposes”*.

Like most cities in California, Santa Ana was facing a budget deficit from the increasing cost of services outpacing the City’s revenue sources. Prior to passage of Measure X, the City Council adopted the fiscal year 2018-19 General Fund budget to spend \$10.2 million more than revenue collected, drawing down the City’s reserve balance to maintain the level of service to the public. The budget forecast indicated the structural deficit would continue to grow each year, predicting that by 2020, the City’s General Fund would spend \$31.9 million more than it collects each year.

Measure X became effective on April 1, 2019, and the City initially expected it would generate \$60 million of annual General Fund revenue. Most recently, Measure X generated \$86.9 million of annual General Fund revenue for fiscal year ended June 30, 2023. After 10 years, the tax will decrease to 1.0%; and on March 31, 2039 the tax will sunset.

Citizen Oversight Committee

Ordinance NS-2952 enacted with approval of the ballot measure requires annual audits and citizens oversight. Specifically Section 35-215 states: *“An annual audit of the revenue generated by the sales and use tax and the expenditure made will be conducted by an independent certified public accountant.”* Section 35-214 states the Committee will *“act in an advisory role to the City Council in reviewing the annual revenue and expenditures of funds from the tax authorized by this article.”*

On February 5, 2019, the City Council established the Measure X Citizen Oversight Committee via Resolution No. 2019-008. Each City Council Member recommends appointment of an Oversight Committee Member residing in their ward, with ratification by the entire City Council. The Mayor appoints a member at large with financial expertise. Section 6 of the establishing resolution identifies the Committee’s duties as follows.

- A. *“Pursuant to Santa Ana Municipal Code Section 35-214, the Committee shall act in an advisory role to the City Council.*
- B. *The Committee shall review summaries of quarterly and year-to-date revenue generated by Measure X, as detailed sales tax data for each business is confidential pursuant to state law.*
- C. *The Committee shall review budgeted and actual expenditures appropriated from the Measure X revenue source.*
- D. *During its December meeting, the Committee shall receive annual presentations from the City's sales and use tax consultant and the City's independent financial statement auditor.*
- E. *During its March meeting, the Committee shall prepare an annual report to City Council, including recommendations, in time for City Council consideration during the budget process for the upcoming fiscal year.”*

Sales Tax Rates

The public is accustomed to paying sales tax when purchasing goods in California. The base sales tax rate in Orange County is 7.75%, with 1.00% distributed to cities (the Bradley-Burns allocation). Sellers collect the tax and remit to the California Department of Tax and Fee Administration (CDTFA), which distributes the tax as follows.

For most transactions, Measure X adds 1.5% to the sales tax rate, effectively setting the local tax rate to 9.25%.

Sales Tax Rates - Continued

Measure X is a local transactions and use tax, with slightly different rules for collection. For most local sales transactions, there is no difference. However, when a Santa Ana seller ships product out of the city, no Measure X tax is collected. When an outside seller ships product into the city, the seller must collect Measure X tax. When a non-resident purchases a vehicle in the City, no Measure X tax is collected.

Measure X Revenue

This annual report covers the fiscal year ended June 30, 2023 (July 2022 through June 2023).

June 2023	7,605,018
Total Collected FY 2022-23	\$ 86,849,806

The City received \$86.9 million in Measure X receipts during fiscal year 2022-23 which represents a full twelve (12) months of remittances. Measure X receipts were lower than budget projections of \$88.1 by \$1.3 million. The year over year revenue increase was 1% compared to fiscal year 2021-22. The City's sales tax consultant has noted we are experiencing a decrease in new vehicle sales and taxable construction materials, which are having a greater impact on Measure X revenue.

The Original Adopted Estimated Budget for Fiscal Year 2023-24 is \$88.6 million. The estimate was provided by consultant using the "Most Likely projections" based on the most recent economic data available in March 2022. On November 7, 2023, the City Council received the First Quarter Budget Update that included appropriation adjustments to the General Fund expenditures and revisions to revenue estimates. Measure X revenues for FY 2023-24 were adjusted to \$85.9 million (a reduction of \$2.7 million and a 1% further decrease from FY 2022-23 based on the latest information from the consultant).

Annual Report of Revenue & Expenditures
Fiscal Year Ended June 30, 2023**

A summary of the total Fiscal Year 2023-24 General Fund original budget is as follows.

FY 23-24 General Fund Original Revenue: \$400.9M

The Adjusted Measure X Revenue during Fiscal Year 2023-24 represents 21.5% of the total General Fund revenue.

Fiscal Year 2022-23 Expenditures

The City utilized Measure X funding of \$71.6 million in program expenses while adding \$15.3 million to the General Fund balance (Exhibit 1). Management has designated the excess of approximately \$15.3 million as an addition to the general fund balance for carryover appropriations during the year ended June 30, 2023. This means the Measure X revenue will be spent on planned Measure X expenditures, just in the next fiscal year. Program expenses include maintaining effective 9-1-1 response times; retaining firefighters and police officers; addressing homelessness; fixing streets, maintaining parks; youth services; and Unrestricted General Revenue Purposes.

**City of Santa Ana Measure X
