DISCUSSION

The Public Works Agency's Parks, Fleet, and Facilities Services Division is responsible for the acquisition, maintenance, repair, and replacement of vehicles, trucks, and maintenance equipment. The Fleet Services section maintains a stock room of fast-moving parts as well as special ordered Original Equipment Manufacturer (OEM) parts to provide the needed vehicle parts for maintenance, preventative maintenance, complex mechanical repairs, and tire replacements of over 700 City vehicles and equipment.

In 2019, City Council approved an agreement with Elliot Auto Supply Co., dba Factory Motor Parts (FMP), for a three-year period beginning July 1, 2019 to June 30, 2022, with provisions for two one-year renewal options. The last renewal option is set to expire June 30, 2024, and continuing the agreement with FMP will maintain the flow of OEM parts as needed.

Santa Ana City Ordinance No. NS-3041 authorizes the City to purchase against contracts from any public agency utilizing a competitive bid process. Equalis, a cooperative government purchasing agency, awarded a contract to FMP (Contract No. COG-2129A) as a result of open competitive bidding on behalf of its members, which includes government agencies.

Staff researched available procurement options and product offerings in the market, and determined that FMP meets the City’s specifications. By leveraging the procurement power through cooperative purchasing, the City is able to obtain nationally vetted, high quality products at competitive volume pricing, and is in accordance with the City’s existing purchasing guidelines. Staff recommends an agreement with FMP for consignment vehicle parts and accessories for a two-year period beginning July 1, 2024, and expiring June 30, 2026, with option for one one-year extension, for an annual amount not to exceed \$500,000, for a total amount not to exceed \$1,500,000.

FISCAL IMPACT

Funding is available in the FY 2024-25 budget and funding for subsequent fiscal years will be included in the proposed budget for City Council consideration. The following table summarizes the funds budgeted and available in FY 2024-25 and future fiscal years as follows:

4. INDEPENDENT CONTRACTOR

Contractor shall, during the entire term of this Agreement, be construed to be an independent Contractor and not an employee of the City. If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to City.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. CGL and AL policies: City of Santa Ana, its City Council, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds with respect to liability arising out of work or operations performed by or on behalf of the Permittee including materials, parts, equipment, and personnel furnished in connection with such work or operations.

4. All required insurance policies: A severability of interest provision must apply for all the additional insureds, ensuring that Contractor’s insurance shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the insurer’s limits of liability.
5. Each insurance policy required herein shall provide that coverage shall not be canceled, suspended, voided, reduced in coverage or in limits, non-renewed by the carrier, or materially changed except after thirty (30) days prior written notice has been given to

However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Claims Made Policies

If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.
2. Insurance must be maintained and evidence of insurance must be provided ***for at least three (3) years after completion of the work.***
3. If coverage is canceled or non-renewed, and not replaced ***with another claims-made policy form with a Retroactive Date prior to*** the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of ***three (3) years*** after completion of work.

City may make all reasonable decisions with respect to its representation in any legal proceeding. Notwithstanding the foregoing, to the extent Contractor's services are subject to Civil Code Section 2782.8, the above indemnity shall be limited, to the extent required by Civil Code Section 2782.8, to claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Contractor.

8. INTELLECTUAL PROPERTY INDEMNIFICATION

10. CONFIDENTIALITY

If Contractor receives from the City information which due to the nature of such

information is reasonably understood to be confidential and/or proprietary, Contractor agrees that it shall not use or disclose such information except in the performance of this Agreement, and further agrees to exercise the same degree of care it uses to protect its own information of like importance, but in no event less than reasonable care. "Confidential Information" shall include all nonpublic information. Confidential information includes not only written information, but also information transferred orally, visually, electronically, or by other means.
