AGENDA TITLE

Agreement Renewal with Azteca Systems, LLC for the Public Works Asset Management Software (Non General Fund)

RECOMMENDED ACTION

Authorize the City Manager to execute a renewal with Azteca Systems, LLC for asset management software for a total amount not to exceed \$85,304, and extend the term to January 31, 2026, with no additional extensions (Agreement No. A-2025-XXX).

GOVERNMENT CODE §84308 APPLIES: Yes

DISCUSSION

The Public Works Agency is responsible for the construction and maintenance of city infrastructure and assets to fulfil its engineering, construction, traffic, facility, water, and maintenance obligations, and promote public safety.

On September 19, 2017, the City issued Request for Proposal (RFP) No. 17-101 to seek a consultant to provide enterprise asset management software selection and implementation services. The goal was to track the City's various public works assets, including water, pavement, traffic control devices, street lights, sewer infrastructure, refuse collection, and wastewater systems. On January 16, 2018, City Council approved an agreement with Azteca Systems, LLC – Cityworks (Cityworks) to provide this service. The Cityworks platform offers digital solutions to tracking, maintaining the condition and maintenance of these key systems, and is integrated with Geographical Information Systems (GIS) to collect spatial data.

The original agreement authorized an initial three-year term beginning January 16, 2018 through January 15, 2021, in an amount not to exceed \$75,000 per year with a provision for Consumer Price Index (CPI) adjustments, and the option to renew annually after the end of the initial term. The authorized renewals are exhausted and staff requests Council authorization of a one-year renewal of software licensing.

This one-year renewal reflects a CPI-based increase to a total of \$85,304 for the renewal period. The Public Works Agency intends to review the agreement prior to the

end of the requested term for opportunities to renegotiate contract terms and/or bid out through an RFP process, upon which staff will present to Council for approval.
