DISCUSSION

The Public Works Agency's Maintenance Services Division maintains approximately 400 miles of roadway and 800 miles of sidewalks within the Santa Ana. The services provided in the on-call asphalt and portland cement concrete street repair contract will include the repair of existing roadway pavement, concrete repairs, restoration of utility service patches as a result of City repairs from water and sewer infrastructure, and repairs and adjustments to water valve boxes and manholes on an as-needed basis.

Invitation for Bids (IFB) No. 24-110 was advertised on September 12, 2024 on the City's online bid management and publication system, PlanetBids. A summary of vendor participation and results is as follows:

418	Vendors notified
1	Santa Ana vendor notified
28	Vendors downloaded the bid packet
7	Bids received

0 Bids received from Santa Ana vendors

Bids were solicited, opened on October 1, 2024, and evaluated (Exhibit 1). Seven bids were submitted by the IFB deadline, and all bids were determined to be responsive to the specifications and met the City’s requirements. To ensure sufficient resources are available at all times, staff recommends awarding an aggregate purchase order contract to Cali State Paving, Inc., Hardy & Harper, Inc., and Paveco Construction, Inc.
