**Subject:** OC Animal Care

### **Somebody tell OC Animal Care the pandemic is over**

OC Animal Care is sticking to pandemic-era restrictions, preventing visitors from seeing the dogs in their kennels. A recent announcement of absurdly limited access is designed to fail.

Let's look at the dog adoption procedures of our neighbors, LA City and LA County. They were already far more accommodating to adopters. In these two systems, appointments were only a device to regulate flow, not an excuse to keep the kennels out of the public eye.

Our neighbors, always looking for improvements, are gradually moving towards even more freedom for prospective adopters. (Quotes are from the websites provided.)

#### **LA Animal Services: No appointment needed to adopt, foster pets**

<https://heysocal.com/2023/06/22/la-animal-services-no-appointment-needed-to-adopt-foster-pets/>

"The Los Angeles Animal Services Department announced Thursday it will no longer require appointments for Angelenos to adopt or foster an animal from its shelters starting June 28."

#### **LA County: majority of hours with no appointment, a smaller portion appointment-based (with adopters visiting the kennels in both cases)**

<https://animalcare.lacounty.gov/adoption-hours/>

"Morning visiting hours are BY APPOINTMENT ONLY 10 am -12 pm Daily except Wednesdays."

"Appointments are NOT REQUIRED for afternoon visits (2-5 pm everyday except on Wednesdays when visiting hours are 2-7pm)"

"For the appointment hours, a staff member or a volunteer will be on hand to assist you in viewing our Ready to Go Home (RTG) animals that day. This means they are spayed or neutered, off stray hold and have gone to **dog playgroups** at least once (for dogs over 35 lbs.). All RTG animals can be adopted on a first-come, first-served basis. For Non-Appointment visits, assistance will be provided according to staff capacity. We are confident this new process will provide options for potential adopters to view and adopt animals in a way that is accessible and maintains animal health and wellbeing."

#### **Only OC Animal Care prevents prospective adopters from seeing dogs in the kennels.**

Rumor has it they will designate 5 hours a week in which some limited number of visitors will be escorted through an area that houses less than 25% of available dogs. This is meant to deflect criticism rather than solve the problem.

OC Animal Care needs to realize that the pandemic is over, and all its fabricated excuses have been exposed.

[Impact Report](#)

**[Capturing a Once-in-a-Generation Opportunity](#)**

This past year has been game-changing for trails, walking and biking. You've helped us secure critical new funding for connecting communities large and small. Your support has helped us to collaborate with thousands of local partners, sharing the expertise and tools to create more places to enjoy the outdoors. And you've helped us connect millions of people to trails.

Together, we've made incredible progress in our work to connect the nation by trail—creating the infrastructure, programming and culture where people value trails and make trails part of their everyday lives.

[Explore our impact in 2022.](#)

#### Trail Moments

### **Running for Good**

Physician Guy Monteleone is admittedly a very slow runner—but that's not stopping him from getting out on the trail and preparing for the Chicago Marathon this October in support of the Ronald McDonald House Charities.

[Guy shares some great training tips to help reduce your chance of injury and set you up for success in running.](#)

## **Summer Plans: Creating #TrailMoments**

For the past few years, we've challenged people nationwide to make spending time on the trails a part of their day-to-day routine and to share those experiences. These stories and snapshots have been moving, and we want to motivate everyone to keep it up! Later this summer, we're going to launch a new opportunity to showcase how you're engaging with trails and embracing your #TrailMoments.

Stay tuned for more information and for fun ways to participate!

## **Share Your #TrailMoments**

At RTC, we are capturing and sharing your stories of joy, moments of solitude, and motivation for exercise and self-care. These Trail Moments can inspire others to explore trails and the outdoors, while helping our local leaders understand how important trails are to the health and well-being of our lives and our communities.

Read our collection of Trail Moments, and share your own!

A promotional banner for the TrailLink App. It features a background image of a forest with tall evergreen trees. The text "Get the Free TrailLink App" is prominently displayed in the center. Below the text are two buttons: "Download on the App Store" and "GET IT ON Google Play".

Two smartphones are shown side-by-side, displaying the TrailLink app interface. The left phone shows a trail listing for "Banks-Vernonia State Trail" with a star rating and a "View Map" button. The right phone shows a map of the "Vernonia State Trail" with a route highlighted and a "Back" button at the bottom.

Hall of Fame

## **And the Nominees Are ...**

Each year we nominate some of the best trails from around the country to be in the running for the Hall of Fame.

This year's nominees are: the Hennepin Canal State Trail in Illinois, Prisma Health Swamp Rabbit Trail Network in South Carolina and the Sacramento River Rail Trail and Sacramento River Trail connected pair in California.

Learn more about the nominees—and mark your calendars to vote for this year's inductee: Voting begins on July 31!

**Subject:** Rent Stabilization Ordinance Logistical Problem with Tenant Petition

Good evening,

I filed the Tenant Petition regarding the Rent Stabilization Ordinance regarding an unlawful rent increase issued on April 1, 2023, and the City of Santa Ana told me I didn't file it within 30-days of the rent increase so they won't acknowledge the violation. **The Tenant Petition has not been available until July 1, 2023**, so it has been impossible for me to file up until this month. This effectively invalidates the law for any illegal rent increases since the law took effect in 2021. I could owe over \$500. I have been patiently waiting for the petition to become available online and collecting documentation and doing my due diligence in order to present my case to the city. For any council member that supports tenants I would like this to be addressed. This is not a small amount of money, and my landlord has been warned by the city that they are in violation of the law. I have the letter sent to Advanced Management Company from the city telling them they are in repeated violation with their tenants. This is upsetting and not in the spirit of the law if not in outright violation of it.

Kelli Corona

Hi Valerie congrats on being our first female mayor! I am reaching out to see if you can please ban fireworks in Santa Ana. Every year it gets worse and the police are so overwhelmed they don't even answer 911. Thus year was worse than ever. There were

illegal Disneyland style fireworks going off 10 feet over my home, dynamite shaking the entire house and windows setting off all car alarms, guns all happening on Maybury. Please help end this before our homes burn to the ground or someone blows themselves up or kills innocent bystanders. Thank you!!

**Subject:** General Public Comment - OC Animal Care

## **General Public Comment for City Council**

### **OC Animal Care**

*I support the Findings and Recommendations of the Grand Jury on OC Animal Care. I urge the city to work towards the implementation of the Findings and Recommendations*

The Grand Jury Report on OC Animal Care can be found here:

[https://www.ocgrandjury.org/pdfs/2022\\_2023\\_GJreport/Gimme\\_Shelter\\_and\\_a\\_Pound\\_of\\_Advice.pdf](https://www.ocgrandjury.org/pdfs/2022_2023_GJreport/Gimme_Shelter_and_a_Pound_of_Advice.pdf)

Below is the intact text of the Grand Jury's Findings and Recommendations. (I added yellow highlighting to what I found most interesting... and cyan highlighting to an important cat issue.)

## **FINDINGS**

### **Management:**

- F1** Management has limited flexibility utilizing personnel within Orange County Animal Care across departments due to structured work rules, volunteer work restrictions, and employees working in departmental silos.
- F2** Low staff morale exists within Orange County Animal Care.
- F3** Orange County Animal Care staffing is negatively impacted by vacant positions remaining unfilled for greater than six months due to burdensome hiring processes. This delay in recruitment and completion of hiring has resulted in qualified candidates declining job offers.
- F4** Based upon industry standards and best practices, Orange County Animal Care kennel attendants are understaffed to meet the needs of animals under care.
- F5** Orange County Animal Care's operating policies and procedures manual is out of date.
- F6** The Orange County Animal Care Volunteer program was stopped during COVID-19 and restarting the program has been slow, resulting in decreased animal socialization and enrichment.

### **Animal Welfare**

- F7** Orange County Animal Care's Behavior Evaluation Committee evaluates dogs for euthanasia without written guidelines, policies, or procedures, resulting in inconsistent outcomes over time. Behavior evaluated euthanasia outcomes are dependent on the experience and personal considerations of the individual committee members and management rather than written objective standards.

- F8** The rate of behavioral euthanasia of dogs has increased significantly over the last 2 years.
- F9** Orange County Animal Care does not employ a professional or trained and certified animal behaviorist to oversee the shelter's dog enrichment program, resulting in dogs with declining behavior being placed at greater risk of being euthanized.
- F10** While many county and city animal shelters throughout the state have active Trap, Neuter, and Return programs, Orange County Animal Care stopped its Trap, Neuter, and Return program, reportedly on the basis of the County Counsel's legal opinion that the program violates a California statute related to willful animal abandonment.
- F11** The termination of the Trap, Neuter, and Return program is correlated with an increase in adult cat euthanasia rate at the shelter.
- F12** There have been public concerns and requests expressed over the years for public programs to include a spay/neuter program by Orange County Animal Care.

### **Communication / Outreach**

- F13** The current adoption appointment system restricts public access to the dog kennels, thereby limiting potential adopters' access to all available animals.
- F14** Orange County Animal Care's engagement with some animal rescue partners is negatively impacted due to differences of opinion in appropriate animal care policy.
- F15** Internal and community engagement does not adequately communicate the shelter's mission and operating strategy.
- F16** The information currently on the Orange County Animal Care website for low- cost spay/neuter is not up to date with regard to referrals and prices for spay/neuter procedures.

### **Impediments to the Investigation**

- F17** The OC County Counsel's office misstated to the Grand Jury the scope of its commitment to serving and assisting the Grand Jury in its investigations into County governance respecting managing conflicts between the Board of Supervisors, OC departments and agency clients, and the Grand Jury.

## **RECOMMENDATIONS**

### **Management:**

- R1** By October 1, 2023, OC Human Resource Services should review and update recruitment strategies to significantly increase the timeliness of recruitment of vacant positions and to anticipate vacancies due to retirement, resignations, transfers. (F3)
- R2** By December 31, 2023, Orange County Animal Care, OC Community Resources, and OC Human Resource Services should review hiring practices to facilitate process improvements to expedite filling OCAC vacancies. (F3)
- R3** By October 1, 2023, OC Community Resources and Orange County Animal Care should review their current staffing allocations of Animal Care Attendants to reflect NACA

guidelines and to provide appropriate staffing allocations for animal care, feeding and enrichment. (F3, F4)

- R4** By October 1, 2023, OC Community Resources and Orange County Animal Care should review their current staffing allocations of all positions within the OCAC and reallocate resources to increase Animal Care Attendants to reflect NACA guidelines to provide appropriate staffing for animal care, feeding, and enrichment. (F3, F4)
- R5** By December 31, 2023, Orange County Animal Care management should review and update policies, procedures, guidelines, and practices to assure they are accurate and reflect current operating practices. (F5)
- R6** By June 30, 2024, the Board of Supervisors should evaluate the strategic option of creating a Joint Powers Authority for the County and fourteen contract Cities to take ownership and shared responsibility for the financial and operating policies and practices of OCAC. (F1 thru F16)

## **Welfare**

- R7** By October 1, 2023, Orange County Animal Care management should establish written guidelines, policies, and procedures as standards for evaluating animal behavior for use by the Behavior Evaluation Committee. (F5, F7)
- R8** By December 31, 2023, in the interests of transparency, Orange County Animal Care management should add a representative from a rescue organization to serve as a non-voting, at-large member on the Behavior Evaluation Committee. (F7, F14)
- R9** By December 31, 2023, Orange County Animal Care, OC Community Resources, and OC Human Resource Services should hire an animal behaviorist or certified dog trainers to work with aggressive animals to reduce the high rate of dogs being euthanized and enhance their adoptability. (F8, F9)
- R10** By December 31, 2023, the Orange County Board of Supervisors and Orange County Animal Care management should request that County Counsel reconsider its opinion about the shelter's former Trap, Neuter, and Return program, or seek an independent second opinion to County Counsel's opinion, to ascertain whether the program can be re-established, or a modified version of the program can be implemented. (F10, F11)
- R11** By July 1, 2024, Orange County Animal Care should implement a low-cost public spay/neuter program. (F12)

## **Communication / Outreach**

- R12** By October 1, 2023, Orange County Animal Care management should hold all- hands staff meetings at least every quarter. (F1, F2)
- R13** By October 1, 2023, Orange County Animal Care, OC Community Resources, and OC Human Resource Services should conduct annual surveys of staff to monitor morale and identify opportunities for operational improvement. (F1, F2)
- R14** By December 31, 2023, Orange County Animal Care management should open the shelter to the public for walk throughs to maximize opportunities for the public to adopt animals under the care of the shelter. (F13)
- R15** By October 1, 2023, Orange County Animal Care management should look for new ways to be more inclusive and engaged with volunteers and the rescue organizations that are necessary for the shelter's success. (F14, F15)

- R16** By October 1, 2023, Orange County Animal Care should schedule quarterly meetings with community stakeholders to facilitate transparency and engagement. (F14, F15)
- R17** By October 1, 2023, Orange County Animal Care management should update the information currently on its website for low-cost spay/neuter of feral cats with regard to referrals and prices for spay/neuter procedures. (F16)

### **Impediments to the Investigation**

- R18** Beginning with the 2023/2024 Grand Jury training, and all training thereafter, County Counsel should provide detailed instruction about the circumstances under which the County Counsel's office might recuse itself from assisting with Grand Jury investigations and the alternatives available to the Grand Jury under such circumstances. (F17)

**Subject:** PACIFIC PARK: Cypress Fire Station - Resident Feedback  
**Attachments:** Cypress FS Community Surveys 071823.pdf  
  
**Importance:** High

***\*\* Please convey this resident feedback to our Mayor, City Manager, Staff and City Council. \*\****

Good Morning Mayor, City Council and Staff,

I'm writing to you as Co-Leader of the Pacific Park Neighborhood Association.

I have been speaking with our residents for the past several months, and the overwhelming consensus is that here is a great need for a new Community Space in Pacific Park that is open evenings, weekends, and accessible to our youth and their families.

Our only community center, Roosevelt/Walker, is booked to capacity most days and it is difficult to reserve space, even for our neighborhood association committee meetings. I have been informed by staff that Roosevelt/Walker is not available for student study sessions, project development, or use by residents without booking **3 months in advance**, a \$300 deposit and \$116 an hour rental fee.

This creates a severe barrier to use by the vast majority of Pacific Park Residents, many of whom are immigrants and working class families.

To address this serious inequity, our residents have fought to have the Cypress Fire Station restored to community use.

We were told by Council Members and Staff that our residents would have an opportunity to meet and talk about potential uses.

To facilitate that dialogue, we have begun gathering surveys from attendees of our public meetings and events on the Eastside.

Attached is the first group of Cypress Fire Station surveys.

These surveys were gathered in-person at our Pacific Park Neighborhood meetings & gatherings.

Please note, that out of the 9 surveys attached, 7 are from Pacific Park Residents.

The rankings:

**Digital Library and Technology Center** - 7 in support

**Santa Ana Library History Room Archive** - 5 in support

**Santa Ana/SAUSD Social Justice Center** - 7 in support

**Santa Ana Art & Culture Commission Gallery** - 3 in support

**Artist Residency Space** - 4 in support

***Write-In Suggestions*** - Senior Center, Computer Classes for Adults - "Because they need (computers) for Doctor appointments"

This survey will also be posted in Spanish, English, and Vietnamese  
at: <https://www.friendsofcypressfirestation.com/>

On numerous occasions dating back to August of 2022, I and other Pacific Park residents have requested public meetings with the City to discuss potential community uses for the Cypress Fire Station.

I look forward to an in-person meeting, as promised by Council Members and Staff, where our residents can voice their needs, hear presentations of options, and give feedback on the resources and services they would like to see offered at the old Cypress Fire Station.

OC Human Relations (OCHR) came to our Pacific Park Neighborhood Meeting in 2022 and introduced themselves as the facilitators of this future community meeting on the Cypress Fire Station. OCHR are waiting for confirmation of a meeting date from staff.

Remember that Pacific Park/Eastside is a DisAdvantaged Community (DAC) which has been marginalized and disenfranchised for decades.

Let's work together to set things right and ensure equity for our residents,

Sincerely,

-- SPS

Sandra "Pocha" Peña Sarmiento  
Pacific Park Neighborhood Co-Leader  

# FRIENDS OF THE CYPRESS FIRE STATION

Since 2016, residents of Pacific Park/Eastside have worked to make the historic Cypress Fire Station a Community Resource that serves the needs of its diverse population.

Last year, our coalition was successful in saving the Cypress Fire Station and it is now being restored to community use. Without consulting with our residents, staff recommended turning over the firehouse to SAPD's PAAL's program which serves 75 students citywide, including 25 youth at Roosevelt/Walker Community Center.

In August of 2022, City Council directed staff to research joint uses for the Cypress Fire Station, which could share the facility with SAPD's PAAL program. Currently PAAL's operates 3 days a week only in the afternoons. An SAPD substation will also operate out of the SAPD PAAL's space.

Please share your input on what additional needs and uses you envision for our beautiful firehouse. Some suggested uses include:

**(Please Check All Boxes That Apply)**

- ☒ Digital Library & Technology Center - Would provide Free Community Access to Wifi, Computers, Printers, a 3D printer, Podcasting Studio, Study Rooms, & Meeting Rooms for all ages.
- ☒ Santa Ana Library History Room Archive - Would house our Library's historic archives, facilitate research, mount exhibits, host community history events for all ages.
- ☐ Santa Ana/SAUSD Social Justice Center - Would work to establish a multicultural Santa Ana archive and learning space to support the school district's Ethnic Studies program in our diverse community.
- ☒ Santa Ana Art & Culture Commission Gallery - Originally proposed by Gerardo Mouet.
- ☒ Artist Residency Space - There are two resident spaces on-site, making Civic Art Residencies a viable reality. The Art Commission could select 2 Teaching Artists annually to work with Pacific Park's multigenerational (Children, Adults, Seniors) community.

Write In Your Own Suggestion:

Are you a Pacific Park Resident? ☒ YES ☐ NO

Last year, our coalition was successful in saving the Cypress Fire Station and it is now being restored to community use. Without consulting with our residents, staff recommended turning over the firehouse to SAPD's PAAL's program which serves 75 students citywide, including 25 youth at Roosevelt/Walker Community Center.

In August of 2022, City Council directed staff to research joint uses for the Cypress Fire Station, which could share the faculty with SAPD's PAAL program. Currently PAAL's operates 3 days a week only in the afternoons. An SAPD substation will also operate out of the SAPD PAAL's space.

Please share your input on what additional needs and uses you envision for our beautiful firehouse. Some suggested uses include:

**(Please Check All Boxes That Apply)**

- ☒ Digital Library & Technology Center - Would provide Free Community Access to Wifi, Computers, Printers, a 3D printer, Podcasting Studio, Study Rooms, & Meeting Rooms for all ages.
- ☒ Santa Ana Library History Room Archive - Would house our Library's historic archives, facilitate research, mount exhibits, host community history events for all ages.
- ☒ Santa Ana/SAUSD Social Justice Center - Would work to establish a multicultural Santa Ana archive and learning space to support the school district's Ethnic Studies program in our diverse community.
- ☐ Santa Ana Art & Culture Commission Gallery - Originally proposed by Gerardo Mouet.
- ☐ Artist Residency Space - There are two resident spaces on-site, making Civic Art Residencies a viable reality. The Art Commission could select 2 Teaching Artists annually to work with Pacific Park's multigenerational (Children, Adults, Seniors) community.

Write In Your Own Suggestion:

Are you a Pacific Park Resident?

☒ YES

☐ NO
